THE NEW TAX LAW was the true and full value of his per-

CONTINUED FROM LAST WEEK.

Sec. 52.—Shell Apply to Surveyor General and Landoffice for Plats. It shall be the duty of the several county assessors of this state, where the same has not been obtained, to apply to and obtain from the office of surveyor general, the local United States land offices, where necessary, and the land department of the state of Oregon, plats of all townships and parts of townships in their respective counties, showing the county lines, on a scale sufficiently large to show the sections or parts of sections by their legal subdivisions, and all lands subject to taxation at the time, with the names of the gantees or denees of each tract. And said county assessors shall procure and keep a tract book for their respective counties.

Sec. 54.—It is hereby made the duty of each school clerk in this state to certify to the county clerk of his county a statement showing the number of mills on each dollar of school taxes voted by the legal voters of his district at any meeting legally convened for that purpose, and orders and conclusions of the seme on the assessment roll. The actions and conclusions of the court in all matters pertaining to the purpose, on or before May 15 of each year.

See 55.—Duty of County Assessor' as to School District Tax—To Make School District Tax—To Make School District Plats and Mans and Assessor' as property in its county, for the purpose in remaining to the purpose of the purpose of the purpose of the purpose of two has coved out. to School District Tax—To Make School District Plats and Maps and Assessment Rols. It is hereby made the duty of the county assessor, with the assistance of the county school superinted deat of each county, to make a complete map and plat of his county, showing the boundry lines of each and every school district in his county, and the relative boundries of each precinct of said county. It is further made the duty of the county assessor, from the assessment rolls and lists of the precinct assessors made each year, to transcribe at the same time as the county assessment of every rerson subject to taxation in each school district, and make a roll to be known as the school district assess. each school district, and make a roll to be known as the school district assessment roll, which shows the amount and kind of taxable property each and every person may own or have in each school district subject to taxation, which said roll said county assess r shall turn over to the county clerk with the general assessmen roll of his county; provided, however, that the school district roll shall not be made for any district not having levied a tax prior to May 15 of each year.

having levied a tax prior to May 15 of each year.

Sec. 56.—To Carry Out Taxes on Roll and Deliver Roll to Sheriff With Warrant to Collect Taxes. The county clerk shall, after the county court has made the levy hereinaiter provided, proceed at once to carry out the tax of each property owner, on the assessment roll for that year in his possession into the propercolumn, road tax and special levies by school districts each in separate colling from the general tax; and on or before the first Monday in October next to be absent a few days.

onal property. Fifth—The county court shall correct ll errors, omissions or investigation.

all errors, omissions or imperfections in names, amounts or descriptions of any nature or kind, and shall have power and it is the duty of the court to add to said roll and assess on taxable property omitted.

omitted.

Sixth—Before the court grants the applications or makes any reduction applied for, it must first examine, on oath, the person or the agent making the application, touching the value of the property of such person. No reduction must be made unless such person or the agent making the application attends and answers all questions pertunent to the inquiry. Upon the hearing of any application the court may subpens such witnesses, hear and take such evidence in relation to the subject pending as in its discretion it may deem proper.

Sec. 59.—Said court shall complete its labors by the first day of June in each year, and after the valuation of all the sequalized, shall cause each column to be

names of the gantees or dones of each race. And said county assessors shall procure and keep a tract book for their respective counties.

Sec. 53.—County Assessor The county assessor shall annually compare the assessment lists with said plats, and may strike from said lists all lands not found on said plats and not on the assessment roll. It shall be the duty of the county assessor to enter annually upon such maps and plats such addition all lists of lands subject to taxation as may have become subject to taxation as may in each year.

Sec. 54.—It is hereby made the duty of each school clerk in this state to certify to the coanty clerk of the county assessor to enter annually and orders made by the court, and not each school clerk in this state to certify to the coanty clerk of the county assessor to be completed. The counts all sits of lands subject to taxation as may have become subject to taxation as formed at large and the county court, to be made, one copy of which shall be filed in the office of the county clerk, together with the school derk in this state to certify to the coanty clerk of the county assessment roll.

Sec. 54.—It is hereby made the duty of each school clerk in this state to certify to the coanty clerk of the county assessment roll.

Sec. 55.—It is hereby made the duty of each school clerk in this state to certify to the coanty clerk of the county assessment roll.

Sec. 60.—Findings of Court Final Except in Certain Cases. The county and orders made by the court, and note the same on the assessment roll, and orders made by the court, and note the same on the assessment roll, and orders made by the court, and note the same on the assessment roll, and orders made by the court, and note the same on the assessment roll, and orders made by the court, and note the same on the assessment roll, and orders made by the court, and note the same on the assessment roll, and orders made by the court, and note the same on the assessment roll, and orders made by the court, and note the same of the clurk of

roll. The actions and conclusions of the court in all matters pertaining to the equalization of the values of taxable equalization of ta property in its county, for the purpose
of taxation, shall be final; provided,
that its action may be reviewed on writ
of review issued out of the circuit court
of the proper county, as is otherwise
provided by law.

"I won't do it, and you bet I won't!"
"Then take that!" she exclaimed as she fetched him a box on the ear and walked off.

The boy stood holding his ear when a newsboy approached and asked:
"Was it your mother?"
"Yes."
"Hurt much?"
"Awful."
"Going to give her anything for Chrstmas?"
"Not much. I was going to, but now a shipyard, and a rice-mill

A departure from the requirement of unanimity in the verdicts of juries has been made in Minnesota. An amendment allowing ten members, or five-sixths of a jury, to render a verdict in civil cases was voted on at the recent election, and appears to have been carried. The adoption of the amendment has occasioned some surprise in the state. The departure is, however, in a directmill.

amount as the court believes was the true and full value thereof.

Fourth—The county court shall upon complaint of any party aggrieved, reduce the valuation of each item or class of personal property assessed to him, which it is opinion, is returned above its true and full value, to such price or sum as the court believes to be its true and full value, to such price or sum as the court shall reduce the aggregate valuation of the personal property of such individual who, in its opinion, has been assessed at too large a sum, to such sum or amount as the court believes

"Was it your mother?"

"Was it your mother?"

"Hart much?"

"Awful."

"Going to give her anything for Chrstmas?"

"Not much. I was going to, but now she can hang up her old stocking and be have pointed out as the path of progress, and expert opinion is on record to the effect that the demand for such a change will become greater as juries improve and got them hid in the woodshed, and now I'll go home and trade off the outfit for a peck of peanuts and eat every one of them myself!"
