### ONE WEAK SPOT.

Many Dallas People Have a Weak Part and Too Often It's the Back.

Many people have a weak spot. Too often it's a bad back.

Twinges follow every sudden twist. Dull aching keeps up day and night. Backache is often from weak kidneys.

In such case a kidney medicine is needed.

Doan's Kidney Pills are for weak kidneys.

For backache and urinary ills. Dallas people recommend the remedy.

Mrs. Ralph Adams, 312 Maple St., Dallas, Ore., says: "One of my family complained for quite awhile of pain and lameness in his back. After taking one box of Doan's Kidney Pills, he was greatly relieved. He believes that Doan's Kidney Pills are all they are claimed to be."

Mrs. Adams is only one of many Dallas people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mrs. Adams had—the remedy backed by home testimony. 50c at all stores. ### CONSUMPTION TAKES 350 PEOPLE DAILY

Over 350 people succumb to consumption every day in the United States.

Science proves that the germs only thrive when the system is weakened from colds or sickness, overwork, confining duties or when general weakness exists.

The best physicians point out that during changing seasons the blood should be made rich and pure and active by taking Scott's Emulsion after meals. The cod liver oil in Scott's Emulsion warms the body by enriching the blood; it peculiarly strengthens the lungs and throat, while it upholds the resistive forces of the body to avoid colds and prevent consumption.

If you work indoors, the easily, feel languid or nervous, Scott's Emulsion is the most strengthening food-medicine known. It is totally free from alcohol or any stupefying drug. Avoid substitutes.
