SOCIAL MATTERS.

The whist party given by Mesdames Sam Kinsman and E. P. Voruz was attended by a number of friends, in response to invitations, at the residence of the former last Friday evening. There were present, Prof. and Mrs. T. C. Aubrey, Mr. and Mrs. W. J. Leezer, Mr. and Mrs. A. D. McAtee, Mr. and Mrs. F. J. Hallock, Mr. and Mrs. A. A. Roberts, Mr. and Mrs. E. R. Bishop, Mr. and Mrs. W. P. Dutton, Mr. and Mrs. A. M. Gunn, Mr. and Mrs. O. E. Farnsworth, Mr. and Mrs. O. S. Patterson, Mr. and Mrs. Geo. Conser, Mr. and Mrs. Geo. Thornton, Mr. and Mrs. Jas. D. Hamilton, Mr. and Mrs. W. B. Potter, Mr. and Mrs. H. McFarland, Misses Elizabeth Matlock, Ida Voruz, Etha Minor, May Bailey, Ida Ayers, Messrs Frank Roberts, A. W. Patterson, Chas. Sheldon, Chas. Lewis, Howard Dodson and Prof. W. L. Saling. The first prizes were won by Mrs. Jas. D. Hamilton, Miss Elizabeth Matlock, and Messrs. W. P. Dutton and A. W. Patterson. The booby prizes, which were quite appropriate, if not quite as elegant as the first prizes, were awarded to Mesdames Farnsworth and Leezer and Messrs. W. L. Saling and Frank Roberts. A splendid lunch was served immediately after the conclusion of whist playing, a sort of entertainment which was greatly appreciated by all, yet reported not excepted.

Sold by Slocum-Johnston Drug Co.

CHINA NEW YEARS.

On Tuesday of last week our Chinese residents celebrated their New Year by the usual festivities, firing bombs, crackers, etc., indulging in China gin and sweetmeats.

DEED ON EIGHT MILE.

On last Monday the stepdaughter of Henry Adkins died on Eight Mile, aged six years. The interment took place yesterday. The cause of the child's death was membranous croup.

REPUBLICAN CLUB.

On last Saturday the republicans of Lexington met together to the number of thirty and organized a club. John Carmichael is president and Geo. W. Smith, secretary. They expect additions to the ranks at the next and subsequent meetings.

NO WINTER.

While Morrow county is having no winter, other sections not far off are not getting off so easily. Over in Fox valley recently the thermometer dropped down to 14 degrees below zero, and we hear Idaho is having a tough time of it. Morrow's hard to beat.

CHANGE IN MANAGEMENT.

At a meeting of the directors of the Heppner Flouring Mill Co., on Tuesday of last week, G. W. Harrington and J. W. Morrison resigned their positions with that company, respectively manager and secretary, T. W. Ayers, Sr., taking full charge.

LARGE STOCK.

Just received a fine line of typewriter stock, funeral notes, visiting and invitation cards. We have the largest job stock ever carried in the city, latest, improved presses, steam power and competent workmen. Don't overlook us when you want job work. If.

NEW "CON."

H. C. French and family arrived on last Monday's train. Mr. French comes here in the capacity of the branch conductor, in the place of B. W. Carrington who has held that position for nearly two years. The Gazette hopes that they may find Heppner an agreeable place in which to live.

THE SHOW.

The Dan Lewis combination, which showed here Friday and Saturday nights, was not very largely attended. Mr. Lewis can make music out of a banjo, but he is certainly not the "original Dan." The other gentleman with him exhibited the powers of mesmerism in a striking manner. All in all, it was well appreciated.

BROAD STATEMENT.

A week ago last Saturday an Alliance was organized at Lexington with a good membership. A correspondent of the Alliance Herald says that all have joined in that vicinity except fools and those who can't read, but we fear that's a little broad, though the Gazette certainly hopes that they may do much good.

SPECIAL SESSION OF COUNCIL.

Heppner's council met in special session last Saturday evening, Mayor Matlock presiding. W. Von Cadow's saloon license was authorized to be transferred to McAtee Bros. A letter from Long & Scott in regard to the steam pump for testing the artesian well, was read and passed on file. It was the opinion of the council that the pump could not be used, but no definite action was taken in the matter. Council then adjourned.

The World Enriched.

The facilities of the present day for the production of everything that will conduce to the material welfare and comfort of mankind are almost unlimited, and when Syrup of Figs was first produced the world was enriched with the only perfect laxative known, as it is the only remedy which is truly pleasing and refreshing to the taste and prompt and effectual to cleanse the system gently in the spring time, or, in fact, at any time and the better it is known the more popular it becomes.

D. W. Bryant, one of our live farmers, dropped in on the ranch while in the city Friday last.
