ACCIDENT ON MAIN LINE.—The locomotive yesterday's west bound passenger train blew out a cylinder head above Willows Junction. The branch engine having to go to its relief, delayed the Heppner train some hours at Arlington, but arrived at Heppner only about one hour late, having made up the time.

LONG ROCK ROAD.—D. M. Rheinhardt, the Lone Rock stage driver, informs us that work on the Lone Rock-Heppner road is being pushed very rapidly. The Sweet Milk canyon grade having been completed, and a crew of 12 men are now at work on the Butterfield canyon.

Heppner's men who subscribed to this work, should appreciate the fact that the money is being used in the right direction.

A HAPPY WEDDING.—At 1 o'clock on last Saturday afternoon, at the Palace hotel, occurred the marriage of Mr. John Friend and Mrs. Louis O. Rhea. Judge Julius is officiating. There were present Mr. and Mrs. Geo. Conner, J. P. and C. A. Rhea, W. F. Rhea, P. Cohn, Mrs. Julia Keithly and Mrs. D. A. Herren. The happy couple left yesterday morning for Shoshone, Idaho, where they will make their future home.

The Gazette's on their side with bright hopes for their future.

SOCIAL DINGS.—A number of the friends of Miss Lillie Adams met at the home of Mr. and Mrs. John Rasmus, on Court street, last evening, the occasion of Miss Adams' 21st birthday. It was indeed a pleasant occasion. There were present: Mr. and Mrs. Theo. Danner, Mr. and Mrs. J. D. Hamilton, Mr. and Mrs. A. A. Roberts, Mrs. Otis Patterson, Mrs. Florence Harman, Misses Inez Voruz, Laura Muir, Ella Crabtree, Caba Hewitson, Messrs. E. L. Frieland, E. Muir and A. W. Patterson.

COMPANY MEETING.—The fire company met last night, it being the first Monday in the month, the regular time of meeting. The boys need a fire bell and have decided to ask the council to procure one, a committee being appointed to confer with the council on this subject. Since the members of the company have guaranteed their time for the benefit of our city taxpayers, paying all dues and assessments, they deem it right that the taxpayers at large, through the council, should provide all necessities that go to make the necessary paraphernalia of a fire company.

A TRUE FISH STORY.—Carp are known to be hard to kill, and one received this morning at the Star Grocery is the toughest member of this family on record. It had traveled all the way from Portland on ice, and there were bruises on its head showing that an attempt had been made to revive it in a tub of water, and soon revived, swimming about in a lively fashion. It is hard to believe that any fish could live out of its element for a journey of 231 miles, but such is the case.—East Oregonian.

SILVER WEDDING.—Quite a number of the friends of Mr. and Mrs. Joe Luckman assembled at the home of Mrs. Emma Kieup, who resides several miles east of town, last Friday evening, to celebrate the silver wedding of Mr. and Mrs. Luckman. The visitors were wine and dined to their hearts' content, and then everybody danced till breakfast time. All had a glorious time. Felix Johnson was a responsible reputation as a big dancer, while Alex Lindsey executed the "Highland Fling" to the queen's taste. There were present: Mr. and Mrs. Felix Johnson, Mr. and Mrs. Mike Kenney, Mr. and Mrs. Johnny Ayers, Mr. and Mrs. Ed Day, Mr. and Mrs. Smith, Mr. and Mrs. Geo. Conner, Mrs. Annie Crump, Misses Hale, Effie Hale, Kate Doherty, Inez Voruz, Mrs. Otis Patterson, Messrs. Wm. McAtee, A. Scawm, H. Witting, Harry Loumie, Wm. Hynd, James McAtire, Willie Hale, J. F. Davis, Jas. Doherty, Phil Doherty, Jimmie Johnson, Eliza Vinson, Wm. Barrett, Robt. Hynd, Alex Lindsay and Johnny Waddell.

THOSE STOCK YARD SCALES.—Quite a good deal of excitement has prevailed in Heppner for the past few days over a report circulated that the stock yard scales at the depot, owned by Sam Kinsman, were rigged so as to give false weights. It was charged that a block which was found in a mortise, prevented the platform from settling down to the proper position under weight. John Spray was the first to discover the scale's nest, and openly accused Mr. Kinsman of swindling. To prove to the public that there was nothing in the statement, Mr. Kinsman took a delegation of Heppnerites down yesterday morning, and let them examine the obstruction spoken of, which it was plain to see, was at least an inch away from the scales proper. After testing them to see that they were in balance, ten head of Sam Palmer's horses were put on the scales, their total weight being 10,000 pounds. With this weight on them, there was still at least three-fourths of an inch space between the block and scales. So it is safe to say that it would be utterly impossible for this to affect the weight in any way. The horses were then weighed one at a time, their total being but very little less than when weighed in one lot. After thoroughly testing them in every respect, all left, feeling assured that they were in perfect condition. Several were rather amazed at some of the statements that had been made on the streets during the past few days by some persons who purport to have examined the thing carefully, and were loud in their exclamations that all who had had dealings with the owner of these scales had been robbed. In fact a close observer ought to have noticed that there were two mortise holes in the framework of these scales, which had evidently been made by mistake in getting the parts together, and that the carpenter who filled both alike with short timbers. Perhaps they were put in green and shrinking left them in the condition they were found—quite loose. But it is indeed surprising that many of our people, who ought to be familiar with scales, did insist that the greater the weight on them the lower they would sink. That it is a fallacy any one can understand if the subject is given any consideration at all. And after this good people, don't yell "thief" too soon.

Lawrence Sweek, of Hamilton, got in Sunday for supplies for sheep camps. He says the roads are very bad.

Our people are warming up over race matters. The latest addition to the list of runners is Mary Green, a chestnut sorrel mare, the property of the postoffice. She is looking decent, but may not run fast enough to keep her feet from frosting. A slow horse is bad property.

At a meeting of the Royal Arch Masons of Heppner last Saturday, an application was signed by a goodly number of the Heppner brethren asking that a chapter be established at Heppner. A chapter has not signed and are requested to call at the office of the secretary and do so at the opportunity.

Mr. C. Ruhl, our baker, who is a good one, and who endears to do the right thing always, complains that he is not patronized as he should be. It is cheaper to buy bread ready baked, than to do the work at home, besides it is more comfortable. Working over a red-hot stove is no sport. Stand by the baker.

J. N. Brown, candidate for representative on the republican ticket, got in Sunday from Canyon City, where he has been attending to law matters for nearly a month. He was accompanied by W. W. Wood, editor of the John Day Sentinel, a most excellent young man and a rascal. Mr. Wood is circulating around among our business men, and will likely tackle Pendleton before returning.

OREGON KIDNEY TEA CURES ALL KIDNEY TROUBLES

Recently the following notice appeared in the San Francisco Chronicle:

"Judge—had been sick only about two weeks, and it was not until the last three or four days that the malady took a serious turn. At the beginning of his illness he suffered from diabetes and stomach disorder. Later the kidneys refused to perform their functions and he passed quietly away. Thus ended the life of one of the most prominent men in California." Like thousands of others his untimely death was the result of neglecting early symptoms of kidney disease.

IF YOU are troubled with diabetes, gravel, or any derangement of the kidney or urinary organs, don't delay proper treatment until you are forced to give up your daily duties; don't waste your money on worthless remedies and worse plasters, but strike at the seat of the disease at once by using the greatest of all known remedies, the celebrated Oregon Kidney Tea. It has saved the lives of thousands. Why should it not cure you? It is a most agreeable and pleasant to take. \$1.00 a package, 6 for \$5.00.
