For Hair Health
If Retail "93" Hair Tonic does not improve the health of your scalp and hair, we will pay for what you use during the trial.
We could not so strongly endorse Retail "93" Hair Tonic and continue to sell it to the same people if it did not do all we claim. Should it not prove entirely satisfactory our customers would lose faith in us, we would lose their patronage, and our business would suffer.
If your hair is falling out or you suffer any scalp trouble, we believe Retail "93" Hair Tonic will cure it. It eradicates the dandruff, gives health to the scalp, stimulates new hair growth and prevents premature baldness than any other human agency.
We want you to make us prove this. We ask you to risk no money whatever. Buy a bottle of Retail "93" Hair Tonic, use it according to directions for thirty days; then if you are not entirely satisfied, come and tell us and we will promptly refund the money you paid us for it.
We don't ask you to sign any thing, nor even to give the bottle back. We won't obligate you in any way. We will take your mere word. Could anything be more fair? Could we do anything more to prove our belief in Retail "93" Hair Tonic, and our honesty of purpose in recommending it to you?
Retail "93" Hair Tonic is now on hand to use as spring water and has but a faint, pleasant odor. It is in two sizes of bottles, 50c and \$1.00. You can buy Retail "93" Hair Tonic in this community only at our store.

Dallas Loses.
Last Saturday night the Company G basketball team lost the first game for three years to Silverton Athletic club at that place. The Dallas team played at a great disadvantage, owing to the small floor and the large crowd which crowded out on the floor. The game was a tie and when the tie was played off the Silverton boys won it by a field basket. The game was fast and exciting. They seemed doomed to defeat as several times they had chances to win the game by shooting field baskets but would miss them. Silverton lead at the end of the first half by a score of 17 to 13. When the second half started the Dallas boys were determined

to win and played as they never played before soon getting ahead of the locals. For the first 17 minutes of the second half the Dallas team shut the Silverton boys out and scoring 7 points, making the score 20 to 17 with Dallas boys in the lead and only 3 minutes to play. Then when the game to be won Silverton suddenly shot a field basket and when only half a minute remained to play a foul was called on Dallas which Silverton threw. The scoring for Dallas was Gates 1, Ballantyne 3, Shaw 2, Boydston 1. For Silverton, Wolcott threw 4 and Voin 3. The gym was small and the crowd was large. After the game the Dallas boys were taken to a dance.
