Deserving Praise.

We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery for consumption, Dr. King's New Life Pills, Bucklin's Arterio Sialve and Electric Bitters, and have never handled remedies that sell so well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. These remedies have won their great popularity purely on their merits. Slocum-Johnston Drug Co.

This class of timber Mr. Mallory is using in making lumber which he delivering in Heppner all the way from \$15 to \$30 per thousand feet, depending on the quality, and whether dressed rough or dressed. The same can be bought at the mill at prices ranging from \$8 to \$25 per thousand. He has a general assortment on hand at present, and is sure to satisfy customers. 427-1f.

A GOOD PAPER.—Our Gooseberry friend A. Charlston, sent a copy of our New Year's edition to The West Coast, a Swedish paper of San Francisco. It says in a recent issue: That the indifference with which the Portland Oregonians treat all Scandinavians is not shared by all Oregonians, as proven in a most excellent manner by the splendid paper, the Heppner Gazette, a copy of which has been sent us by our friend, A. Charlston, of Gooseberry, and contains besides favorable mention of Scandinavians, a separate page with much well selected news from the three Scandinavian countries.

The World Enriched. The facilities of the present day for the production of everything that will conduce to the material welfare and comfort of mankind are almost unlimited, and when Syrup of Figs was first produced the world was enriched with the only remedy which is truly pleasurable and refreshing to the taste and prompt and effectual to cleanse the system gently in the spring time or, in fact, at any time and the better it is known the more popular it becomes.

The Future Manufacturing Suburb of Portland—Already a Pay Roll of \$10,000,000 Per Month.

New Warehouse!

It is a well known fact that a manufacturing, employing labor, no matter where situated, is the nucleus of a city. The greater the number of employees, the greater the prospective city. The Krupp gun works of Germany support a city of 95,000; the Pullman Palace Car Co., of Pullman, Ill., a city of 12,000. Oswego, Oregon, is in its infancy. Today the Oregon Iron & Steel Works, and other industries, make a pay roll of \$40,000 a month. With an increase in the manufacturing output, the city increases in population. Population increases values in real estate; therefore Oswego offers today, to the careful investor, the very best field for investment. Oswego is only two miles outside the limits of Consolidated Portland. It has cheap train service of 8 1/2 cents a trip, and eight trains a day; also six steamboats each way on the Willamette. Oswego is a beautiful site for a town. Oswego has a splendid 2,400 water power, which is offered to manufacturers for a term of years free, and land with it. Oswego has pure, spring water in pipes over the town. Oswego has a beautiful lake where the pleasure-lovers of Portland will soon establish a summer resort. Property values in Oswego will advance rapidly and permanently as its future is founded on the development of the favorable location for manufacturing. Lots in Oswego invite the home-seeker. Lots sold on easy installments of \$10 down and \$5 a month. Ask the publisher of this paper to show you a plat of Oswego, or address a postal card to BOWDITCH, BARRY & CO., 71 Alder street, Portland, Oregon. 62-3

NO MORE BACK ACHE

Recently the following notice appeared in the San Francisco Chronicle.

"Judge S— had been sick only about two weeks, and it was not until the last three or four days that the malady took a serious turn. At the beginning of his illness he suffered from diabetes and stomach disorder. Later the kidneys refused to perform their functions and he passed quietly away. This ended the life of one of the most prominent men in California. Like thousands of others his untimely death was the result of neglecting early symptoms of kidney disease.

IF YOU are troubled with diabetes, gravel, or any derangement of the kidneys or urinary organs, don't delay proper treatment until you are forced to give up your daily duties. Don't waste your money on worthless liniments and nose plasters, but strike at the seat of the disease at once by using the greatest of all known remedies, the celebrated OREGON KIDNEY TEA. It has saved the lives of thousands. Why should you not cure your kidneys with vegetable and pleasant to take. \$1.00 a pack, 6 for \$5.00.
