**HOW TO OVERCOME A BAD CONSTIPATION**

There is a Mild Laxative That Will Bring Safe and Pleasant Relief Over Night.

MRS. N. FRANTZ.

It is only natural that the simplest of ailments should be the most general and so we have a whole nation suffering from constipation and indigestion, for they are closely allied. But common as constipation is many people do not seem to know they have it. They will complain of headache, drowsiness or biliousness, all unconscious of the cause of the trouble.

You should have a full and free movement at least once a day. If you pass a day you are constipated, and the result will be that you will catch a cold easily or have a more serious ailment. Many people will tell you that they have tried most things recommended for this purpose, but have found Syrup Pepsin the one always reliable. A bottle can be obtained at any drug store for fifty cents or one dollar, the latter size being bought by families already familiar with its merits.

Syrup Pepsin is mild, pleasant-tasting and non-gripping. Mothers give it to tiny infants, and yet it is effective in grownups. It is for everyone who suffers from any form of stomach, liver or bowel trouble, constipation, dyspepsia, biliousness etc. Its action will so delight you that you will for ever avoid harsh cathartics, purgatives, pills and salts.

Families wishing to try a free sample bottle can obtain it by postpaid by addressing Dr. W. B. Caldwell, 419 Washington St., Monticello, Ill. A postal card with your name and address on it will do.

Sour Stomach, Heart Burn

In October, 1910, we received a letter from Mrs. Hall, from which we make the following extracts:

"About twelve years ago my health began to fail. I could not eat anything without suffering for it. I had heart burn, sour stomach, palpitation of the heart, smothering spells, pains in my sides and back. In fact, I suffered all over, and a cough almost like consumption. Doctors failed to relieve me; in fact, they didn't seem to know what ailed me. I continued to grow worse until I was able to sit up only a part of the time. I had almost lost all hopes of ever being any better.

"But one day some one threw some books in at my door. I read them and found them to be Peruna books. They described my feeling so truly I sent at once and got a bottle and began taking it. You pronounced my ailment systemic catarrh, and gave me some advice.

"When I had taken two and one-half bottles I began to eat without suffering. I continued to improve. "When I had taken eight I was like a new person. That was nine years ago.

"I think Peruna the greatest family remedy there is, for so many ailments are due to catarrhal trouble. I would advise any one afflicted with catarrh to take Peruna and I am sure it will leave."

In the Revised "Tills of Life" we have many similar testimonials which should interest sick people everywhere. Sent free by the Peruna Co., Columbus, Ohio.

People who object to liquid medicines can now obtain Peruna Tablets. Ask Your Druggist for Free Peru as Lucky Day Almanac for 1914.
