THIRTY-THOUSAND VOICES.

And Many Are the Voices of Dallas People.

Thirty thousand voices—What a grand chorus! And that's the number of American men and women who are publicly praising Doan's Kidney Pills for relief from backache, kidney and bladder ills. They say it to friends. They tell it in the home papers. Dallas people are in this chorus. Here's a Dallas case.

John V. Ronco, 818 Uglow ave., Dallas, Oregon, says: "I have used Doan's Kidney Pills off and on for a couple of years and have always had great benefit. Kidney weakness gave me great annoyance. Since I used Doan's Kidney Pills, I have had no serious trouble. A few doses of this remedy always sets my kidneys working right."

The above statement must carry conviction to the mind of every reader. Don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills—the same that Mr. Ronco had—the remedy backed by home testimony. 50 cents a box. Foster-Milburn Co., Props., Buffalo, N. Y.

COUNCIL MEETING.

Committee Appointed to Purchase Land for Septic Tank.

Council met in regular session last Monday evening with all the officers and councilmen present, except McBeck and Gorke.

Considerable discussion was had in regard to the disposal of the water from Fairview avenue to Washington street, but no definite action was taken.

The mayor stated that as a septic tank was an expense coming in the near future, he would appoint a committee, consisting of Sibley, Hayter and Barber, to see about purchasing land on which to install the same.

Claims allowed:
 S. P. Co., freight, \$ 4.82
 Etna Life Ins. Co., 68.98
 J. L. & L. Co., 25.00
 Dallas Planning Mill, 4.08
 Observer, 2.00
 Poley Dornis, labor, 2.00
 J. D. Bevens, salary, 25.00
 Steve Morrison, labor, 2.25

On motion of Fenton the bill of W. J. Vaughn for fixing sewer was allowed. A communication explanatory of this bill was read from W. J. Keath, and on his recommendation the bill was allowed.

A communication was read from Mrs. Martha Holman regarding rebate that should be allowed her on payment made on curbs at her corner. This brought up the old argument as to the property owners' liability or the square corner of an intersection. Fenton said that if his claim was allowed he was in favor of the appointment of a committee to look up all street work of this nature and refund to all property owners what was due them. On motion of Sibley the claim of Mrs. Holman was allowed.

The resignation of Chief of Police J. D. Bevens was read, and on motion of Fenton allowed.

A supplementary report was read from Calvin S. White regarding his advice as to a septic tank for the city, and the same was ordered filed.

The gasoline ordinance coming up for second reading, it was unanimously passed. This ordinance makes it prohibitory to store gasoline or distillate in any room within the city limits in larger quantities than five gallons, unless under certain restrictions, principally underground tanks.

An ordinance prohibiting the opening of pool or card rooms from 12 midnight on Saturday to Monday morning at 6 o'clock and from 12 to 6 on other nights was read second time and passed.

A license ordinance was read second time. This fixed the price of auctioneering at an outside stock of goods at \$20 a day, and has various other prices for minor lines of such business. The ordinance does not apply to the marketing in private families by truck gardeners, etc. After an hour's discussion of the various details of this ordinance, it was referred to the finance committee for a report on next Monday evening at the meeting of Fenton.

Dr. Hayter stated as chairman of the finance committee that by the first of the year the city would have used up all its money, gone its limit of indebtedness, and then be in debt to a considerable extent.

On motion of Fenton the fire chief was instructed to purchase 500 feet of fire hose and an additional hose cart.

The resignation of Herbert J. Flagg as city engineer was read and on motion of Sibley accepted.

Fenton moved that a committee be appointed to determine the amount due property owners on street intersection squares. The same was carried, and the mayor appointed as such committee Barber, Sibley and Risser.

Fenton wanted the town cleaned up before the fair, especially the sidewalks where merchants had left goods and receptacles thereon, and on his motion the marshal was instructed to see that the same was done, also to notify the place.

On motion of Hayter the health and police committee was instructed to connect up the sewers through the alley back of the Main block.

On motion of Hayter the ordinance regulating the driving of cattle through the streets was referred to the ordinance committee for certain desired changes.

On motion of Hayter the night watch was instructed to again carry his clock and the fire and water committee was to designate stations for the keys.

Treasurer Vassall asked for warrants as follows: Improvement bond No. 1, \$400; improvement bond No. 2, \$500; interest on No. 3, \$82.28. Warrants were ordered.
