

GLADSTONE structed its officers to leave Ugunda by

August 31st.

Gladstone now began his speech against the government. He said the government had departed from all precedents in not resigning when the verdict of the country was against them. The house had now met, but what for the Queens speech told them nothing. Was the House of Commerce to the Country was against them.

Washington, D. C., Aug. 11—Minister turned to secure his acquitta, but to no purpose.

After the execution it was reported that Mrs. Brooks called down a curse on the head of the trial judge, the prosecutor, and lastly Governor Morehouse, who refused to commute the sentence, thronicles the satisfactory termination of the long pending negotiation. No general claims convention has heretofore election, that Governor Morehouse in the Louis of the long pending negotiation. No general claims convention has heretofore election, that Governor Morehouse in the first purpose. ing. Was the House of Commons to fight the battles of the last six years over again. Never had a great issue submitted to the country been so fully discussed as the last, the issue decided at the last, Was the House of Commons to issue decided at the last, the state department. general election. Turning to the matter of home rule, amid loud cheers from the It Is Belleved New Bits Will Be Ad-

or be shot. The cowboy, however, pulled his gun and fired point blank at the Indian, the ball passing through his heart. Several other Indians witnessed the killing and carried the dead body off with them, swearing vengeance. Word was reswearing vengeance. Word was re-ceived from Navajo today that the whites have collected all the Winchesters and shot guns that are to be found and are afraid the Indians will carry out

### But a Cracked Skull and Knife Wounds that Needed Treating.

BRIDGETON, N. J., Aug. 9-Dr. T. J. Smith was called on Friday night last to examine David Bateman, who was suf-fering from a swollen eye. The doctor found that Bateman's eye had been turned inside out. He dressed nan told the doctor that his eye was all right when he went to bed on Thursday night, but when he awoke in the morning it was swollen. Dr. Smith then thought the man had been stung by a

After Dr. Smith's examination Roachy" Ryan started to take Bateman in a wagon to his home in Port Norris, but the man raved so with pain Man III a wagon of the man raved so with pain that Ryan had difficulty in keeping him in the wagon. When he arrived at Newport Bateman jumped out of the wagon and ran off. He wandered to Nantuxet Creek, which he swan and handladed they will be through the traveled about five miles through the marshes to Cedar Creek and then swam over to Jones Island where he was ound yesterday in an exhausted con

Upon a close examination yesterday it was found that he had been struck eye with a club facturing his skull and there were two knife wounds in his back, which it is thought will

Local police will probably arrest the men whom Bateman was with on Thursday night as it is now believed the injuries received were probably given

## Allen and the Canal to Be Indorsed-A Fight on Governor,

SEATTLE, Aug. 6-The Republican county convention met this morning, Charles F. Fishback was elected chairman. Recess was taken at noon to give the committees time to report. He Married a Rich Girl and "Did" Her Father Out of "Good Stuff."

MILWAUKEE, Wis., Aug. 6—The news that Count Leopold de Claude of Baden, Germany, had been arrested in Oakland, Cal., for misusing the mails has caused the shore and was seen by two persons a sensation here, as his wife's parents who knew him. One was an old boatlive in this city. Her father is Simon man who says he was compelled under Nolte, who was formerly a saloonkeeper, out who retired recently a rich man. His daughter Ida met the Count eight years ago on the steamer City of Paris, while returning from a visit in Europe, and they became engaged.

The parents objected to the match bacause the Count had no money, although it is said his title was correct. They were married, however, and after two years the parents relented for their daughter's sake. As the Count was unable to support her, they put him in usiness, giving him charge of a sausage

Everything went well for a while, but finally the Count got tired of the busi-ness and one day he and his wife left the West. It is said De Claude robbed his father-in-law of about \$5,000. The Noltes never forgave him for this, It is said the Count wrote a letter to Mrs. Noltes, trying to blackmail her, but no action was taken against him for

fear of the publicity that might result. When informed of the count's latest escapade the Noltes would say nothing, out express great regret for their u fortunate daughter. It is doubtful if they will do anything to help De Claude out of his trouble, as he has caused them much suffering. De Claude has been in Tacoma, Wash., and Red Bluff, Cal., where it is said he was mixed up in questionable financial transactions.—

> It is interesting now to recall the fact that Judge Van Wagner failed of a re-election, that Governor Morehouse in a fit of delirium committed suicide less than a year ago, and now the prosecutor on the case has died by his own hand.

The Post-Dispatch has for months waged relentless war on Judge Normile. The following appeared in the editorial columns of the Post-Dispatch last Thurs-

day; In turning the searchlight of investi-

SAULT STE. MARIE, Mich., Aug. 10-Austus Bertram, of this city, was sen-tenced about seven years ago to two years in the State prison. He made a most remarkable escape from the prison by climbing out at the intersection of two stone walls and by nearly cutting a guard to death. Since then he has been living at Big Mills unmolested under an assumed name. The officers were put on his track recently and this week he was brought here to the county jail. Yesterday the sheriff boarded a steamer with Bertram to take him to the State

prison to serve out his unexpired term. When out of the harbor the prisoner asked that the handcuff's be taken off. and the sheriff consented. Although a mile and a half from the shore Bertram imped overboard and swam for a long me under water. It was so near dusk e could not be seen, and he was given up for a drowned man. Bertram reached threat of a severe clubbing to row the escaped convict over to Canada.

British Columbia Bishop Resigns. VICTORIA, B. C., Aug. 11 — After up-wards of thirty years of an active, ener-getic ministry, Right Rev. George Hills, D. D., lord bishop of British Columbia, s about to sever his connection with the church in this province, with which he has been so long and so prominently identified. The formal resignation was bury on Saturday last. The bishop ex-pects to bid larewell to his friends and associates here about the first of November, returning to England. The resignation is due to the failing health of the venerable prelate. It is not yet known who will be named as Dr. Hills' successor at the special meeting of the synod called to elect the bishop on November 22, but Rev. Percival Jenus is spoken He is possessed of magnificent edu-ional attainments and enjoys the

respect of the entire diocese, They're in the Lazarette Now. CONSTANTINOPLE, Aug. 11-On August a serious disturbance occurred at Tresizond over the enforcement of sanitary regulations adopted by Turkish officials against the cholers. Nearly ,500 persons were detained at Laza etto and they attempted to through the sanitary corden. S were summoned to quelt the disturbance and at the first volley seven persons were killed and a large number wounded. The people were panic stricken and fled back to the Lazaretto.

## Lays Down His Hand and Gladstone Rakes the Pot.

London, Aug. 10-Gladstone today eceived a communication from Hon. private secretaring that arrange-Henry Ponsonby, private secretary to the Queen, announcing that arrange-ments were being made for his reception, on Friday, at the Osborne house, the Queen's residence on the Isle of Wight, whither Mr. Gladstone will proceed in response to the summons from her majesty. The object of the queen in summoning Mr. Gladstone to Osborne House is to intrust to him the formation of a new government. Lord Salisbury is expected at Osborne House tomorrow to tender the resignation of the present government upon the adop-tion by the house of commons of a "N Confidence" amendment to the address

Dr. Porter, the State health officer had just arrived at the station and on investigation pronounced the capthe vessel to the Dry Tortugas next morning but the next morning the point of Egmont key about six miles from the station and out of the track of passing vessels where there is good anchorage. This was done, and Dr. Porter is now aboard the vessel with an experienced yelin caring for the cases which have already and may bereafter develop. These facts are learned from the official report of the State health officer to the president of the State board of

Temescal canyon in this county, while Mrs. Peter Wall and Ira Wall, wife and

As soon as the speaker who was to deliver an address of welcome in behalf of the local singing societies began his speech police officials interfered and harshly declared that no public meeting could be tolerated until permission had been obtained from the police authorities.

Indignant the Arionites went to their quarters, where they soon after floated the stars and strippes. When Police Commissioner Weiner noticed the flag, he ordered it down saying; We don't live in America, where flags may be displayed at any time." Thoroughly disgusted the Arionites decided upon leaving Frankfort at once without given the canyon, Elmer Walters, a young man who has lived in the vicinity some years, stepped to the roadside and shot both Mrs. Wall and her son. We son died instantly and the mother is badly wounded. Young walters is one of the two brothers who have been having some difficulty with the Wall family over water rights, where they soon after floated which the court decided in favor of the Walls. A brother of Walters was accidentally killed a few months ago in a struggle over a gun which the Wall girls had in their possession. An armed posse left for the scene of the murder this morning.

RESULT OF OBSERVATIONS.

The Famous Private Warned by His Political Enemies.

Wheeling, W. Va., Aug. 10—Private Dalzell, of Coldwell, Noble county, Ohio, came to Wheeling last Saturday and addressed a large meeting of veterans. On returning home last night, he found a man in front of his house, his family terror-stricken and this notice, surposerted he advantage of the county of the co mounted by a skull and cross-bones, on

his front door:
"Warning, cease your villanous communications or you will be taken at the hour of midnight and receive twenty lashes, also a coat, not of many colors, but of tar. Take warning, you dirty

The notice remained on the door until torn down by W. H. Fraser, judge of the circuit court. The popular excite-ment is very high and many threats have been exchanged between the friends of the private and his political enemies, all Republicans, however. The trouble aris sout of the late cen-gressional fight between the private and Congressman J. D. Taylor, which ended in the defeat of both.

the Agrees To Take the Stump for the People's Par y.

Sr. Louis, Aug. 11—There is great extitation at the People's party headquarters today over the receipt of a telegram and letter from the chairman of the Indiana State committee alleging that Walter Q. Gresham has promised to take the stump this fall in the interest of the People's party. Chairman Taubeneck was asked to give out the letter, but refused to do so.

A Reprieve Maybe.

SANTA CRUZ, Cal., Aug. 11—Governor Markham received a message late last night from Carroll Cook, attorney for McNulty, the murderer, asking for a reprieve as new evidence had been secured from witnesses just returned from a sea voyage and that the new evidence was sufficient to convince the governor of the necessity of a new trial. The governor replied, asking if 15 days would be sufficient. Governor Markham was seen in his tent at Camp Columbus this morning, and during an interview the telegram arrived stating that 15 days were sufficient. The governor then said: "You may say that I will probably grant the reprieve. I do not like this putting off of the application until the last moment, but I desire to give the man the benefit of any doubt.

Do and two days later I first saw a dark line in the form of a Y shaped mark in the direction of the secas.

Effective Prohibition. St. Petersburg, Aug. 8-At Astrabad. Persia, the priests denounced the alco-olic liquor traffic as being the cause of outbreak of cholera. The populace at once determined to supdress the liquor once determined to supdress the liquor traffic and raided and plundered all the dram shops. The mobs destroyed the goods of a number of Armenia chants who are Russian subjects. Twenty-five mounted Cossacks summoned from Russia to guard the Russian consulate, and a Russian gunpoat is now anchored in the river opposite Astrabad. The Russian has demanded compensation. The Russian minister

Strychnine There Sure.

LONDON, Aug. 8-In the case of Thomas Neil under indictment for poisoning Matilda Clover, today Dr. the government analysist, who examned the stomachs of Marsh Shrivell and the Clover girls, also suspected to be victims of Neil, testified that he had found strychnine and this was undoubtedly the cause of death.

To Bo Settled in Dani h Courts. Washington, D. C., Aug. 11 — The Danish minister has notified the state department that his government has in-formed him of the confession of Consul Ryder. The state department has telegraphed Minister Carr, of Illinois, to proceed to Denmark at once. will be done until the matter is settled in the Danish courts, The Borden Murder.

FALL RIVER, Mass., Aug. 11—The in-uest in the Borden murder use was continued today. The tesuest in timony thus far points very strongly to a certain member of Borden household and there are rumors of an early arrest. Further autopsy made at cemetery today on bodies of murdered No Revolutionists Found.

Washington, D. C., Aug. 11 — The war department has ecceived a telegram from the commanding office of the de-partment of Texas stating that a party had searched the country in the vicinity of Fort Reno for the revolutionists said to be there, but had sound none.

Nebraska's Governor Coming

PORTLAND, Aug. 10-Governor James E. Boyd, of Nebraska, arrived last even-ing in a private car. The party consists of his wife and daughter Margaret, his son, James E. Boyd, Jr., and his son-in-law, Ellis L. Birbower, ex-United States marshal of Nebraska, and Mrs. Birbower. They will remain here three days and then visit the Sound cities.

Permanent Lakes Lie Near the Equator Snow Has Rapidly Melted Within the Past Month - Many Changes Noted by the Observers.

New York, Aug. 10-The Herald this morning publishes the following dis-patch from Professor Pickering, of the Harvard college astronomical expedition

to Peru:
Assortina, Peru, via Galveston, Tex.,
Aug. 10—In my observation of Mara I
have seen two large areas near the equator which are permanently blue. Near the edges they appear light blue. The light is slightly polarized. The total size of the area is about 500,000 square miles, one-half the size of the Mediter-

ranean sea.

June 23rd a small dark spot appeared in the southern snow cap. Later this spot lengthened rapidly and early in July it was a thousand miles long, dividing the snow in half. About 16,000 square miles of snow have melted within the last thirty days. The melted snow has apparently been transferred to the GRESHAM WILL TALK.

Seas across the land. Small dark areas, surrounded by snow, appeared on July 10 and two days later I first saw a dark line in the form of a Y shaped mark in the direction of the seas.

The line became more conspicuous on the line in the form of a State of the direction of the seas.
