Will McAtee returned from The Dalles Monday where he had been to visit his family. N. A. Kelly was in town Saturday, having just recovered from a touch of the grip. Colfax, Wash., recently suffered a fire in which there was a loss of from \$15,000 to \$20,000. The la grippe is prevalent in the Eight Mile country, and but few families are escaping. Thos. Bradley departed Saturday morning for Portland where he will likely locate. The grip is taking Heppner by storm. Dick Howard is one of the victims, but is recovering. Mr. A. G. Long came in from Portland Monday evening to be present at the session of council. It is estimated by some that the Eight Mile country has raised 300,000 bushels of grain this year. The machinery for S. P. Garrigues' new mill arrived last week, and is being placed into position. Towns Mathews, the Alpine sheepman, reports little snow, so far this winter, down his way. John Boyse called Monday. He is just recovering from an attack of "grip," and also a dislocated ankle. F. M. Templeton, of Wagner, was here Tuesday. Mr. Templeton is running sheep in Haystack section. Material for Henry Heppner's warehouse is arriving, and construction work will begin at an early date. A few more days like the past week and our farmers will be turning over the soil, preparatory for spring sowing. Dennis Spillane, who lives near Heppner, is a happy man, having just received his patent for his timber culture. Ben Letland, the veteran salesman, returned from Portland last Friday and has taken his old place at Van Duy's. Lesho Watkins lent rest to the force by a substantial call Tuesday. Lisho is not wintering on his mountain ranch this year. Peter Bauernfeld, of Douglas, the horseman of that section, was in Heppner Monday. He reports all stock as doing well in that vicinity. Geo. S. Crane and Geo. Lord made timber culture proof before J. W. Morrow last Friday. Billy Parsons was here on that occasion as a witness. C. Ruhl has decided to reduce the price of bread to 22 loaves for \$1. This is certainly cheap enough for anyone, and should bring increased trade in that line. William Ryan, an old Walla Walla resident, was found dead Saturday afternoon in one of the Hunt warehouses at Centralia. Death was caused by heart disease. "Woolly" Clark, the veteran, came in from Pendleton Saturday. After a brief, though effective visit with the boys, he returned. His family are now residing at Pendleton. Jeff Jones' family are down with the grip, as have been Ed. Reese and family for the past week or more. In fact Jeff was the only well person of the two households for some days. Rev. P. M. Bell has closed his meeting on Clark Canyon and will shortly commence a protracted meeting at Heppner—about Feb. 7th. We have learned that Rev. Frank Adkins will assist him. In reference to Uncle Charley Kirk needing a monkey trainer, he denies the allegation in toto, affirming that for many years he has done his own work in that line, and quite successfully too. Died—On Eight Mile, Friday, Jan. 15, '92, the baby son of Mr. and Mrs. Wm. Braunton, aged 13 months. The remains of the child were interred in the Old Fellows' cemetery at Hardman last Saturday. Cattle stealing continues without interruption near Kathlamet, one farmer in that vicinity having lost eight head within the past month. The gang of thieves appear to be well organized, and it is a hard matter to break up their operations. A man named Brown was discovered in a strawstack near Walla Walla, badly frozen. He had ridden in on the bumpers of two freight cars, and becoming exhausted, laid down in the strawstack. Brown is now being cared for at St. Mary's hospital. We have received holiday editions of the Heppner Gazette, the Statesman, and East Oregonian. The Gazette is enterprising, and in its New Year's number has gone to considerable expense to make known the advantages of Morrow county to the reading public.—Fossil Journal. Messrs. Ashley Bancroft and G. S. Thompson, accompanied by Mayor Matlock, were conducted out to the big Hinto creek ranch last Saturday by Mr. Taylor, the well-known horseman. They enjoyed the trip immensely, and the strangers were well pleased with the stock.

COUNCIL MEETING.

The meeting was called to order at their regular session last Monday evening, Mayor Matlock presiding. All councilmen were noted present except Mallory. Minutes of previous meeting read and approved. Letter from D. W. Alt, of Weston, to E. Minor, asking information regarding the artesian well machinery, and if it could be purchased. Councilman Farnsworth made a motion, seconded by McAtee, that the finance committee be empowered to correspond with Mr. Alt. Carried. Bills, allowed: Gilliam & Bisbee, \$27.61; Sam McBride, \$2; Record, \$2. The chairman of the citizens' water committee made a report, presenting the resolution adopted in the mass meeting of last Thursday. He spoke of the matter, urging a reservoir instead of cisterns. Messrs. Brown, Blackman and Patterson also spoke, endorsing the remarks of Mr. Kellor, as to personal views and those gathered at the mass meeting. The members of the council expressed themselves, and were almost a unit on the adoption of the reservoir system. The only doubt in the minds of the council was the lack of funds. However, it was the opinion of the town council that if the people would vote \$15,000 bonds, very effective waterworks could be constructed. On motion of Morgan, seconded by Farnsworth, the resolutions of the citizens' committee were adopted. On motion of Gilliam, seconded by Farnsworth, the proposition of Mr. A. G. Long to furnish a steam pump with which to test the artesian well, was accepted. On motion of McAtee seconded by Farnsworth that Mr. Gilliam, the chairman on the committee on fire and water, was instructed to correspond with Emory Oliver to make plans and specifications for waterworks, and with the view of securing his superintendency during construction of the same. Mr. A. G. Long presented his proposition to furnish an aerial hook and ladder truck, with appliances for the protection of Heppner against fire, at a total cost of \$1039. A motion by Morgan, seconded by McAtee, to buy an aerial hook and ladder truck, was lost. On motion of Farnsworth, seconded by McAtee, the matter was referred to the committee on fire and water, to report at a special meeting on Tuesday evening. Council adjourned. A SPECIAL MEETING. At a special meeting Tuesday evening, the council decided to purchase the aerial hook and ladder truck, buckets, extra ladder etc. In addition to this they purchased extra 72 rubber buckets and four 6-gallon Babcock fire extinguishers, costing as a whole \$1,039. Council adjourned. Mat Mosgrove and wife are registered at the Palace. Victor Staadecker, of Portland, was in town yesterday. C. W. Ryehard is on the day "shift" at the Belvedere. J. H. Gemmill and wife of Lexington were in town Monday. Daily stage both ways between Monday and Long Creek. Nicest ham, breakfast bacon, and fresh lard at Spray Bro. 90-1f. R. A. As the ground was not frozen, it did much good. Dr. B. F. Vaughan is back to Heppner and will be prepared, in a few days, to resume his work in dentistry. Reasonable prices. 469-1f. Newer and neater quarters at the Palace Hotel with business room. Charley Jones, the barber, wants to see his old friends there. Baths in connection. Mr. J. M. Shelton, of La Grande, writes to the Gazette that "times are very dull in this part. Plenty of snow, fine sleighing weather, not very cold, but not very pleasant." On Friday evening the 22d inst., the ladies of the Episcopal church will give an entertainment consisting of tableaux, music and recitations. Tickets at door, 50 cents; children, 25 cents. Geo. Vincent and J. M. Shaw, of Butter creek, called yesterday. Geo. has a fine orchard of prune trees, about 500, which are doing well. In a year or so he will have an abundance of this kind of fruit. Settlers who filed timber-culture or pre-emption claims on railroad land in 1885 or 1887 can recover their fees by applying to Frank H. Snow, U. S. Commissioner, at Lexington. Bring your filing receipt. 435-1f. In his new quarters, City Barber shop stand, you will find Gid Hatt. He can't part a bald head in the middle or shave whiskers where none exist, but he's lightning on good subjects. Shaving, haircutting and shampooing done in a satisfactory manner. A Card. On behalf of the travelling men, who were so agreeably entertained by the ladies of Heppner at the Leap Year party given by them on the evening of January 20th, I beg to tender our sincere thanks for their very kind remembrance and to assure them that their hospitality will never be forgotten. This will add one more clause to the travelling man's prayer. DR. PAUL GRANT.

THE WORLD ENRICHED.

The facilities of the present day for the production of everything that will conduce to the material welfare and comfort of mankind are almost unlimited, and when Syrup of Figs was first produced the world was enriched with the only perfect laxative known, as it is the only remedy which is truly pleasing and refreshing to the taste and prompt and effective to cleanse the system gently in the spring time or, in fact, at any time and the better it is known the more popular it becomes. CAVALRY HORSES WANTED.—Those who have sound horses, weighing from 1,000 to 1,200 pounds, in color black, brown or gray, can find sale for them by calling on E. G. Sperry at the Belvedere saloon. Fifty head wanted immediately. Mr. J. Thompson, the merchant of Wagner, and R. H. Stafford, were over yesterday, and while in town, called at our new office. "Charity" will be heard from in our next, having come in too late for this.

OREGON KIDNEY TEA CURES ALL KIDNEY TROUBLES. Recently the following notice appeared in the San Francisco Chronicle: "Judge S. had been sick only about two weeks, and it was not until the last three or four days that the malady took a serious turn. At the beginning of his illness he suffered from diabetes and stomach disorder. Later the kidneys refused to perform their functions and he passed quietly away. Thus ended the life of one of the most prominent men of California. Like thousands of others his untimely death was the result of neglecting early symptoms of kidney disease. IF YOU are troubled with diabetes, gravel, or any derangement of the kidneys or urinary organs, don't delay proper treatment until you are forced to give up your daily duties; don't waste your money on worthless medicines and worse plasters; but strike at the seat of the disease at once by using the greatest of all kidney remedies, the celebrated Oregon Kidney Tea. It has saved the lives of thousands. Why should it not cure you? Try it. Purely vegetable and pleasant to take. 50 packages, 6 for \$5.00.

LICHTENTHAL. I hereby announce myself as a candidate for reelection as councilman, subject to the will of Heppner's voters, having been urged so to do by my friends, citizens of Heppner. O. E. FARNSWORTH. The editor of the Gazette has been requested to offer himself as a candidate for councilman. While he is no politician and can do but little for himself in the campaign, depending upon the assistance of friends, he will allow his name to be used in that connection, subject to the decision of the city voters at their election, Feb. 2, '92. NEW TO-DAY.

BABIES' DAY.—On Thursday of each week will be "babies' day" at Danner's gallery. Bring along your babies and have their pictures taken, and you will get one photo free of charge. 587f. NEW WORKMEN.—A. Abrahamsick desires to inform the public that he will have, in addition to his present force, and in a few days, some excellent tailors. Those desiring new suits should get in their orders as soon as possible. First come, first served. NEW TIME CARD.—With Monday last the Union Pacific began running trains on a new time card. It affects our Heppner branch as follows: No. 10, the down train, leaves Heppner at 8:30 a. m., arriving at Arlington at 11:30 a. m. Leaves Arlington at No. 9, 3:24 p. m., arriving at Heppner 6:50 p. m. FIRE AT VAN DUYS'.—Chas. Royse, bookkeeper at C. S. Van Duy's, was scared pretty badly on last Saturday morning by a fire which broke out in the store. Early in the morning, while sweeping out, the lighted lamp set fire to a lot of papers filed on a wall hook, and before being discovered, was blazing to the ceiling. Timely action prevented a more serious catastrophe. A WRONG IMPRESSION.—By some means or other, the impression has gone abroad that the county were paying \$1.50 for coyote scalps. This, perhaps, was created through an error in some of the Gazette's statements, which should have been 75 cents for scalps instead of \$1.50. The party in question sold the pelts for 75 cents more realizing in all, \$1.50. The last term of county court has increased the bounty on this class of wild animals to \$1, and on cougars and panthers to \$2. BURNED HAY.—Some cowardly sneak burned about 14 tons of hay which was stacked at the head of West Fork, belonging to Byron Bernard, Wednesday night of this week. Byron, like other people, has his share of enemies, and the incendiary is in all probability one of them, but he's a mean, sneaking, cowardly, despicable foe who vents his enmity in that fashion, and no legal punishment will be too severe for him if caught.—Fossil Journal. O. W. R.—Dr. Paul Grant and his brother E. G. Grant, the former very well known here, were in town this week. The doctor having embarked in the manufacture of family medicines, grocers and druggists' supplies, at 315 Front street, Portland, has given up his position which he has held so many years with Buckingham & Hecht, Mr. E. G. Grant taking his place. The concern with which Dr. Grant is connected is known as the O. W. R. Manufacturing Co., and they are meeting with marked success. FIRE TRUCK.—Perhaps, the best timber growing in the Blue mountains can be found on Rock creek, in the vicinity of Will Mallory's saw-mill. This class of timber Mr. Mallory is using in making lumber which he is delivering in Heppner at the way from \$15 to \$30 per thousand feet, depending on the quality, and whether desired rough or dressed. The same can be bought at the mill at prices ranging from \$8 to \$25 per thousand. He has a general assortment on hand at present, and is sure to satisfy customers. Dave Hamilton was in from the mill Tuesday. C. C. Sargeat has established a little notion business down near his feed stable. Wm. Radio and sister, of Grant county, arrived Tuesday evening on their way to Walla Walla, tarrying in Heppner one day.
