WILL BUY WHEAT

At all locations on the Drayton Branch.

The Oregon Land Co.

We are extremely interested in the purchase of land and subdividing, and have already purchased and subdivided over 800 acres of land in the vicinity of Henry's. The salient feature of this undertaking is that it was the first out of 300 located on Plain Land.

We make that your advice and consent is absolutely necessary and will yield a larger income than 30 cents a day.

T. A. Clark, President.
