GENERAL WEAVER.

fight is good trim. He has a respect-able share of electoral votes, and in the matters affecting the trade. main has conducted his campaign with rigor and decency. He would have been better off if he had left Mrs. Lease at last Thursday, when asked "if the demo-

of his services in this respect, his name ises - Chronicle is now being ca vassed in connection with a cabinet office under the Cieveland administration. We have no idea that says: "The Falcon Iron and Nail Con-General Weaver will be offered a cabinet pany, which has been engaged in putting place, nor do we think he would expect it. Sail, it would be in the fitness of things to make him commissioner of the plant at Niles, O., has decided to comlabor bureau, a place that be is eminent-ly qualified to fiil, and it would be an not finish the improvements until the appearament that would please the laborclasses.-Portland Telegram.

This is the most arrogant acknowledgement that we have seen. That the popplist contributed to the defeat of the otherwise be changed to some other inrepublican party as much or more than dustry." anything else, all acknowledge. The THE day before election 50 Boston people's party, so far, has served as an bankers issued a manifesto urging the Telegram's shameless admission is in that this course was the best means of strict line with its past record. But the crushing out the eilver sentiment, and gall of the thing is enough to take one'; preventing the issuance of greenbacks or breath. The better class of populists flat money. It is evident that one elewill certainly not reliab this assertion ment or another is going to be deceived that they have been able tools of the and disappointed in Mr. Cleveland's ad democrats and should be rewarded for ministration.-Spokane Review.

The Irish World flods in an English paper, the Hyde Telegraph, of October 13, a letter from a correspondent who has recently been in Ireland and made some personal investigation of the condition of workingmen there. Forlowing is a "case" he gives of the wages and home comforts of a laborer upon whom he call. ed at his "house" near Lorgan, in the resigned. He will doubtless accept. Mr opponents of home rule:-

mother and nine children. The ages of the children mage from 15 years to 2 months. The latter earned hast week Hs. (\$2.75), the mother is (25cms), the cidest bey 6s (\$150), the cidest girl 1s., the rext boy is, the next boy is. In all 21-185 251 came into that house. The 21-, [\$5 25] came into that house. This was a very respectable family, but 1 ctation, including President elect Cleve-learned that the father and mother, with band, C. J. Foster, W. H. H. Miller, the three youngest children—a giri of 3, a boy 12 months and a boy two months old—all occupied one best; white in the same room the eldest giri [13] and two boys of 5 and 4 years respectively, stept together in a truckle test on the floor. The three cluest boys, 15, 11, and 9, stept on a kind of broad shell or nall loft over on a kind of broad shelf or half left over the kitchen fire."

The writer gives several other "cases" even worse than the above. Such is the prosperity of "prosperous Ulster" under the policy of free trade.

BOTH WANT IT.

The annual convention of the farmers alliance is in session at Memphis, Tenn.

and these of C. W. Macune, of Washing- over the meeting. The former is being pushed by the third party element, and the later by the democrats. Delegate Beck, of Alabama, of the state is known. They fear injuri said this evening:

"The original idea was the organz: tion should stay out of politics, but it won't, and since the members will dabble ing been nothing of a criminal nature in politics, I say give them a democratic proven against him. flayor. That's my idea. We want Macune for president; he's a democrat."

On the other hand, John H. Me-Dowell, of Tennessee, is working hard starving in London. Free trade London! for Loucks, thinking thus to throw the organization into the people's party.

Some thoughtless people endeavered to the fair of next year. enter into the New York parade, during the recent celebration of Cleveland's election, a wagon, upon which was creefed a scaffold, and dangling from the disgust ing emblem was an effigy of President Harrison. As soon as the uncanny object was seen by the local democrats there were matterings of disapproval, which soon broke out in an open protest. The leaders of the procession insisted that such an exhibition was an insult to the late Patrick S. Gilmore was recently deevery loyal citizen, who, no matter how they differed on questions of politics, were bound to recognize and maintain been elected one of the assistants to the the diguity of the office of chief magic the dignity of the office of chief magisthe crowd hooted at the men who place fifth anniversary of his administration. ned the effect. Our people differ, point ically, but their loyalty is above reprosch.
