The many remarkable cures of catarrh effected by the use of Ayer's Sarsaparilla is conclusive proof that this loathsome and dangerous disease is one of the blood, only needing such a searching and powerful alternative to thoroughly eradicate it. Rev. M. Bramblet will hold services in the Baptist church next Sunday morning at 11 o'clock, and in the evening at 7 o'clock, the latter date being the time for evening services during the coming winter. Sunday-school the same as usual, at 10 a. m. Post Commander Smith, J. F. Willis and A. J. Hill, representing Rawlins Post, G. A. R., met with Heppner's committee at the office of Frank Kellogg last Saturday. The program is being formulated as rapidly as possible. There can be no health for either mind or body so long as the blood is vitiated. Cleanse the vital current from all impurities by the use of Ayer's Sarsaparilla. This medicine recovers the wasted energy, strengthens the nerves, and restores health to the debilitated system. A business man in Arlington remarked recently that "twilight in Heppner and Arlington do not agree, being much lighter in the former place, especially when shipped from Arlington up." This they thought strange, though in reflection was no reason why they should, as Heppner is much higher than Arlington; that is, nearer heaven. Such being the case, the atmosphere is more rare, consequently weights are lighter. E. O. A night or two since a 24 car trainload of horses was drenched on the Denver branch, near Chryseene. The train was running at a high rate of speed to make the hill, and left the track. About one hundred head of horses were killed. Part of the shipment consisted of the last batch of Switzer horses from Canfield, and sixty or seventy head of one stock bought from Fred Nodine of La Grande. George Beas and E. S. Gibson, of La Grande, who were with the shipment, were severely hurt. Some Engineer Patterson and Fireman Reese of the Heppner branch were in The Dalles Sunday, and through them we learned of a band that Conductor French organized. The instruments used are harmoniums of a new design that give all the prices and variations in music. The members of the band are Conductor French, leader; Engineer Patterson, Fireman Reese, Brakeman Woods, and Operators Lundy and Van Dorn. They practice in the freight house at Arlington tri-weekly. PUBLIC SPEAKING—Tomorrow evening at the opera house, Senator J. N. Dolph will address the people of Heppner and near by on the issues of the day. Many of those now residing in Heppner and vicinity pioneered it with the senator, and no doubt will be present on this occasion to hear what he will have to say on questions of national importance. The speaking will commence at 7.30 p. m., sharp. CALLED HOME—On Sunday eve, Oct. 2, 1902, at her home in Heppner, Maggie M., beloved wife of Dr. E. T. Gagen, was called from this earthly sphere, aged 25 years and 5 months. Though seriously ill for some time, it was hoped that she would recover, inasmuch as she seemed so much better the last few days of her life. She took a turn for the worse late Sunday, and despite all that could be done for her, never rallied. Funeral services were held at the residence on Tuesday, Oct. 4, at 10 a. m., after which the remains were interred in the Heppner cemetery. The obituary of this most estimable lady will appear in the next issue of the Gazette. One Small Rile Bean every night for a week around Purple Liver. 25c. per bottle.

SATURDAY DIVERSIONS.—J. F. Hastings and Jesse Seiler, two young men from the country, had some words with See Driskell Saturday, which culminated in See being attacked by both of them armed with heavy bar room chairs. The trouble occurred down in the Arcade saloon, and before matters were quieted, See received some pretty hard knocks. Being brought before the recorder, they were fined the "regulation," which many of us, alas, from sad experience, know too well its size. Later in the evening, Hastings and Driskell met again, and as the recorder deemed the latter the aggressor in this instance, fined him only, which in this case was \$20. They increase appetite, purify the whole system and act as a liver, this Beans Small. NEW FIRM.—The Gazette has the honor this week of presenting for public consideration, a new business in Heppner, that of J. H. Kolman. Mr. Kolman has been in business at Arlington for some time, and is looked upon as a progressive business man, and one whom we can recommend as being public spirited and enterprising in everything. Mr. Kolman's place of business, the Lichten building, will be opened up this week, and the Gazette bespeaks for him a goodly share of the patronage. He is at present ably assisted in his store by Mr. Barber. WILL ONLY STAY TEN DAYS.—Charles Cunningham got in yesterday from Pilot Rock with a band of bucks which will remain here only ten days. Mr. Cunningham is receiving yearly from the East, bucks equal to the best raised in the world, so there is no fear that his herds are deteriorating. In fact, they are improving all the time. Warren, of Hill Ridge, were in Heppner Friday evening. These gentlemen say that a postoffice should be located on "the ridge," as they could then get their mail the same day that it leaves Heppner. This matter should receive the attention of the people in this vicinity. RIPANS TABLETS: a standard remedy. PRETTY CLOSE.—Last Friday eve, while some of the young men and China Lione, the cook, down at the City hotel, were practicing with a 22 cal. rifle in the rear of the building, the weapon was accidentally discharged, the ball passing through Lione's shoe, missing his great toe but the small fraction of an inch. To aid Digestion take one Small Rile Bean after eating. 25c. per bottle. CARD OF THANKS. Not being able personally to do so, we desire through the columns of the Gazette, to sincerely thank all those who so kindly assisted us by their presence and sympathy during the illness, death and burial of our loved one, Bertha I.
