Machine The Latest Adder

COSTS BUT \$35

See our Exhibit---Ask for 10 days' trial

Here is a new price on a competent Adder. On a machine that is rapid, full-sized and infallble.

The very latest machine, built by men who know, in one of the largest metal-working shops.

It is an individual Adder, to be placed on one's desk, close to one's books and papers. To take the place of the central machine re-quring skilled operators. It is also intended for offices and stores where costly machines are a

The price is due to utter simplicity, and to our enormous output. Seven keys do all the work.

Each copied number is shown up for checking before the addition made. The machine will

add, substract and multiply. With very slight practice anyone can compute a hundred figures a minute. And the machine never makes mistakes. Countless offices, chines the higheest class of service.

Now we make this offer so that offices everywhere may learn what this machine means to them. We will gladly place in any office one Ameican Adder for a ten days'

There will be no obligation, and and charges will be prepaid.

Compare it with any non-listereven the costlest. Let anyone use it. See if any machine can serve better than this.

Just send us this coupon and we'll send the machine

Please send us an American Adding Machine for ten days' free trial.
