The contest will close November 31 and be immediately followed by another of four months' duration, commencing on that date.

The school house property has been improved by the addition of a new fence and walk. D. R. Ruble is digging up about half of his current bushes, as he finds the fruit difficult to dispose of on account of poor keeping qualities. He intends leaving enough for the Salem cannery but will probably not ship any more to Portland. Mr. and Mrs. Harvey Crawford spent Sunday in Salem with Mr. and Mrs. Frank Wells. A number of ladies voted Tuesday. It being their first opportunity to cast a ballot. Will Crawford has made several trips to Salem to consult Dr. Clay in regard to a broken bone in his foot, caused by jumping from the separator about a month ago. Clayton Young and family of Salem visited Sunday with Mr. and Mrs. P. Clark. Mrs. Kate Coyle has been visiting with Mrs. Winnie Hume at Gervais, and with Mrs. D. Henry, at Woodburn. Donnell Crawford and John Ruble took in the "Girl From Munnies" Thursday evening at Salem. Miss Grace Spang has obtained a position in Dallas as stenographer for H. C. Senzour. Mrs. Gus Lake, who is very ill, is being treated by Dr. Bartley, of Salem. Mrs. Mary Bayne and son, of Salem, visited her parents, Mr. and Mrs. James Smith, over Sunday.

Revival is Big Success.
The revival at the Christian church is proving to be a great one in every particular. Many have responded to the invitation, 33 having come into fellowship. Mr. Brooke has proved himself an evangelist of unusual power. He has treated subjects pertaining to almost every phase of the Christian life and each has been pronounced a masterpiece of pulpit deliverance. The large chorus and orchestra, under the direction of C. E. Curtis has been a strong feature in the meetings. The evangelists were greeted Sunday by two great audiences, having in the evening a capacity house. A feature of the services, greatly enjoyed Sunday was the solos of Mrs. Stimson, of Buell, who in the morning sang "The Holy City," and in the evening, "I heard the Voice of Jesus Say." Mrs. Stimson has a well trained voice of rare quality and greatly pleased all who heard her.

The question box has been a source of much helpfulness in that it gives all an opportunity to have known their peculiar needs in the line of exegesis and answers all questions the same night on which they are placed in the box, and in a manner pleasing to all. Some of the evangelist's themes follow: Thursday—"Is Christianity Reasonable?" Friday—"How a Good Man Got Religion." Saturday—"Sons of God." Sunday a. m.—"The Law of Service." Sunday p. m.—"Get Together."

While chopping a limb off a tree recently, it struck Al Carter on the shoulder, breaking his collar bone.

All Growing Children
are dependent on nourishment for growth. Their health as men and women is largely established in childhood. If your child is large, bloodless, tired when rising, without energy or rosy cheeks, Scott's Emulsion is a wonderful help. It possesses nature's grandest body-building food so delicately perfumed that the blood absorbs its strength and carries it to every organ and tissue and fibre. First it increases their appetite, then it adds flesh—strengthens the bones—makes them sturdy, active and healthy. No alcohol or narcotic in Scott's Emulsion, just purity and strength.

Annual Convention.
The annual convention of the Polk County Sunday School Association will be held in Falls City November 21 and 22. A good program has been arranged. There will be speakers of national repute in attendance. All schools should be sure and send delegates, that they may get the good of these conventions. Beginning November 4th, Mrs. Robbins, of the domestic science department of the Oregon Agricultural College, was in Dallas for three days, under the auspices of the Woman's Club, giving lectures and demonstrations of domestic science arts. Classes were held both afternoon and evenings, to which all women of the community were invited. Judging from the attendance and interest shown, the meetings were a decided success.
