From the Wasco Sun.

The name of Hon. Charles W. Fulton, of Astoria, is now being prominently mentioned in connection with the appointment of United States circuit judge soon to be made by the president. Last week the members of the Wasco county bar and a number of the citizens of The Dalles joined in signing a petition to be presented to the president, asking such appointment to be made. The members of the legal fraternity in Portland and other cities have also united in signing a similar petition. Should Mr. Fulton be appointed it will necessitate the election of a senator in Clatsop county, to take his place in the next session of the legislature. In the senate, at the last session, Mr. Fulton was clearly the leader of the republican side, and if he retires from that position his constituents will lose the services of an energetic and conscientious representative.

REMARKABLE CURES

Mrs. Michael Curtain, Plainfield, Ill., makes the statement that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a *hopeless victim of consumption* and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself benefitted from the first dose. She continued its use and after taking ten bottles, found herself sound and well, now does her own housework and is as well as she ever was.—Free trial bottles of this Great Discovery at T. W. Ayers' Drug Store; large bottles 50c. and $1.00. 2

A Correction.

In a recent issue the Gazette criticized Geo. P. Rowell & Co., 10 Spruce St., New York, as to their manner of obtaining ratings of newspapers for their annual. We were under the impression that the Gazette had been incorrectly rated, and knowing that every reasonable effort had been made to cause said rating to be correctly published, we thought it an occasion to enter protest. It has since transpired that the Only Gazette was wrong in the matter, having received proper representation at the hands of Messrs. Rowell & Co.

TWENTY DOLLAR GOLD PIECES.

Henry Padberg, a successful sheepman of the Lexington section, called Friday last. HAPPY HOOSIERS.

Wm. Timmons, Postmaster of Idavil e Ind., writes: "Electric Bitters has done more for me than all other medicines combined, for that bad feeling arising from Kidney and Liver trouble," John Leslie, farmer and stockman, of same place, says: "Find Electric Bitters to be the best Kidney and Liver medicine, made me feel like a new man." J. W. Gardner, hardware merchant, same town, says: Electric Bitters is just the thing for a man who is all run down and don't care whether he lives or dies; he found new strength, good appetite and felt just like he had a new lease on life. Only 50c. a bottle at T. W. Ayers' Drug Store.

The up train on the branch should arrive in Heppner at 6:40 p. m., but may be early or late, owing to the amount of local traffic on the line. Agent Hart is frequently asked if the train is on time, and when his answer is an affirmative one, he means that it left Willows Junction on time. Govern yourself accordingly, readers, for the agent don't know when the train will reach Heppner.

"THE JERSEY LILLY."

ANGLESEA COTTAGE, L. B., July 2.

Gentlemen: Although it is very unusual for me to use any lotions or washes, still, in answer to your request, I have tried Wisdom's Violet Cream and Robertine. The former I consider especially efficacious in cases of roughness of the skin, and I have been using it every day for the last fortnight. I have found the Robertine an excellent preparation in cases of tan, sunburn, etc., caused by exposure to March winds and a July sun.

TO CONSUMPTIVES,

The undersigned having been restored to health by simple means, after suffering for several years with severe lung affection, and that dread disease consumption, is anxious to make known to his fellow sufferers the means of cure. Slocum-Johnston, the druggists, take especial pleasure in supplying their customers with the best medicines obtainable. Among the many excellent preparations on their shelves may be mentioned Chamberlain's Cough Remedy, a favorite during the winter months on account of its great success in the cure of colds. There is nothing that will loosen a severe cold so quickly, or as promptly relieve the lungs. Then it counteracts any tendency toward pneumonia. It is pleasant and safe to take, and fully worthy of its popularity.

Dr. R. L. St. John of Howland, Putman county, Missouri, takes especial pleasure in recommending Chamberlain's Cough Remedy, because he knows it to be reliable. While in Portland, we had the pleasure of seeing a plant of the Crouch-Houston system of electric lighting in operation. Will Houston, formerly of this place, is a member of the company, and desires to confer with our people before putting in a plant, in which he will take one-third of the stock.
