Marvelous Cures Effected by its Use.

THIS wonderful medicine is the wonder of the nineteenth century, effecting a cure when all other Book Keeping, 16-Bryant & Strat. O remedies fail. It is distilled from plants growing upon the banks of the Congo River, in South Africa. The first knowledge we possess of this wonderful oil is found in some of the writings of Covilham, a Portuguese navigator and African explorer, who was sent out by the King of Abyssinia E about the year 1488. He speaks of a wonderful penetrating oil that was in use by the Zimbos, a remnant H. Holmes. Geometry, 32-Wentworth's Plane of a once powerful African nation, and in some recent cyphers found upon some ruins in a very ancient city called Zimboe (meaning a royal house,) more evidence has been produced of this wonderful oil, or rather of the plants from which it is distilled, thus proving conclusively that the secret was sacredly 4. Oral Course in Sciences, with Essays.

Chemistry, 4; Geology, 8; Astrono as well as medical science being advanced by the red or and an explorations have been made into Equatorial Africa, and suffering humanity has been greatly benefitted.

Normal, Normal Advanced, Business, Music and Art Dpts. as well as medical science being advanced by the rediscovery of this wonderful Cougo Oil. It was first brought into civilized Europe by a member of the expedition sent out from London in 1860, under the A Year in School for One Hundred and Fifty Dollars. command of Captain Speke, whose explorations reached far up the Congo River. The secret of its production was jealously guarded until upon the death of the party in whose possession it was, when because the production was jealously guarded until upon the death of the party in whose possession it was, when the production was jealously guarded until upon the death of the party in whose possession it was, when the production was jealously guarded until upon the death of the party in whose possession it was, when the production was jealously guarded until upon the death of the party in whose possession it was, when the production was jealously guarded until upon the death of the party in whose possession it was, when the production was jealously guarded until upon the death of the party in whose possession it was, when the production was jealously guarded until upon the death of the party in whose possession it was, when the production was jealously guarded until upon the death of the party in whose possession it was, when the production was jealously guarded until upon the death of the party in whose possession it was, when the production was jealously guarded until upon the death of the party in whose possession it was the production was jealously guarded until upon the death of the party in whose possession it was the production was jealously guarded until upon the death of the party in whose possession it was the production where the production was jealously guarded until upon the death of the party in whose possession it was the production where the production was jealously guarded until upon the death of the party in whose possession it was the production where the production was jealously guarded until upon the death of the party in whose possession is the production where the production was jealously guarded until upon the death of the party in whose possession is the production where the production was jealously guarded until upon the production where the production was jealously guarded until upon the pro it was given to a party named Hattee, who formed a company, known as the Congo Oil Company, having its headquarters at Zanzibar, South Africa, with a branch in New York City, and thus placing upon the market this most wonderful of all remedies. By its use all pain disappears, but it is particularly recommended in Sciatica, Rheumatism, Neuralgia, &c. It is wonderfully penetrating, and to use it Our High School offers instruction and once is to become a friend to it always. By its use, thousands who are suffering can be relieved. It training equal to the best. Our Board is the cheapest because it is the best, and one bottle of it will go further than a dozen of the many so-called cures for these ills. It is purely for external use. Full and explicit directions are printed on each bottle. If you are afflicted, try a bottle; and before you have used it your aches and pains will According to an act passed last May for any and all teachers' examinations in disappear, and there will be no more use for crutches or canes. It is for sale by all druggists and all Chinamen within the United States our state, including those for State Diplo- dealers in patent medicines, or can be supplied by the undersigned, who are the sole Pacific Coast
