However, his old dog, "Professor," got hold of a bait that was intended for other stomachs, and yielded up the ghost, which Bob regrets very much.

WILL ORGANIZE.—The republicans of Lexington and adjacent country will organize a republican club next Saturday. Their example should be followed by every precinct.

SUDDEN DEATH.—Dr. Shipley informs us of the death of the baby daughter of Mr. and Mrs. Wes Brannon, of Eight Mile, aged 37 months. This family only recently lost their youngest child, an infant.

BURNED.—The blacksmith shop at the Matteson coal mine was destroyed by fire last Saturday night. This will stop work up there for a short time, but Bob Matteson was down Monday to get a new outfit, and ere long all will be O. K.

PREACHING.—Eld. R. H. Sherrill, of the Church of God, is holding interesting meetings at Douglas, and will continue each night over Sunday night, Feb. 6th. Preaching promptly at 7 o'clock p. m. Also on Sunday, 6th, 11 a. m.

DIED OF HEART DISEASE.—The management of St. Vincent's hospital at Portland telegraphed Geo. Conser, cashier of the First National Bank, that Mr. M. D. Lillybridge, who had been suffering for some time with heart disease, was dead. His remains will be interred at Portland.

SENTENCED TO BE HANGED.—Fred Zorn, the wife-murderer of Umattila county, was found guilty of murder in the first degree at Pendleton last week. On Monday he was sentenced to be hanged on March 25th. They say he is as cool as a cucumber, apparently not caring what becomes of him.

BIG TIMES IN THE BLUES.—Lickskillet and Hangtown, two rival neighborhoods of the Blues, had pig dances last Friday night. Jim Henry Hayes and "Senator" Brown played for Lickskillet, while Bob Matteson and Harrison Hale made music for Hangtown. Both were well conducted and all had a most enjoyable time.

MARRIED AT HUNTINGTON.—On the 17th ult., at Huntington, occurred the marriage of Miss Lillie Whetstone and Mr. J. B. Cowley, a conductor on the Union Pacific. Miss Whetstone is the daughter of Mr. and Mrs. N. S. Whetstone and has lived here for many years. She and husband have the well-wishes of the Gazette and other friends at Heppner.

WELCOME NEWS.—J. B. Manning has just received word from England that he is one of a few heirs to over \$1,000,000, besides two landed estates. He has a copy of the will and will at once put himself, through the proper course, into possession of his share of the fortune. Mr. Manning is a hard-working man in limited circumstances, but takes his good luck philosophically.

THE LOST IS FOUND.—Senator Henry Blackman lost his \$250 dollar diamond setting Tuesday night during the ratification. During the evening Gov. Rea picked it up, but did not recognize it as the property of Mr. Blackman, thinking it nothing more than a glass setting. Yesterday morning when it became known that the diamond was missing the Gov. remembered having found this setting and on examination it proved to be Mr. Blackman's, and was at once returned to its owner, who, of course, was pleased to get it back.

WENT OUT OF TOWN.—A young man named Mulkey and Mr. See Driskell got into a difficulty Tuesday over the challenging of Henry Scherzinger, and would have had a fight down near Matlock's saloon had friends not interfered. The matter not being settled, they went up on top of Hallock hill, outside of the corporation to have it out. Mr. Driskell being the larger man of the two, tried to persuade him not to fight, but he would have it no other way, so a licking was administered which decided the matter in favor of See in a very short time.

TIME OF CONVENTIONS.—The new Australian ballot law makes some changes in arranging the preliminaries for an election. These must be observed, and one of the most important is the time set for holding conventions. The law requires that the state ticket of each party shall be filed with the secretary of state at least forty-five days before the election and in consequence the democrats have called their convention earlier than usual this year. The republican central committee has not yet fixed the date for the republican conventions, but it must be held on or before the 21st of April. The county tickets must be filed in the clerk's office thirty days before the election is held and this will require that county nominations be made not later than May 5th. This is earlier than usual and the campaign will, consequently, be longer. Primaries will be called much earlier this year than heretofore.—Wasco Sun.

CITY ELECTION.—The city election last Tuesday was conducted without any disorder to mention. Very early in the day, the question of poll tax was brought up, and every voter was afterwards required to have this evidence of citizenship. The count was completed very early in the evening and stood as follows: For mayor, T. J. Matlock, 130; Frank Kellogg, 86; For recorder, A. A. Roberts, 154; Jas. D. Hamilton, 63. For treasurer, L. W. Briggs, 52; E. G. Slocum, 161. For councilmen, Geo. Swaggart, 106; Otis Patterson, 159; M. Lichtenthal, 174; O. E. Farnsworth, 154. The new members of the council will stand as follows: T. J. Matlock, mayor; A. A. Roberts, recorder; E. G. Slocum, treasurer; councilmen, M. Lichtenthal, O. E. Farnsworth and Otis Patterson. The hold-over members of the council are: Thos. Morgan, Frank Gilliam and S. P. Garrigus.

C. L. Andrews' Seattle letter mentions the town of Edmunds. Mr. Andrews informs us that it should be Everett. This letter is of much interest and appears on the outside of our paper this week.

Booby prizes were given to Mrs. W. B. Potter and Mr. E. P. Voruz. Messrs. Otis Patterson and Homer McFarland drew with Mr. Voruz, resulting in a complete victory for the latter.

Mesdames Sam Kinsman and E. P. Voruz will give a whist party at the residence of the former tomorrow evening to which a number have been invited. Guaranteed Cure. We authorize our advertised druggist to sell Dr. King's New Discovery for consumption, coughs and colds, upon this condition. If you are afflicted with a cough, cold or any lung or chest trouble, and will use this remedy as directed, giving it a fair trial, and experience no benefit, you may return the bottle and have your money refunded. We would not make this offer did we not know that Dr. King's New Discovery could be relied on. It never disappoints. Trial bottles free at Slocum-Johnston Drug Co.'s. Large size 50c. and \$1.00.

It is reported that Ted Minard and the worthy justice of Pine City precinct had quite a "round up" recently, but nothing serious resulted. Fry Wilson came over from Monument last Thursday.

The World Enriched. The facilities of the present day for the production of everything that will conduce to the material welfare and comfort of mankind are almost unlimited, and when Syrup of Figs was first produced the world was enriched with the only perfect laxative known, as it is the only remedy which is truly pleasing and refreshing to the taste and prompt and effectual to cleanse the system gently in the spring time or, in fact, at any time and the better it is known the more popular it becomes.

FINE TIMBER.—Perhaps, the best timber growing in the Blue mountains can be found on Rock creek, in the vicinity of Will Mallory's saw-mill. This class of timber Mr. Mallory is using in making lumber which he is delivering in Heppner all the way from \$15 to \$30 per thousand feet, depending on the quality, and whether desired rough or dressed. The same can be brought at the mill at prices ranging from \$8 to \$25 per thousand. He has a general assortment on hand at present, and is sure to satisfy customers. 427-ff.

NO MORE BACKACHE. OREGON KIDNEY CURE. CURES ALL KIDNEY TROUBLES. Recently the following notice appeared in the San Francisco Chronicle. "Judge S. had been sick only about two weeks, and it was not until the last three or four days that the malady took a serious turn. At the beginning of his illness he suffered from diabetes and stomach disorder. Later he became unable to perform his functions and he passed quietly away. Thus ended the life of one of the most prominent men in California. Like thousands of others his untimely death was the result of neglecting early symptoms of kidney disease."

IF YOU are troubled with diabetes, gravel, or any derangement of the kidneys or urinary organs, don't delay proper treatment until you are forced to give up your daily duties; don't waste your money on useless liniments and worse plasters, but strike at the seat of the disease at once by using the greatest of all known remedies, the celebrated Oregon Kidney Tea. It has saved the lives of thousands. Why should it not cure you? Try it. Purely vegetable and pleasant to take. \$1.00 a package, 6 for \$5.00.
