until late in the afternoon of that day. The response of Mr. Perierra to our note of the 21st withdraws, with accept-able expressions of regret, the offensive note of Matta of the 11th ultimo, and also the request for the recall of Egan. The treatment of the incident of the

assault upon the sailors of the Baltimore is so conciliatory and friendly that I am of the opinion that there is a good rospect that the difference growing out of that serious affair can now be adjusted upon terms satisfactory to this government, by the usual methods and

and useful illustration of the unity and patriotism of our people. Should it be necessary I will again communicate with Congress upon the subject. BENJAMIN HARRISON.

Washington, D. C., Jan. 28th.

MONTE TO BLAINE. The note of Montt to Blaine is as fol-Valparaiso, which my government most dent of the United States or any sincerely deplored, the judicial author- ber of his cabinet, and that M

throw light upon the facts and to detect and panish the guilty parties. From the antecedents which the government of Chili was able to collect at the very outset, it appeared that the dis-order of October 16th began by a quarrel order of October 16th began by a quarrel among drunken sailors, which assumed Webster in 1849 and 1859, that meas-considerable proportions owing to the ages sent by president to Congress condition of the locality in which it were domestic communications, which originated and the police performed commence on manufactors, where their duty by re-establishing tranquility and placing the persons who seemed to have been concerned in the disorder at the disposal of the court. The government of Chilihas no data authorizing to think the course due to any discretifications. Where the considered disagreeable by the United States government to think the course due to any discretifications.

disorders to which it gives rise, although they may assume serious proportions and occasion very lamentable offenses, sunfortunately was the case at Valpawho have taken part in the disorder, aithough they certainly do not justify offenses committed during the disorder. however, form a final opinion concerning the nature of the occurrence in question, or as to whether the police had or had not improperly participated therein, or had failed to perform its duty, until the termination of the judicial inquiry mitated without delay and which was pushed forward as averaging

With the obligation of collecting all the elements of proof that it was possible to collect in order to throw a unlight upon the matter and with the nections and is designed to make them frank and cordial, so that a representaessity of punishing the prepetrators of tive of a nation must be a persona grata the outrage which had been committed to the government to which he is accredand which had been in part suffered by persons in the service of a friendly na-tion it was the desire and duty of the government of Chili to discover the trath in order to make its future pro-ceedings conform thereto, and in that the United States government might be satisfied that nothing had been neglect

You were pleased with your high sense of rectitude to remark to me that this proceeding of the government of Chili was correct, and although you dethe Judicial investigation brought to a close, with as little delay as possible, you understood it was necessary that the ordinary legal proceeding (which are not as rapid in Chili as in the United States) should be I have taken occasion at sundry times to inform you of what the Chilian authorities were doing to bring the in-

criminal trial held at Valpar not only have landsmen been heard but also seamen of the Baitimore. other, the reports of physicians and ex- January 27: Sir-I have the honor perts have been called for, the opinion acknowledge your favor dated the 20d of the surgeon of the cruiser has like-instant, but not received by me until been invoked, and in a word, nothing Monday, the 25th. I beg to comment bring the whole truth to light, seamen of the Baltimore made seamen of the assistance of the instance of the cruiser, so that the proceedings of the government of the oath taken by witnesses, their continuous continuous continuous and instance of the unhappy affair at Valparaise entirely praiseworthy," but you will refrontation with each other, the reports of the unhappy amount at various conserving the cause and nature of the wounds and the hearing member that as early as the 25th of Nogranted both to Chicans and Americans, so that all might present their complianced of the length of so that all might present their complianced of the length of the judicial proceedings and from time of Valparaiso evidently did not do their notations.

BLAINE TO MONTE.

Washington, D. C., Jan. 29-The following is the note of Blaine to Montt Department of State, Washington, has been neglected that could tend to on two or three of its recitals. I think bring the whole truth to light. The from the seal for your country you have their made some mistakes which I shall pro-

granted both to Chinans and Americans, wember I complained of the length of that all might present their complaints and charges and be held in their plants and charges and be held in their to you very lately that the court had branched and give incontestable and the second considerable and the second constitution of the length of the le

me;" and yet you do not pretend that a word was ever written of the agreement which you say was between us. It is impossible that I ever sought to bind the government of the United States in that way. It would have been in the highest decree impraises for me n the highest degree imprudent for me to do so.

In regard to the Maturnote, which was the subject of contention between the United States, you sum it up by the following declaration: "I added, how-ever, it was far from being the purpose or my government to act in a manner at all offensive to the President of the United States, or any member of his cabinet, and that Matta's note, if rightly interpreted, admitted of no such construction. I afterwards had the nonor to inform you I had receive! in-structions from my government to in-form that of the United States that, considering the views expressed by Buchanan and Webster in 1840 and 1850 that the message sent by the President "has to Congress was a domestic communicawithout special powers from Congress.

This turn in allairs is very gratifying to me, as I am sure it will be to Con-This turn in adairs is very gratifying to me, as I am sure it will be to Congress and to our people generally, who gress and to our people generally, who is a communication to the difference of the executive to enforce the just rights of the nation in this matter, which has given instructive on to consider the considered disagreeable by the

recent cases the great impropriety of making such communication the subject of correspondence and diplomatic discussion has been fully shown."

The circumstances of publicity does not change the character of the communication, in the opinion of Webster, because such is the common and usual the president and the secretary of the case. Matta's note was highly discourteeous to the President and the secretary of the case not consider the case of the case. admit the conditional or contingent apology which you offered. It could be

your own disapproval of the note. your own disapproval of the note.

In regard to Egan you complained
many times and very bitterly to me, especially that he was deserving of
consure, you thought, for not communicating to his government
the brutal murder of some young the brutal murder of some young men who were stain by order of Baima-eeda. When next day I was shown your dispatch of Egan speaking of the uncident in in general improper terms you acknowledged you were mistaken. I thought you would be satisfied but you again spoke disparagingly of Egan and I said somewhat velormently, "Why do you not demand

ment mention of Egan's name.

"Referring to the question you remarked 'you were pleased to acknowledge the government of Chili had Sam's present move is a deathblow to the right to ask that a change be made." Undoubtedly she has that official circles the feeling is that Colombia to Chili and the Chilian Government not right, provided she assigns reason. You are too well skilled in diplo-matic usage to be reminded that when a nation is forced to declare a minister is a persona non grata she is expected to assign a reason

Santiago, Chili, Jan. 25—To Blaine, Santiago, Chili, Jan. 25—To Blaine, Washington: I have today received the following reply to my note of the 22d

The undersigned has had the honor to receive your excellency's com-munication, under date of the 22d inst. received in this department the 23d. and duly authenticated copies of in-structions which the honorable Secretary of State of Washington sent your excellency by cable under dates of the 22d inst. and the 231 of October, 1891. Tow instructions of the 21st inst. of

the honorable secretary of state mornis your excellency that his excellency. Harrison, after care ally examining all that had been submitted to him by the government of Chili, with respect to the events which occurred in Valparaiso on the evening of the 16th of October and taking into consideration the testi-mony of the officers and crew of the vesel Baltimore and others who witnessed

First—That with regard to that assault, there has been no change whatby the first report of the event, that the attack was upon the uniform of the navy of the United States, which had its origin with and motive in a feeling of hos-tility towards that of the government, and not in any act of the individual sallors belonging to it.

plaints and charges and to need in their to time renewed the court had own behalf and give incontestable authority to the trial hold at Valparaiso.
