HARD NUTS FOR "X. Y. Z." TO CRACK.

Editor of the Gazette: I see in the Gazette of May 20th an arthe bottom as a signature "X. Y. Z." a fool of yourself by printing such stuff." I suppose, by what he has had to say n the beginning of the article, the "stuff" here referred to, was the alliance

meetings as reported by "T. K. R." Now anyone can see what is the matter with the gentleman; if this had of been a "grand old democratic meeting" that T. K. R. had reported, Mr. X. Y. Z. would have had nothing to any against T. K. R's. report. It seems from his language that he would like to dictate to the editor of the Gazette what he should allow to go into the paper.

Now I don't wish to take up my per to defend Messrs. T. K. R., Hadley and Lewis, for they are able to defend them- They Are Working in the Old Placer Fields selves; but one word, anyway. I think that Mr. T. K. R. has only given the alliance justice, and would have done the same thing had it been a democratic or republican meeting, for I think he is too much of gentleman to do otherwise.

He next accuses Hadley and Lewis "of making a lot of claims that won't stick." Will the gentleman please state what claims they have made that they cannot prove? We don't think he has the nerve to come out and disprove what they have said; if he has why did he not do it when he had a chance to do so publicly. Had. ley and Lewis have never spoken here one time that they did not give anyone having anything to say an opportunity to make a reply. Then was the time for this gentleman to put in, and not wait until they were gone and then explode his scatter-gun, hiding behind the tail

end of the alphabet. He says "this precinct has about 130 voters" when it only has about 120. He claims sixty-five democrats in this prewe will let him rest until election, then be limited to 30 days from date of sale. take in figuring.
