ROSLYN BENEFIT MATTERS.

The Heppner Supper, a Financial Success—The Arlington-Lexington Fund.

The Roslyn benefit supper, given at the opera house Wednesday night, was liberally patronized, and when expenses are paid, will net over \$70 which will be forwarded by Mayor Matlock to the proper authorities at Roslyn. The news papers donated their advertising space, tickets, lodgers, etc., and then paid for their supper like other people. Had all done as well there would have been no expenses, to speak of, and our town would have made a better showing.

Conductor H. C. French collected on the train, at Arlington, Lexington and other points between, \$31.00, which was turned over to Heppner's committee, but the donors shall have due credit for the same. We publish the list herewith with amounts given. We shall call it for convenience' sake and in honor of the gentleman who circulated the petition.

NOTES.

An unfortunate incident occurred at the opera house on the evening of the supper. Some of our young people had the understanding that after supper was cleared away and the older people had gone, they should be allowed to trip the light fantastic. However, the church people strenuously objected, while the worldly people insisted that they should be allowed that privilege. One extreme brought about another, and some hard words passed back and forth. It was finally settled by the young people withdrawing.

One or two persons withdrew their contributions from the fund, which was increased to the amount of \$7 by others, the whole being sent direct to Roslyn. This action was brought about by the difficulty at the opera house.

It is to be regretted much that, under the circumstances, our people meeting together for a charitable purpose, that "middle ground" could not be reached in such a difference as existed Wednesday night.

The Seattle band charged \$6 for furnishing music and then donated the proceeds towards augmenting the fund.

It should be in every home. J. B. Wilson, 371 Clay St., Shreveport, Pa., says he will not be without Dr. King's new discovery for consumption, coughs and colds, that it cured his wife who was threatened with pneumonia after an attack of la grippe, when various other remedies and several physicians had done her no good. Robert Barber, of Cooksport, Pa., claims Dr. King's new discovery has done him more good than anything he ever used for lung trouble. Nothing like it. Try it. Free trial bottles at Slocomb-Johnston Drug Co.'s store. Large bottles, 50c. and \$1.

Miss Stella Webb, one of Morrow county's progressive teachers, accompanied her mother, Mrs. Webb, made the Gazette office a pleasant call Wednesday.

Coffin & McFarland have just received a carload of Mitchell Wagons, Hacks, etc., and also have a large supply of farming implements of all kinds. See their new ad.

Hon. Wm. Hughes got in from Long Creek Sunday, and reports the roads as bad—very bad. Outgoing teams with freight for John Day will not reach their destination for some days yet.

Marion Webb is down at the Good Samaritan hospital, Portland, receiving medical treatment. He is troubled with kidney disease, though had considered it rheumatism all the time, and had been doctoring for that complaint.

Geo. Thornton having made the necessary proficiency in the art of surgery, is entitled to the handle of "Doc." Charley Jones is a good student and will soon graduate with honors. The most skeptical can be convinced. Call at office in Palace hotel.

Grant County News: Saturday evening Hon. W. R. Ellis, republican nominee for congress, delivered a speech at John Day on political issues. Preceding the oration the Canyon City brass band, assisted by Messrs. Timms and Cattanach of John Day, discoursed several patriotic national airs in front of the hall. Mr. Ellis' talk was quite interesting.

E. L. Payne, the veteran stage driver, and one of the most gentlemanly, big-hearted men that you will chance to meet in many a day—one that the younger people like to address by the title of "Uncle," will leave this week to take a position on the Ellensburg-Rock Island stage line, the latter place being at a steamboat landing on the Columbia. Mr. Payne will handle the reins over six-horses up there.

Parents and Minors, Take Notice. Minors on the streets after 9 p. m. will be run in and fined. Take notice and save unnecessary trouble and expense. J. W. Rasmus, Marshal. 457-1fsw.

MEMORIAL SERVICES.—The Rev. Ferguson will deliver a memorial sermon at Lexington at 11 o'clock Sunday morning, the 23rd inst. It will certainly prove quite interesting, and no one should miss it if possible to be present.

RACE HORSES IN.—W. G. Allen, of Monument, arrived yesterday with three race horses, Oscar d'Alone, three years old, One Eyed Riley, five years old and Brady, four years old, all of which are stabled at the track. Others are looked for soon, and the meeting promises to be a big success.

VISITING MORROW COUNTY.—Judge Watkins, of The Dalles, who is the republican nominee for the judgeship of this district, arrived Wednesday eve, and will remain a few days. Our readers will, perhaps, remember that he preceded Mr. J. H. Bird in the judicial capacity, and therefore has had considerable experience, giving excellent satisfaction.

TRIED TO BLOW UP THE BANK.—Sole parties at Pendleton have been arrested for attempting to blow up the Pendleton Savings bank. J. A. Frazier, Wilfred Remington and "Shorty" Howard have been arrested for the affair, the object of which is unknown, unless for robbery. The sidewalk was badly damaged by the explosion but the building was comparatively uninjured.

PIN EAR-MATTIE MULLEN RACE.—It is expected that the Pin Ear-Mattie Mullen race will be run about July 4th. Mr. Alexander, the owner of Mattie Mullen, is at present in Willamette valley, where he went some time ago after his family, and after their return to Grant county definite arrangements for the race will be made. Both of these horses are swift animals and the race will be witnessed by sporting men from every locality of Eastern Oregon.—Eagle.

LIKES OUR SHEEP.—Mr. F. M. Smith, accompanied by Judge Mallory, went out last Friday to see the boys shear at the Penland ranch. Mr. Smith was surprised to see the number of good sheep in this country. He is in the business in "York State," in a small way of course, but knows what it takes to constitute good wool and fine sheep. He thinks that Eastern Oregon, and especially Morrow county, has a wonderful future before it—just the place for a young man.

WILL ACCEPT.—At the last meeting of Doric Lodge, No. 20, K. of P., Tuesday evening, it was decided to accept the invitation of Hawkins Post, G. A. R., of Lexington, to be present on Decoration Day, provided twenty-five members will go. If the uniforms of the Uniform rank arrive in time, and that body is instituted the rank will attend in a body. Otherwise the subordinate lodge will turn out in the regalia or uniform of the knight rank. A committee was appointed to secure the names of members who will attend. Every brother should, if possible, arrange to go.

Since it is now a well-established fact that catarrh is a blood disease, medical men are quite generally prescribing Ayer's Sarsaparilla for that most loathsome complaint, and the result in nearly every instance, proves the wisdom of their advice.

BRING THEM BACK.—"Pap" Simons has loaned out a brace and bit, a two-inch auger, a hand-saw and other tools. If the parties are through with them, they will kindly return and oblige. 80f

J. S. Ray was arrested for being drunk Tuesday last and fined the regulation. The old gentleman is perfectly harmless while intoxicated, but hardly gets through a spree without a black eye.

Well, Sarah, what have you been doing to make you look so young? Oh, nothing much, only been using Hall's Hair Restorer to restore the color of my hair.
