FRONTIER DAYS
 Walla Walla, Wash., U. S. A.
 SEPTEMBER 25, 26, 27, '13

Frontier Days at Walla Walla will, undoubtedly, be the biggest and best attraction of the kind ever promoted by any city of the United States. Every feature of western life will be re-enacted in a truly amazing manner by the most skillful and daring performers living.

Champion riders of world fame will, each day, compete with each other in wonderful and thrilling feats of horsemanship; racing wild horses by dare devil riders will hold the crowds spell-bound; the "drunken-ride" is a top-notch feature; Indian races and feats will truly depict the character and cunning of the Red man, while the 150-mile pony express relay race will require a wonderful endurance test of man and beast. The square races, Indian dances, Indian village and a REAL INDIAN WEDDING will portray in vivid manner Indian life. Bull-dogging, roping and branding, throwing by the horse and a general stampede are but a few of the features of life among the cattle. Not the least of the events planned is the monster street parade which will show every phase of early western life, cowboys, trappers, miners, express riders, stage coaches, pack trains and early settlers will participate. The world famous 72d Sealorth Highland Land of 70 pieces will be one of the musical treats.

TUMOR IN BREAST

Greatly Reduced in Size in a Single Week's Treatment by Means of Electricity.

Mrs. Ed. Wunder, of Independence, Ore., formerly from Monmouth, came to Dallas on August 5th, to consult Dr. Toel on account of a tumor in the right breast. She noticed a lump in her breast first on March 1st of this year, which kept on growing until it was about two inches long by one inch in diameter. She had been hit by an apple falling from a tree in the fall, when her breast was full of milk from weaning her child. It gave her considerable pain then, and this pain has continued ever since whenever she works hard.

She had treatment from two physicians by means of internal medicines and liniments, but it had no effect upon the tumor. Dr. Toel informed her that the tumor was not a cancerous one, yet, but an adenoma; but as adenomata frequently later on degenerate into cancers, he advised her to have it removed, if possible without an operation, by means of high voltage electric currents.

Mrs. Wunder immediately saw the soundness of this advice and returned on the following day to engage Dr. Toel for a month's treatment. When Dr. Toel examined the tumor again today, he found that the diameter of the tumor had greatly diminished. Mrs. Wunder comes to Dallas every day from Independence for her treatment and feels well satisfied with the result.

Women who notice a lump in their breasts should never neglect this. It is far easier on them to have the growth re-

moved before it becomes cancerous, than wait until a cancer has formed and then undergo an operation. While Dr. Toel's electrical operations are free from the danger of knife operations, and while returns of the cancer after his electrical operations are far rarer than after knife operations, yet it is easier on the patient to have the tumor removed by electrical treatment than to wait until it has become cancerous and makes an operation necessary. In addition it is cheaper too.

What is said here in regard to tumors of the breast holds good also for many uterine tumors as well as tumors in other parts of the body. Have them removed before they become cancerous. Dr. Toel can be found for some time yet at his office at 619 Washington street, Dallas, Oregon, one-half block east of the S. P. R. R. Depot.

COUNCIL MEETING.
 Ten Thousand Dollars Paid on Street Paving.

Council met in regular session last Monday evening with Mayor Van Orsdel in the chair and the balance of the city officials present except Councilmen Sibley and Fenton.

Attorney W. L. Tooze appeared before the council and requested, as a representative of the Commercial club, that the city should appropriate the sum of \$37,500 each month to apply on the salary of our band leader. Mr. Tooze made an eloquent plea for the appropriation, stating the worth of the band to the city, and that they could only be kept together by a salaried and efficient leader. Gorkhe moved to grant the request, but Hayter and Barber opposed, and the motion was withdrawn, and on motion of Barber laid over.

On motion of Hayter the street committee was empowered to purchase certain oil that the Clarke-Henry company have. The quarterly report of the auditor was on motion of Barber referred to the finance committee. Claims allowed:
 W Beaver \$25.00
 Star Transfer Co. 1.00
 S P Co., freight50
 Lynch & Hoffee, labor 15.00
 J W Vaughn, labor 9.30
 Fire department 40.00

An ordinance to re-establish trade on Academy street between Church and Levens was read first time. On motion of Hayter the second reading of the dog ordinance was indefinitely postponed. The gasoline ordinance was also laid over. An ordinance to provide against cutting into our paved streets, or to place fire thereon was read second time and passed. An ordinance to regulate the hauling of gravel etc., in loose boxes, also large timbers and engines on our paved streets was read second time, and passed. An ordinance to prevent draymen from making a rendezvous of any portion of our paved streets, also all horse drawn vehicles, was read second time and passed.

On motion of Hayter a warrant was ordered drawn in favor of the Clarke-Henry people for \$10,000, as part payment on paving. Adjourned to next Monday evening.

NEWSPAPERMEN VISIT DALLAS.

Owing to more time consumed in seeing the sights at the various principal towns up the West side, the Portland newspapermen scheduled to arrive at Dallas Friday evening at 5:30, did not get here until after 10, so that all forms of entertainment provided for them had to be called off. Saturday morning autos were in waiting and the pencil pushers were first taken to our arch back of the city reservoir, where they took in a birds-eye view of the valley. They were next taken down the west creek road to Rickreall and around by Smithfield, getting a chance to see the thousands of acres of orchard now bearing and soon to come to fruition. The boys got away to Independence and hour late, where they were shown our hop industry. Those present were:

The Oregonian, Shad O. Krantz, railroad reporter; Telegram, W. P. Stranborg, railroad reporter; Journal, J. L. Wallin, railroad reporter; Oregon Posten (Swedish) P. W. Longren, editor and publisher; The Spectator, John Dougal, editorial writer; Chamber of Commerce Bulletin, Moses Moseson, secretary of the Chamber of Commerce advertising bureau and member of editorial staff; Deutsche Zeitung, A. E. Kern, editor and publisher; Nachrichten, M. Burt; Pacific Scandinavian, H. J. Langoe; editor and publisher; Catholic Sentinel, P. E. Sullivan, editor and publisher; Peoples Press, C. N. Ryan; Italian Tribune, A. B. Big-

Lodge Notice.
 Jennings Lodge No. 9, A. F. & A. M.--A stated communication will be held Friday, August 22th at 8 o'clock. Important business will come before this meeting. All members requested to be present. By order of the W. M.
 WALTER S. MUIR,
 Secretary.

Delicious Pie, Cake or Doughnuts
 The most important feature in baking pastry is the flour--it must be "right" if you want the very best results.
Drifted Snow Flour
 Will help you to bake the most delicious pastry ever tasted. The flour is wholesome--it's clean and it's "right." The most successful cooks use Drifted Snow because their experience has taught them the lesson. Order it from your grocer and see how good it makes your pastry or bread.

The Guaranteed Flour
 Drifted Snow Flour is absolutely guaranteed to satisfy. Your grocer is ready to buy back at full price any sack of Drifted Snow Flour that did not satisfy.
 We stand back of the grocer. You can't lose--he can't lose--and we don't lose.
 The flour makes good and it will satisfy. Try it.
