THE TALE OF A LAMB STEW.

A Tempting Dish That Valuely Sought for It is hard to put any money estimate ing a ham sandwich. A lean man next me was also cating a ham sandwich; a our bad roads have so serious an infinrow of men behind him cating, some ence upon country life and the happiness one thing some another. The keeper of the restaurant was calling out the bill of fare for the benefit of a new comer: "Tomato soup, chicken pie, tried veal and lamb stew," etc. The lean man next me said, with a sort of lean man next me said, with a sort of lean man next me said, with a sort of lean man per lean than any other. One can scarcely reading that in farming communities it reading that in farming communities it though he had previously suffered disappointment with that particular dish; he he spoke louder than he intended, and the waiter heard what she took for an cities how the families of the men who waiter heard what she took for an cities how the families of the men who order and called out in emphatic tone:
"Lamb stew!" (This was an order to her associate behind the partition).
The lean man stopped chewing for a monget and cays me a semulated for the control of the c The lean man stopped chewing for a houses, he marvels that they should premoment and gave me a sepulchral look, for this to life in the country, where as much as to say: "Now I have done the sit is free and wholesome food is lit." He considered the situation for a moment, gobbled up the reat of the sandwich, and said privately to me, as istence in cities, even though it be a fact he slid off his stool: "I guess I'd better that work is harder to get there than in get out of this," he handed in his ten cents for sandwich and coffee and softly | Not only is this the case with laborers departed. In a few moments to waiter appeared bolding aloft a platter with a bread-plate, napkin, etc., and in the blandest of tones inquired: "Lamb stew?" Nobody answered. I continued cating my sandwich, and could see would not be this scarrity of agricults the displacement of the contralled of the

in the dim distance the cont tails of the tural laborers which has just been noted but no scoper does an adventurescene "Lamb stew?" "Gimme a glass o' milic," said a short, fat man near me. "Whose is this stew, please?" Dead si-lence: the row of men kept on esting. lence: the row of men kept do esting.

Proprietor (who had been in a stapor)
woke up to the fact that here was a
dinner ordered by somebody anknown
—a mistake, as it were—and he took up the tale. (A tall man sitting below me was eating doughnuts and cheese.) "Is

was eating doughnuts and cheese.) "Is this your lamb stew?" inquired the pro-prietor. "What say?" (The tail man was a little denf.) "Bid you order this stew?" "Two what?" "Lan is stew." "Oh, not doughnuts and cheese. "(Thin, hangry man nearly through with his chowder. This yours, alster. "No. I didn't order no stew." (Shipping lard critics odd hom, with broad and I didn't crise no saew. (sapping clerk, enting cold ham, with bread and butter). "Is this stew your order?" "No; what do I want of lamb stew with ham?" The proprietor disappeared

behind the partition and "stewed" there, the waiters forming a ring around the lamb stew. I nearly choked myself with my sandwich while the following colloquy forced itself upon my eral Roy Stone, of New York, the engineer: "Which gentleman was it?" "I don' neer and inventor. The restless activity

Some history of this family will doubt.

leshed at less cost than \$150. Every bome in the land ought to have a copy of this volume, so charmingly beautiful, FAMILY HISTORY. bey were pioneer settlers in Oregon In instrations, and as a product of the book he is afraid of the hard work that has he year 1840, William Sperry and fam making art. fool would believe that a man to succeed ly, consisting of wife and four children, moved from the State of Ohio to Iow even moderately does not have to work where they resided eleven years, but the earned for scenes farther west, and i they have not proved themselves to be the year 1851 started for Oregon, crossing in America, for the great majority of our distinguished and successful men the plains by ox team. In six month hey had reached the end of their jour have been recruited not from the col-leges and universities of learning but ney, settling in Lann county, near the present town of Brownsville. Their jourfrom these very fields which now suffer ney, like all that crossed the "Great American Desert" at that period, was

Among those who conspicuously ad-vocate the idea that the national gov ot unattended by hardships. The father purchased a claim near ernment should take a part and lead in Brownsville and went to farming. Being this matter of road improvement is Gen a minister of the Baptist church, his du Wheat, cwt ear: "Which gentleman was it?" "Idon" of General Stone's mind has been distance who it is when anybody or lers." (The second appearance of the large section of several prominent statesmen in the large section of the Bapiast charch, his distance at this time were numerous, for there is east this time were numerous, for there is east the sum of General Stone's mind has been distance at the problem for many years and he has recently secured the co-oper lers." (The second appearance of the large section of the large section of the Bapiast charch, his distance is the B Washington in a project soon to be formulated in a bill to be brought betime grown, and took a large portion of Turkeys, D. fore congress. This bill proposes the be burden from the father's shoulders. formation of a national highway commission which shall examine the whole Wm, Sperry died in 1857 at the age of subject, formulate a plan for a national 45 years.

Mrs Sperry in 1859 was married to Boeves, owt. William Cochran, a wealthy and most espected resident of Brownsville. She of seeing her shildren married and set particularly happy. It is true that the tied in life, and more, that they were relarger portion of foreign visitors who spected and esteemed by all.

If you have sudden darting pains in the junts or muscles, and it recurs every ame you get cold, and appears in new disgraceful condition of our common roads. It will be well worth while to show to such as these that we are alive to the importance of the subject and aware of the reproach of our wretched the of Dr. Drummond's Lightening Rem best thing to do is to send five was affected to an alarming degree appoints tell away, and he was terribly reduced in health and strength. Three bottles of Electric Bitters cured him. ronds. It will be well worth while to ways.—Jno, Gilmer Speed in Harper's -dy for Rheumatism. It will cure you.

Be wise in time and do not be fooled with the second of the second The ideal country road is the macadam. The first cost is heavy, but the roadbed can be kept in repair at small

expense, and ultimately saves to those who use it far more than it cost. The STATE OF OMO, CITY OF TOLEDO, LUGAS COUNTY
FRANK J. CHENEY makes outh that be us the sentor partner of the firm of F. J. size of one's fist, to be put upon the graded roadbed in dry weather. After rade, roansed that said the said tim will pay the sum bruises, sores, ulcers east rheum, fever of ONE HUNDRED DOLLARS for each sores, tetter, chapped hands, children.

> A. W. GLEASON. Notary Public.

A GOOD SUGGESTION

In regard to organizing against the squirrels, I will say, I think that is the C. C. Sperry, of Brownsville, Lunn Co. ting the largest number of scalps, \$75;

county se bounty last year. We will have to do something to excate. Citizens, one and all, let us hear from you on this question, as you ought all to be interested.

J. P. HADLEY. HARDMAN, Or., Sept. 19, '92.

A Pretty Surprise

A beautifully illustrated and charmingly bound edition of Longfellow's "Evangeline," the most popular long poem ever published by an American author, and one of the most famous poems in the language, to be had at about he principal leature of the occasion, and it is a well known fact that Mrs. Sperry a good cook. All enjoyed this part of the program immensely.

Rev. C. C. Sperry took his departure.

Rev. C. C. Sperry took his departure. reve C C Sperry took his departure for rewnsville yesterday morning, but the others remained till today.

The brothers and sisters visited the callery of Theo. Danner Wednesday and a family group taken. After the last statement of the callery of and a family group taken. After the gilt title and rnaments. By special arrangement with Mr. Alden, we are able to the scales at the mill to have their to supply this beautiful book to each one of the readers of this paper whose subscription is paid in advance, (if not paid you can at once make payment and secure these terms) for a nominal cash payment of 50 cents. All desiring this book must order same before Jan. 1, '93, as this proposition expires then. Come in and see a copy of the book if you can, but if you can, the first seed your order any way; we guarantee that you will be delighted with it. No illustrated edition of this work has ever before been published that you then the proposition of the control of the contro
