An agent for the Rock Springs coal was here last week. Mr. and Mrs. A. A. Curtis are in from Idaho to visit the home folks.

Messrs. Sargent & Keffer have leased the City Hotel from E. Minor. C. Ludner, special agent of the Aetna Life Insurance Co., is in town.

Bills are out for a "Potato Race," at the Opera House, Saturday night. A young "son of Japan" contributes an interesting letter for this issue.

W. M. Davis, proprietor of the Matlock barber shop, is quite ill with "grip." Theo. Danner is the photographer at Heppner. Don't forget it.

Billy Rank's "grip" has settled in his nose, and "vo beautiful nose it vas." Sny, what's the matter with Bob Ford and Geo. Swagart in the pugilistic arena?

Geo. Swagart got back Saturday from a few days' sojourn on his ranch below here. Rev. Fatrine will hold services in Heppner, Monday eve, the 23rd inst. Everybody welcome.

Wonder what right Recorder Roberts has to lease the council chambers? This is on the q. t., you know. You don't have to continue doing with Simmons Live Regulator. Often a little cures effectually.

Mr. T. J. Allyn, of Ione, was up this week on business. Mr. Allyn is feeding 56 head of fine beef cattle. Sheep and cattle are being fed in the same locality, though down on "the sand" the grass remains uncovered.

Rev. Swagart contemplates putting out one thousand prairie trees at spring. They will do well in this country, and are a valuable crop. Gov. Rea got back from Long Creek last night, without convicting any of the perpetrators of the recent outrages in Ritter precinct.

Geo. Latrell reports snow drifted over at the Jones ranch on Big Butte creek. Sheep are in good condition, however, for a little cold snap. A family rans raised the neighborhood in the lower part of town last Saturday night. Since that time they have kissed and made up.

W. H. Bicks, of Hardman, has returned from a visit to northern Idaho. He reports a win three feet deep up there, and is content to stay with Morrow. T. A. Moore, of Wichita, Kansas, brother of Mrs. J. H. Simmons, is in Heppner visiting the relatives here. He is looking for a location in this Western country.

Frank McFarland's letter to the Oregonian on the necessity for appropriations on our Grant county roads, is right to the point, and properly appreciated. When our Butte creek coal mines are thoroughly developed, there will be no room for R. K. Springs, Seattle or Tooley coal. May the day be not far distant.

J. W. E. Hood, who lives near the old crossing of Willow creek, below here, was in town Monday last, and reports no snow from his place to the river. Curious country, this. The tunnel on the "Little Lanna" is in about sixty feet. They are working in softer rock than was found nearer the surface. The prospect grows brighter for a rich strike.

Fred. Allison, Hegal's partner in the balloon business, returned to Heppner Saturday last, where he will remain till the Prof. recovers from injuries received at Arlington recently.

W. Gerbrich, a stockman of Butteburg, Idaho, is stopping in Heppner. He is a volunteer veteran of the Nez Perce war of '78, and carries substantial evidence that an Indian can shoot.

A. G. Bitter is back to Heppner, after making a tour of Montana in his business of shearing. He is directly from Tozonia, which place he is not in love with at this time of the year.

George Starrett, the well known seed man of Walls Wells, Wash., has made a specialty for years of growing garden and flower seeds, and thus that they are more likely to grow and give satisfaction than Eastern goods. Don't you forget the Starrett seeds when your garden and flower beds are ready.

Prof. L. D. Keen, and C. W. Culp, representing the famous breeding stables of W. L. Ellwood, of DeKalb, Ill.inois, passed through Heppner last week en route from Long Creek to Fossil, where they have a number of Percheron and coach horses. They will return to Heppner in a few weeks.

Dead-In-Black Horse, on Feb. 16 '91, infant daughter of Mr. and Mrs. Geo. Shipley, aged 2 years. The interment took place in the Heppner cemetery Tuesday afternoon at 1 o'clock. In the hour of trouble, they have the sympathy of many friends.

The line of the Heppner-Canyon stage line expects an immense travel over the route next winter. Men will push into the rich Greenhorn section by the thousands, and in that event, 100 coaches will be put on to accommodate the traffic.

Messrs. Tuttle & Bates, of The Dalles, formerly from Michigan, are preparing to open a saloon in the Abrahamsick building. Their fixtures and stock have arrived, and they will have their place open to public patronage in a few days.

THE SNOW STORM—George Visonou's young son reported snow badly drifted last Sunday on the ridge between Hinton and Little Butte creeks, in some places to a depth of four feet. The same day, parties reported to snow on the ridge between Willow and Khea creeks, and also none from a point 16 or 18 miles south of here to the river. Southern Morrow, or the mountain region has plenty of the "beautiful." It is wonderful how conditions vary in a little country like Morrow.

Quite a number did not report name and character assumed, and consequently their names do not appear. They must not blame the printer for this.

For a lame back, a pain in the side or chest, or for tooth-ache or ear-ache, pre-emptive relief may be had by using Chamberlain's Pain Balm. It is reliable. For sale by J. C. Johnson, Drug Co.

THE PROPRIETORS of Ely's Cream Balm do not claim it to be a cure-all, but a sure remedy for catarrh, colds in the head and hay fever. It is not a liquid or ointment, but is easily applied to the nostrils. It gives relief at once.

Hon. C. A. Rhea reports his numerous flocks in good condition—never better any previous winter. There was not enough of snow at his lower ranch last Saturday to prevent sheep from grazing.

WHY CONTINUE the use of irritating powders, ointments or liquids. Ely's Cream Balm, pleasant of application and a cure for catarrh and colds in the head, can be had for 50c. It is easily applied into the nostrils, is safe and pleasant, and is curing the most obstinate cases. It gives relief at once.

The many friends of Char. Younggreen are pleased to hear that he is in Portland working at his trade, and evidently doing very well. Charley intends to go over on the Sound in the Spring.

"THE JERSEY LILLY." ANGLESEA COYTAGE, L. B., July 2. Gentlemen: Although it is very personal for me to use any lotions or washes, still in answer to your request, I have tried Wisdom's Violet Cream and Balm. The former I consider especially efficacious in cases of roughness of the skin, and I have been using it every day for the last fortnight. I have found the Robertine an excellent preparation in cases of tan, sunburn, etc., caused by exposure to March winds and a July sun.

Yours faithfully, LILLIE LANGTRY. To Messrs. Wisdom & Co. Saturday next the jolly people of Clarks Canyon will have a competitive rabbit hunt, the side securing the least number to pay for the oyster supper in the evening. A dance will follow.

Because Bert Simons carries a black eye, don't accuse him of being No. 2 in a "scrap." The boys have been practicing up in the "mainly art," and even soft gloves hurt when scientifically handled by jugglers.

PRONOUNCED HOPELESS, YET SAVED. From a letter written by Mrs. Ada E. Hard, of Gravel, S. D., was quoted: "Was taken with a bad cold, which settled on my lungs, cough set in, and finally terminated in Consumption. Four doctors gave me up by saying I could live but a short time. I gave myself up to my Savior, determined if I could not win my friends on earth, I would win them in heaven. My husband was my helper. He got King's New Discoverer for Consumption, Coughs and Colds. I gave it a trial, took it in with hot water, it has cured me and thank God I am now a well and hearty woman." Trial free at T. W. Ayer's, Jr., City Drug Store, regular size, 50c and \$1.00.

SEVERELY BRUISED—On last Tuesday morning, little Gay Boyer was severely bruised about the face and limbs in crossing on the Cemetery hill, near the Catholic church. Dr. Swinburne was called to attend the little sufferer, who is rapidly recovering. There's fun in coasting, but all care should be taken to avoid accidents.

The World Enriched. The facilities of the present day for the production of everything that will conduce to the material welfare and comfort of mankind are almost unlimited and when Syrup of Figs was first produced the world was enriched with the only perfect laxative known, as it is the only remedy which is truly pleasing and refreshing to the taste and prompt and effectual to cleanse the system gently in the Spring time, or, in fact, at any time and the better it is known the more popular it becomes.

The county jail at Condon caught fire on the 11th inst. The prisoners were no presumptive, and vigorous yelling brought the town out in time to save this and other county buildings.

HOOD'S SARSAPARILLA. Many peculiar points make Hood's Sarsaparilla superior to all other medicines. Peculiar in combination, proportion, and preparation of ingredients. Hood's Sarsaparilla possesses the curative value of the best vegetable remedies. It is made of the vegetable kingdom. It is strong and economy—Hood's Sarsaparilla is the only medicine which can truly be said to "cure the blood." It is a "One Dollar" medicine. It is a larger and smaller bottles require larger doses, and do not produce as good results as Hood's. Hood's Sarsaparilla accomplishes cures hitherto unknown, and has won for itself the title of "The greatest blood purifier ever discovered." Peculiarly good name at home—there is no more of Hood's Sarsaparilla sold in the world, than of other blood purifiers. Hood's Sarsaparilla is in record of sales abroad, and no other preparation has ever attained such popularity in so short a time, and retained its popularity and confidence among all classes of people so steadfastly.

Do not be induced to buy other preparations, but be sure to get the Peculiar Medicine.

I have been troubled many years with disease of the kidneys and have tried many different remedies and have sought relief from different physicians without relief. About the 15th of April I was suffering from a very violent attack that almost prostrated me to such a manner that I was not able to get up alone, or to put on my clothes, when kind Providence sent Dr. Hendley, with the ORIGIN KIDNEY PILLS, to my hotel. I immediately commenced using the tea. It had an almost miraculous effect, and to the astonishment of all the guests at the hotel, in a few days, I am happy to state, that I was a new man. MERIT WINS. We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Backlin's Arnica Salve and Electric Bitters, and have never handled remedies that sell as well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. These remedies have won their great popularity purely on their merits. T. W. AYERS, Druggist.

Our tobogganists landed snow both Monday and Tuesday to repair the ravages of "Old Sol." Our boys will have a toboggan slide, even if they are compelled to import snow.

Now the time of year approaches when it's no world of fun for the festive connoisseurs and mutton mouths. Wrestling with stock in the stiff morning air is no picnic, from extensive experience had by yours truly.

COLD WAVES. Are predicted with reliable accuracy, and people liable to pains and aches of rheumatism dread every change to damp or stormy weather. Although Hood's Sarsaparilla has not been proved to be a positive specific for rheumatism, the remarkable cures it has effected show that it may be taken for this complaint with reasonable certainty of benefit. Its action in neutralizing the acidity of the blood, which is the cause of rheumatism, constitutes the secret of success of Hood's Sarsaparilla. If you suffer from rheumatism, give Hood's Sarsaparilla a fair trial; it will do you good.
