Influence.

LONDON, July 21-Advices from India bring the intelligence that Russia is again at work on the northwestern frontier endeavoring to extend her influence party, 50 strong, is engaged in surveying and prospecting in the platean of the Pamer, but the intimation is also conveyed that while these are the osten-

lent to carrying coals to Newcastle. It is assumed that the purpose of the expedition is to sow seeds of Russian influence beyond the frontier, where the growth shall be fostered pending the appearance on the scene of the Russian troops which it is appearance. troops, which it is suspected may be already under orders to proceed to that

Ever since the operations of General Komarof, on and beyond the Oxus, where Herat was threatened by Muscovite troops, the northern borders of In-dia have been menaced by Russian sol-diers. It was not known at that time how many troops Russia had pushed forward to the frontier, nor has it since been possible to estimate, even approx-imately, the number left there when the

imately, the number left there when the preteness of evacuation was made.

It is known, however, that a much larger force remained than was stated, and it is also known that these troops have since been reinforced on several occasions. The effect of the advices, which are vouched for as being authentic, is to induce the belief in political circles here that another attempt on the part of Russia to obtain a footbod in part of Russia to obtain a foothold in India is not far distant.

BELGIUM LAROR TROUBLES. London, July 21—A Brussels telegram says that signs of renewal of the strikes says that signs of removal of the strikes at Charleroi, Monsliege and other con-gested labor centres in Belgium are numerous and alarming. As every one of the previous strikes in these places has been accompanied by every species of disorder, resulting in bloodshed and eat destruction of property the

eat destruction of property, the murrings of the workmen, who are egged on by the large number of socialists agitators that injest the manufacturing and mining towns of Belgium, the lawabiding population and local authorities are not alarmed without cause at the return of discounts of the control of the c return of discontent of the overworked and underpaid laborers.

The trouble between the employes and

The trouble between the employes and the masters has been and still is that the workmen blindly follow the lead of a number of irresponsible agitators. Whenever the men have grievances that might be remedied without trouble, that are just and would at once appeal to the sense of instice of the employers. to the sense of justice of the employers, they are induced by these self appointed advisors to make such extravagant claims as preclude the possibility to compliance, with the invariable result that the men are hopelessly beaten at the outset of the strike which follows.

Even now the iron workers and min-ers are making demands that are certain to be rejected because of their in-justice, and for their inevitable defeat in the strike which cannot long be de-ferred their sill. ferred, they will, as on previous oc-casions, have nobody to blame but

EX-QUEEN NATALIE'S CLAIM. Lospos, July 21—Of the justice of ex-Queen Natalje's claims against her di-vorced husband, Milan, whom she is sueing in Paris there does not seem to be any doubt, but of her chances of re-covering any part of her squandered for-time there seems to be a great deal. Milan long ago spent all of her money that he could get his hands on as well

that he could get his hands on, as well as every franc of his own, and all he was able to borrow from confiding men and women At present he is living on the incom-

At present he is tiving on the income which the Servian government guaranteed to him as the price of his remaining away from Servia, and this is the only source of revenue he has. It is not likely that he has anything left over when the periodical payment is due, nor is it probable that the treasury at Beigrade can be further drawn upon to help grade can be further drawn upon to help him out of his trouble.

Therefore the only satisfaction Natalie is likely to get out of the suit is the op-portunity it will afford her to expose the disreputable life her husband has led for years and let the world know the woman upon whom he has lavished her

SAMOAN MALCONTENTS.

LONDON, July 20—Advices from Samoa via Melbourne, says that King Maleotea has ordered Chiel Mattafa to come to Apia. This Mattafa refused to do, de-claring he would be Apia. This Mattaia refused to uo, uc-claring he would cause him to be arreated. Malcontents in large numbers have gathered about Mattafa and it was feared they meditated the feared they meditated the capture of Apia. Vigorous measures have been taken by the authorities to scatter the gang. Now everything is quiet.
