Henry Heppner, who is the reputed father of little city, yesterday commended a deed by which he became the owner of the Mallory corner, opposite the Palace hotel. The price paid was \$5,000, and soon we expect to see another brick go up in that quarter.

Owing to the fact that job stock has advanced about twenty per cent from resales which will be explained elsewhere, we are compelled to make a slight advance on all printing. A reduction will be made as soon as prices of material will justify same.

Hatter's Congo Oil is rapidly coming to the front as a leading medicine. J. A. Harrison, the Fossil constable, applied it to his leg, which was recently kicked by a horse, and next day he was able to hobble. "It's the boss!" Harrison says. Lyman Brown tried the oil for rheumatism with which he has been troubled for years, and this is what he says: "It kicked it after two applications." 54-11.

The question is frequently asked: "Why is Ayer's Cherry Pectoral so much more effective than other cough remedies?" The answer is, simply because it is the most skillful combination of

For pains in the chest there is nothing better than a flannel cloth saturated with Chamberlain's Pain-Balm and bound over the seat of pain. It will produce a counter irritation without blistering, and is not so disagreeable as mustard; in fact it is much superior to any plaster on account of its pain relieving qualities. If used in time it will prevent pneumonia. 50 cent bottles for sale by Slocum Johnson Drug Company.

LEG AMPUTATED.—Isaac Giles, the well-digger, had his right leg amputated between the ankle and knee Saturday.

It was the result of an accident down near Ella last Friday at 1 o'clock. Mr. Giles was digging a well for C. C. Curtis, and while ascending a ladder out of the well, and near the top, a round of the ladder broke, Giles falling back into the well which was twenty feet deep, shattering his right leg above the ankle. He was brought to Heppner, arriving here at 11 o'clock on the night following the accident. On Saturday Drs. Gagen, Swinburne and Shipley were called in, and soon came to the conclusion that it was impossible to save the limb, and amputation was therefore decided upon. Mr. Giles is doing as well as possible down at Vinson's boarding house.

OBSTREPEROUS YOUTHS.—Down at the Columbia Beer Hall, New Year's eve, some of our young men took on big jakes of that which both cheers and makes drunk, and as a result, some fighting and fighting talk was indulged in. It was only a New Year's celebration, but the boys ought not to single out any particular nationality on which to exercise their fighting proclivities.

Why is it?—That Fell Bros. have sold one hundred pairs of blankets since Nov. 1st. Simply because they made the price so low that every pair was a bargain and they sold fast. Thirty-five pair just received, all wool, large blankets, which will be sold the same way. See their banners, price and quality. Can't be beat in town. 41-11.

MOUNTAIN HOUSE.—Mr. Joseph Crank has lately leased the hostelry known as the Mountain House, refitting and re-furnishing it three hours. Board and bed, per week \$3; board without bed, \$4.50; meals and bed 25 cents each. Mr. Crank asks a portion of the patronage, believing that he can give as good service as anyone in Heppner, and for less money. 43-11.

WESLEY MATLOCK PLEADS GUILTY.—A Santa Rosa dispatch of the 28th ult. says: When the case of the people vs. Wesley Matlock, charged with making an assault on Frank Mather with a deadly weapon, was called in Judge Crawford's court today Matlock's attorney created a surprise by stating that his client had decided to withdraw his former plea of not guilty and enter one

of guilty. A jury had been summoned and many prominent persons from various parts of the state were present to hear the proceedings, among them being Rev. Dr. Anderson, of Fresno, Matlock's father-in-law, Judge Crawford will review the evidence taken at the preliminary examination before imposing sentence. The maximum punishment for the crime charged is two years in the penitentiary, or imprisonment and fine not to exceed five thousand dollars. Public sentiment is with Mr. Matlock. The judge fined him \$150, which, considering, is quite light.

PALACE HOTEL CO. ELECTION.—At a regular meeting of the stockholders of the Palace Hotel Co., at the parlors of that hostelry last evening, at 7 o'clock, the following were elected directors for the ensuing year: O. A. Rha, Henry Blackman, T. W. Ayers, Sr., J. W. Morrow, and Otis Patterson. At a meeting of the directors afterward, Henry Blackman was chosen president; Otis Patterson, vice-president; C. A. Rhes, manager; J. W. Morrow, secretary; Geo. O. Moser, treasurer. One hundred and seventy-five shares of stock were represented at the stockholders' meeting, but it is to be regretted that more did not come out. The directors will meet at the Palace hotel at 7 o'clock on the eve of the first Monday of each month.

SPECIAL COUNCIL MEETING.—At the call of Mayor Matlock, a special session of Heppner's council was held last Saturday night for the purpose of considering the action of Rollins & Sons, as regards bonds. O. E. Farnsworth, chairman of the committee on finance was instructed to go to Portland to make other arrangements for the disposal of water bonds. The principal objection to the requirements of Rollins & Sons is that to comply with them would delay getting money on bonds too long for present needs and demands. Mr. Farnsworth was supplied with all necessary papers, and asked to proceed to Portland at the earliest opportunity. Council then adjourned.

DEAD.—H. C. French, our special conductor, had a queer experience lately. Some time ago he was caught in an accident while running as a conductor on a "freight" between Portland and The Dalles, and somehow the word was sent back to his K. of P. lodge at Ottawa, Kansas, that he had been killed. Mr. French the night it strange that he did not hear from his lodge, and on inquiry found that he was supposed to be "off the list" of the living, and it took a physician's certificate of good health to reinstate him in the old place. "Frenchy" is as about as lively a dead man as ever walked on two legs.

MARRIED.—At home, at the residence of the bride's brother-in-law, (J. C. Woolery, Esq.) Mr. Edward C. Kenney and Miss Mary Kay Violet, Edwin Palmer officiating. It was a very quiet wedding, but few being present. It was, however, none the less enjoyable. The contracting parties were two of the most estimable and popular young people of Morrow county. We congratulate them on their passage from single blessedness to double bliss and trust that others will emulate their wise example.

BIRTHDAY PARTY.—On last Friday evening occurred the 21st birthday of our young friend, Eugene Noble. He hardly realized it till about thirty five of his acquaintances and erstwhile schoolmates rushed in to give him a surprise; and they did it, too, for "Gene" was taken entirely unawares. A merry evening was spent, an elegant repast being an important feature of the occasion.

"In buying a cough medicine for children," says H. A. Walker, a prominent druggist of Ogden, Utah, "never be afraid to buy Chamberlain's Cough Remedy. There is no danger from it and relief is always sure to follow. I particularly recommend Chamberlain's because I have found it to be safe and reliable. It is intended especially for colds, croup and whooping cough." 50 cent bottles for sale by Slocum Johnson Drug Co.

Lost.—A red leather pocketbook, such as is often used to carry bills or valuable papers. Same was lost in Heppner, or between Heppner and Ben Swaggert's place, last Monday. Contained some accounts and notes valuable only to owner, Ben Swaggert. Finder will please return same to the Gazette office. 1-11

A NEW NEIGHBOR.—Geo. W. Lord has moved into the former art gallery over Messrs. Brown & Hamilton's office, and has fitted up for architecture work. He is prepared to contract for all kinds of buildings, or will supervise construction, and purchase material for the same, giving his customers the benefit of his experience and percentage. 52-11.

NEW STORY.—Our story, "Golden Caves," ended with our last issue, and in this we begin "Brought to Book." This is a shorter story than "Golden Caves" and will not be so well appreciated as the latter. This will be followed, we think, by a story of the late war, and a better one than that which has just gone through our columns.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally, and does from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. Cheney & Co., Toledo, O. Sold by druggists, 75c.

STRAVED.—Strayed from Boots' Camp, about Nov. 1st, six head of yearling steers, two yearling heifers, two two-year-olds and one two-year-old roan heifer with calf, all branded P with a bar above it, on either hip. Will pay reasonable reward for the return of the above to my ranch or for any information that may lead to their recovery. Address on postal at Alpine, Oregon. 554 O-W Mrs. Kate PARRISH.

WE CANNOT ASK YOU TO BELIEVE WHAT WE ADVERTISE

Or what we say. Convince yourself; the proofs are before you. Come to our store, look at our prices and then compare them with the prices of others. We have an immense crowd of customers every day. Ask any of them whether they obtain bargains or not. They will tell you. If you don't know KOLMAN of the

BOSTON CASH STORE Your neighbor will tell you

Kolman Advertises the Truth

The idle words of the falsifiers are like chaff. The terror of our competitors is pitiable to behold. They are paralyzed and, with blanched faces, stare at the crowds pouring into our store to secure goods at the exceptionally low prices. It seems to be a great mystery to our customers why we can sell them goods at just one-half what the other firms ask, and at the same time make a fair, legitimate profit.

WE ARE YOUR FRIENDS

and you should remain with us, as we have exploded the outrageously high prices you have paid in Heppner heretofore. I thank you very kindly for the liberal patronage you have bestowed upon your true friend since he has opened up in your city. I must admit my sales have been twice as much as I anticipated. I intend to locate permanently in your city, and shall in the future, as in the past, conduct my business in an honorable way, so as to gain the confidence and respect of all. Wishing you all

A HAPPY NEW YEAR. I remain, respectfully,

J. H. KOLMAN.
