were unintentionally omitted.

week on the lookout to place some more
good literature with our people.

The brother of Jas. and Nels Jones,
who was reported seriously sick down in
the valley, died on the 18th ult.

Wall Richardson assisted Johnny
Keeney in furnishing the music down at
the lone ball New Year's night.

Sam Leffler, of Clarks Canyon, has the
tallest 21-year-old boy in Morrow coun-
ty. Bunchgrass against the world.

Hon. Henry Blackman left this morn-
ing to be present at Tammany's meet-
ing on the 8th inst., at Portland.

Sam Meadows is up to Weston, being
called there by the sickness of his
mother-in-law, Mrs. H. F. Dennis.

The accident on the main line near La
Grande last week cost sev. rail lives. The
West bound train was the sufferer.

The glass steam gauge on the boiler in
the Leak advertising car blew out yester-
day, and gave the people a good scare.

Wm. Rasmus and Chas. O'Neil, assist-
ing by others, will put on Damon and
Flybus at Fondleton on the 11th inst.

Frank Gentry brings in some samples
of corn which cannot be beaten in Ma-
toke. It was raised on his Black Horse ranch.

The Leak advertising car arrived
Tuesday evening, and was on exhibition
down at the depot yesterday and last
night.

L. T. Palmer, of Wagner, has shipped
three car loads of horses to British Col-
umbia and two car loads East, doing
fairly well.

Dr. B. E. Vaughan is back to Heppner
and will be prepared, in a few days, to
resume his work in dentistry. Reason-
able prices. 469-47*

J. N. Humphrey, of Eight Mile, re-
ports the following grain average last
year: Wheat, 35, barley 40 and oats 45
bushels per acre.

S. F. Fleming, of Hawley, Mo., writes
his son, who lives in Heppner, that he is
very well pleased with the Gazette which
he is now receiving.

Mr. and Mrs. D. E. Gilman arrived
yesterday from Haystack, leaving
this morning for Portland, where they
will remain a few weeks.

A slight error in the saloon licenses that
have been issued, has caused some un-
pleasantness, but having paid to sell liquor,
the mistake is of no import.

C. A. Reppas met with a serious acci-
dent while shoeing cattle up at Parker
& Gleason's mill recently. However, it
will not be when it gets dry.

The numbers drawing the dolls down
at Slocum & Johnston's drug store, are:
big doll, 58 and small one 91. Up to last
evening, no one had claimed either.

A young fellow who claims to be a
deputy sheriff and Will Von Cadow
came near locking horns over a bo-
dily bill down at the Palace Monday evening.

Levi Shauer dropped in yesterday from
the opal mines to attend the Odd Fel-
lows' installation. He reports cold
weather and much snow up about the
mines.

A. J. Hunt's horse was taken from the
rack in front of the Gazette office last
evening, by some unknown person. Mr.
Hunt was in town to attend the Odd
Fellows' installation.

G. E. Gilman reports that all stock
are doing well over in Haystack and
also in Poplar, (formerly know as Corn-
sod) valleys. There is no snow on the
John Jay in that section.

H. C. Gibson, the Hardman black-
smith, passed through Heppner late last
week, enroute home from Walla Walla
where he has been getting married. He
was accompanied by his bride.

The Cunningham flat, as well as the
bald peaks of neighboring hills, are cov-
ered with a light coat of snow. Farther
down the country, as well as on the
creeks, there is no snow at present.

A resident of Morrow sent some flow-
ers to the Toledo Blade last year at
Christmas which grew out in the open
air. What little cold weather we have
seems to do no harm to vegetation like East-
ern winters, and perhaps accounts for
the fact that the succulent tufts of
bunchgrass live through the winter.

FINE TIMBER--Perhaps, the best tim-
ber growing in the Blue mountains can
be found on Rock creek, in the vicinity
of Will Mallory's saw-mill. This class
of timber Mr. Mallory is using in making
lumber which he is delivering in Heppner
all the way from \$15 to \$30 per
thousand feet, depending on the quality,
and whether desired rough or dressed.
The same can be bought at the mill at
prices ranging from \$8 to \$25 per thou-
sand. He has a general assortment on
hand at present, and is sure to satisfy
customers. 427-4.

Hibbard's Rheumatic and Liver Pills.
These Pills are scientifically compound-
ed, and uniform in action. No gripping
pain so commonly following the use of
Pills. They are adapted to both adults
and children with perfect safety. We
guarantee they have no equal in the cure
of Sick Headache, Constipation, Dyspepsia
and Biliousness; and, as a purgative,
they excel any other preparation.

AN ERROR--Among the errors that
crept into our New Year's edition, we
notice that Mr. A. A. Wren is mentioned
as coming from Baker City, Kansas, in-
stead of Corker City, Mitchell Co., Kan-
sas. In justice to Mr. Wren, we make
the correction.

I. O. O. F. INSTALLATION--Last night
the following officers were installed in
the Odd Fellows' lodge at Heppner: J.
L. Yeager, N. G.; John Rasmus, V. G.;
Jas. D. Hamilton, Sec'y; M. Lichtenhal,
Treas.; Trustees, A. M. Gunn, W. A.
Kirk and Geo. Noble.

NEW WAREHOUSE--Henry Heppner is
up from Arlington, and will immediately
begin laying off his ground for the con-
struction of a corrugated iron warehouse,
100x60 feet, 20 feet high. His platform
will be 75 by 125 feet. The contract is let
and work will begin very soon.

INSTALLATION AT HARDMAN--On last
Saturday Geo. Noble, Tom Morgan, A.
M. Gunn and Jas. D. Hamilton went out
to be present at the installation of officers
elect of Lone Balm Lodge, No. 82, I. O.
O. F., at Hardman. The following were
installed on that occasion: M. S. Max-
well, N. G.; Mr. Craddock, V. G.; J. A.
Woolery, Sec'y; C. A. Lovegran, Treas.

GONE SURE--After waiting a reason-
able length of time for the return of W.
S. Parman, his creditors have come to
the conclusion that he is gone for good.
He left a number in the lurch, a very
foolish thing indeed, because his name
will follow him wherever he may go.
His brother has looked after his business
here since his departure, which will be
sold subject to chattel mortgage held by
Sargent & Keiffer, in the near future.

ALMOST DROWNED--Mr. and Mrs.
Downing, while on their way to visit
their son, H. F. Downing, of Rock creek,
on New Year's day, were thrown out in
the cold and raging waters of that stream,
and before being rescued, Mrs. Downing
was nearly chilled to death. It was by
the greatest difficulty that she held to
the vehicle and kept from being drown-
ed. At last accounts Mrs. Downing was
quite ill from the effects of her experi-
ence.

CALLED FROM HEPPNER--Rev. Mr.
Howerton, from Heppner, a Baptist
preacher, has taken charge of the Fossil,
Hoover Creek and Mayville district for
the ensuing year, and will preach at these
places in regular rotation. Mr. How-
erton moved his family into the Gal-
braith house last week, and will make
Fossil his headquarters. The reverend
gentleman came from Missouri to Mor-
row county five years ago.--Fossil Jour-
nal.

REUNION AND SUPPER--Rawlins post
No. 31, G. A. R., department of Oregon,
will hold a public installation of newly
elected officers of post, on the evening of
Jan. 14, 1892, also an old-fashioned army
supper, pork and beans, coffee, etc.
Public speaking for the occasion by
Comrade Ferguson, of Arlington post,
G. A. R., also by W. R. Ellis, of Heppner.
An invitation is extended to all
G. A. R. posts in Eastern Oregon, to all
old soldiers and to all others, whether
old soldiers or not. By order of Rawlins
post No. 31, G. A. R. C. C. Boor, Adj.

A SMALL BLAZE--Wednesday morning
the cry of "fire" was raised just below
the Gazette office, and some tall rustling
was done for buckets, even before many
knew just where the fire was. Arthur
Smith, the jeweler, had occasion to use
some benzine, dropping a little on the
floor. In fighting his alcohol lamp a
few moments after, he threw the match
down on the floor, the blaze communi-
cating to the benzine, running under the
counter, breaking a bottle which was
full of the liquid. Of course this added to
the blaze, which reached well up to the
ceiling. Prompt action stopped it in its
incipiency and prevented a big fire.

WHAT THE TYPE SAID--The type
made the Gazette say in our New Year's
edition that Ed. Day shared 6,000
pounds of wool off 5,000 sheep, instead of
60,000 pounds of that number, and that
C. A. Rhea had 25,000 acres of land in
Morrow county, instead of 2,500. It is
hardly necessary to state that these are
purely typographical errors, but as our
attention has been called to them, do so,
that the public may not mistake the er-
rors for supposed facts. In the haste
and overwork required to get out the edi-
tion, other errors may appear, but it
can't be helped. For the greater part of
last week our whole force worked night
and day.

THE LEAK CAR--The Leak advertising
car arrived at Heppner Tuesday eve, and
yesterday and last night was visited by
a large part of Heppner's population.
The car is nicely lighted by electricity,
presenting an attractive appearance.
The outside of the car was elaborately
decorated last evening by cases contain-
ing exhibits of minerals, fruits and views
of Placer county, Calif. Inside the car
was seen a greater collection, wonderful
as it was extensive. The car is in charge
of gentlemen who are ever anxious to
give all possible information concerning
Placer county. Mrs. Leak accompanies
the exhibit and our reporter found her a
very pleasant lady indeed.

K. OF P. INSTALLATION--On Tuesday
evening last quite a number of the
friends of Doric Lodge, including wives
and children of members, were present
to witness the open installation. Inter-
spersed here and there with both instru-
mental and vocal music, the installation
exercises were rendered most pleasing.
After the exercises, a grand banquet was
partaken of to the enjoyment of all,
closing with remarks from visitors and
brothers. The officers installed on that
occasion were: Emil Voraz, C. C.; H.
Scheeringer, V. C.; W. L. Saling, Pre-
late; Sterling Keithley, M. at A.; Prof.
Aubrey, K. of R. & S.; J. R. Simons, M.
of E.; J. N. Brown, M. of F.; A. W. Pat-
erson, I. G.; W. W. Smead, O. G.
Trustees, Thos. Quid, Andrew Rood
and C. S. Van Dryn.
