LEXINGTON & ENVIRONS One of the Bright, Pushing Little Towns of the Northwest. THE SURROUNDING COUNTRY IS UNSURPASSED. Lexington and Her Business Men--Clarks Canyon, Spring Valley, Social Ridge and Garden Plain.

ABOUT one hundred and eighty eight miles east of Portland and forty miles south of the Columbia river, on the Union Pacific railway, is to be found Lexington, the subject of our sketch. It was founded seven years ago about the time Morrow county was formed.

1891 was appointed U. S. land commissioner for Morrow county, which territory is embraced in both The Dalles and La Grande land districts. Mr. Snow is thoroughly prepared to conduct all business in connection with public lands, such as contests, filings, final proofs and all matters pertaining to this land; keeps maps, plats and platbooks corrected up to date, statute and seven volumes of land decisions; is thoroughly conversant with the country and parties desiring to settle will be benefited by consulting him.

Royal Baking Powder ABSOLUTELY PURE. Highest of all in Leavening Power--Latest U. S. Gov't Report.

Located seven years ago and has been farming some with satisfactory results. The Congregational society of this place was organized through his efforts.

Of Chicago, located here last November and is fairly pleased with the country, but finds little use for his services. The Dr. says "the country is too healthy to suit him."

Located here three years ago and does a general blacksmith business. He builds a fine line of carriages, trucks and buggies; makes a specialty of horse shoeing; has been in the business twenty years; is a pleasant and affable gentleman--a little bit droll at times, but then when you know him, you like him.
