L. F. FISHER, NEWSPAPER ADVERTISER, 1214 Broadway, New York, N. Y., is our authorized agent. This paper is kept on file in his office.

TIME TABLE. Stage for Hardman, Monument, Long Creek, John Day and Canyon City, leaves as follows: Every day at 9:30 a. m., except Sundays...

Give your business to Heppner people, and therefore assist to build up Heppner. Patronize those who patronize you.

Here and There.

TUTT'S PILLS make a robust body. Heppner Furniture Co., for carpet. Johnny Elder lost a fine mare a few days ago.

I. Sinsheimer, of New York, Sundayed in Heppner. Call and examine Heppner Furniture Co.'s wall papers.

Sam Lezer got home Friday night from Pendleton. Chas Hodson is teaching a good school over in Six Dollar.

Farmers would like to see a dry May and a few showers in June. Geo. Brown and wife, of Parker's mill, was in last week on business.

The Gem and Palace saloons for fine liquors, McAtee Bros., Props. Sheriff Noble has turned over to the treasurer, \$31,824.22 this year.

A. C. Potts was in Saturday from below. J. C. still keeps crooked. Saturday last Clerk Morrow paid out about \$1200 for squirrel scalps.

For a general family cabinet we confidently recommend Hood's Pills. Mrs. Geo. Brown, of Soleda Ridge, returned from below last Thursday.

Hon. Henry Blackman got home from a business trip below Friday last. Jake Young reports excellent prospects for crops out in his locality.

The land contest case, Hunt vs. Jones, was up last Saturday before Clerk Morrow. Cor. Dayton Paper: Attorney Wm. Dawson, of Heppner, is visiting relatives here.

Eph Eskelson is stepping higher than a picket fence. It's a girl, born last week. Mrs. Mollie Crawford and infant departed Saturday for their Pendleton home.

The Heppner-Canyon stage line is the best, cheapest and quickest to the interior. Heppnerites captured a number of fine trout last Sunday right in the city limits.

The Morrow County Land and Trust Company has an unlimited supply of mill feed. Children's waists, age 5 to 12 years cheaper than you can make them at Fell Bros.

The TWICE-A-WEEK Gazette now only \$2.50 in advance, payable in cash or on skins. El. E. Saling and Jas. Severy have returned from school, College Place near Walls Walls.

The Wamamaker party passed up the line last Thursday en route to the World's Fair. Hatt & Mathews, the barbers, City hotel barber shop. They are artists. Baths in connection.

J. A. Thomas, cashier National Bank of Arlington, accompanied by his wife, Sundayed in Heppner. Crops are looking well all over Morrow county, and in many places the ground is too wet to plow.

The Keeley Institute, at Forest Grove cures liquor, opium, morphine, cocaine and tobacco habit. See ad. Last Saturday was designated as "heap" day—the last day on which bounty was paid this season.

The Gazette would gladly fill a few orders for choice trees of any sort—matrifaction guaranteed. Drop in. Every man who takes any interest in fast stock should subscribe for The Horseman. Gazette shop, agents.

N. Nielson is now running a stage between Heppner and Lone Rock. See ad. for days of leaving and arrival. Pendleton Tribune: Miss Bell Bishop returned last night from an extended visit to friends and relatives in Heppner.

The sheepshers are making things lively during their sojourn in the city, which is a good sign of better times at hand. Master Clay French is the authorized agent for the Oregonian at this place. Subscribe through him, and have your paper delivered free of charge.

Newer and newer quarters at the Palace Hotel's north business room. Charley Jones the barber, wants to see his old friends there. Baths in connection. To overcome the marks of age, all who have gray beards should use Bockingham's Dye for the Whiskers, the best and cleanest dye made for coloring brown or black.

The man who called sarsaparilla a fraud had good reason; for he got hold of a worthless mixture at "reduced rates." He changed his opinion, however, when he began to take Ayer's Sarsaparilla. It pays to be careful when buying medicines.

Dr. B. F. Vaughan has gone east to complete his dental education, leaving Drs. J. W. Rasmus and Eugene Vaughan in charge of his office. Those owing Dr. Vaughan will please make settlement with Dr. Eugene Vaughan who has full authority.

The promptness and certainty of its cures have made Chamberlain's Cough Remedy famous. It is intended especially for coughs, colds, croup and whooping coughs, and is the most effective remedy known for these diseases. Mr. C. B. Main, of Union City, Pa., says: "I have a great sale on Chamberlain's Cough Remedy. I warrant every bottle and have never heard of one failing to give entire satisfaction." 50 cent bottles for sale by Slocum Johnston Drug Co.

Major Ormsby writes y paper man that the sheepmen are about through shearing over in Wyoming. The weather is good over there, likewise there is an

abundance of good range. There is no loss worth mentioning.

H. Tash, Jay Ball and Oscar Shaffer were in from outlying districts yesterday. Al Roberts sprained his ankle last Friday eve, and has been seriously incapacitated ever since.

The report that Rev. W. E. Potwine was to be in Heppner last Friday, proves to have been a mistake. Frank Moreland, of Hardman, called yesterday and got some job printing at the Gazette's steam job office.

Lane Matlock and wife have gone below, and Lane will remain for a time at Kitchen springs for his rheumatism. A. E. Smith proved up before Clerk Morrow Saturday last, with J. M. Waddell and Joe Luckman as witnesses.

We are informed that there has been considerable inquiry for cattle by Mont parties. Prices, they say, are too high. Miss life Matlock, while riding a bicycle Sunday, suffered a fall which bruised her severely, nearly breaking a rib.

The law firms of Dawson & Lyons and W. R. Ellis will shortly become one, but under what firm name we do not know. Bob Gilmore and wife came in Friday from Monument, leaving Saturday for The Dalles where Mr. Gilmore's father is quite ill.

Victor Groscheau completed title to his land, before Clerk Morrow Saturday. His witnesses were Oscar Minor and J. B. Staiter. Rev. Shulse is in attendance at district conference this week, but there will be regular services at the church next Sabbath.

E. S. Kuntzley returned Saturday from Portland where he has been attending business college since January. He will return next fall. We hear that Johnny Elder has saved 85 per cent increase; Wash Elliott, 85 per cent and Harry Jones 90 per cent. This is good lambing.

George G. Olmsted, representing O. F. Paxton, came in last night to make a bid on Heppner's bonds, leaving this morning for Portland. Tom Buckley, who has been helping T. J. Matlock through lambing, reports 100 per cent increase. "Buck" didn't send the papers for it.

Darius Dampman has the honor of being a veteran, a son of a veteran and a grand son of a veteran. He evidently belongs to a fighting family. Don't be afraid that our till is too small to take in a few more delinquent subscriptions. No such casualty is likely to occur with us this year.

Some children playing near The Dalles last ground found a human skull, apparently that of a child or small woman, having a bullet hole through it. Dan Zeller, who is well known here and a former contractor, has been on the sick list for some time down at Portland. His business now is handling real estate.

John Edwards, of Sand Hollow, killed 720 squirrels in a half a day, with four cans of poison, and about two acres. He says he did not get more than half of them. We have some premium literature for those who pay in advance. We need the money and the different works will prove a valuable addition to any family library.

Jas. Lench, of Lexington, has been appointed postmaster at that place, vice W. B. McAlister, resigned. Verily, the planets are beginning to fall in the laps of "the faithful." We are informed that the Willmorth Bros. and their sister, Mrs. W. F. Ruark, have recently come into possession of a estate giving them about \$1,400 apiece. We congratulate them on their good fortune.

Sam Morgan suggests that the scalp bounty ought to be placed between Jan. 1st and Apr. 1st, at 5 cents a scalp, and one cent a scalp thereafter. This would do more good, perhaps, than the present arrangement. Prof. J. D. Brown, of Lexington, has closed his school down below, and will canvass this season for the C. F. Weber & Co., of Portland. Mr. Brown will teach the coming school year at Lexington which shows that his work is being appreciated.

A young lady of Jefferson, West Virginia, declares that she was all run down before taking Ayer's Sarsaparilla; but that now she is gaining strength every day. Ayer's Sarsaparilla is certainly a most effective tonic for the feeble and delicate. F. E. Wilmarth retires from the Princeton News, and says: "Having got through with attempting to run a newspaper, we want a job of herding sheep, hay, and lots of experience, and know how to do more good, perhaps, than the present arrangement." D. W. Aldridge is now sole proprietor.

T. M.: An item is going the rounds of the press to the effect that Frank Hickey, arrested for the murder of Col. Clayton in Arkansas, was in jail in this city at the time the crime was committed. This is a mistake. He was working in a restaurant in The Dalles at the time. The story service which we have been giving our readers for some time is rather expensive to us, but now that we learn that it is universally appreciated, we will continue to publish serial stories, even more interesting than those which we have already reported. There's nothing too good for our readers if within our financial range.

It is a noticeable fact that many who can't afford to advertise, who can't stand \$2.50 a year for a semi-weekly paper, who grow when they have to buy school-books for their children, never think of anything to throw away four bits to a dollar daily on social games for drinks. If half the money that is "fooled away" was turned in legitimate channels, the country wouldn't be so hard run. Tribune 27th: Governor Penneyer and Treasurer Metcalf passed through Pendleton this morning on their way to Baker City where they will again go over the proposed insane asylum site, provided it don't snow. Last week they made a flying visit to Echo, where they looked at Kootenai's meadow farm. When the commission returns to Salem the decision will be made.

While Mr. T. J. Richey, of Altoona, Mo., was traveling in Kansas he was taken violently ill with cholera morbus. He called at a drug store to get some medicine and the druggist recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy so highly he concluded to try it. The result was immediate relief, and a few doses cured him completely. It is made for bowel complaint and nothing else. It never fails. For sale by Slocum Johnston Drug Co.

G. A. R. MATTERS.—Rawlins Post, No. 21, G. A. R., of Lexington, held a meeting in Heppner last Saturday which was well attended. Also on this occasion the W. R. C held their meeting. Quite a number of the members of both organizations live in Heppner, and it is very kind in the Post and Relief Corps to hold an occasional meeting at this place. Quite a number of the old veterans remained over till Sunday.

DIED.—At his home near Helix, April 23rd, James G. Clark age 50 years and

Short Breath, Heart Trouble, Rheumatism.

Mrs. L. M. Paine, Eagle Creek, Oregon.

"I have lived here in Oregon for the past twenty years, and most of the time have been a very great sufferer from inflammatory rheumatism. I have also had what the doctor called heart disease, with shortness of breath and sharp pains in the left side. I decided to take Hood's Sarsaparilla, and before I had finished three bottles I was in better health than I had been for years. I do not have any pain now, sleep well, and to-day no woman of my age

Enjoys Better Health than I. At home on the ranch I not only attend to my family housework, but last summer I cared for and milked four cows. I do not feel that I can say half enough in praise of Hood's Sarsaparilla.

Hood's Pills are prompt and efficient, yet easy in action. Sold by all druggists. 25c.

21 days, of consumption. He leaves a wife and four children, four brothers and five sisters and a mother to mourn his loss. He is a brother of Mrs. G. W. Swagart, of Heppner. We thank the people of Helix and vicinity for their kindness during the illness of our dear brother. Mrs. G. W. Swagart, Pendleton papers copy.

There is nothing I have ever used for muscular rheumatism that gives me as much relief as Chamberlain's Pain Balm does. I have been using it for about two years—four bottles in all—as an occasional required, and always keep a bottle of it in my home. I believe I know a good thing when I get hold of it, and Pain Balm is the best I have ever met with. W. B. Denny, dairyman, New Lexington, Ohio. 50 cent bottles for sale by Slocum Johnston Drug Co.

A FINE HORSE.—The imported running stallion, Sir Henry, has been brought over to Heppner, and will stand the ensuing season at this place. He is the property of "Cayuse" Reynolds, and is a fine horse. 570-ft.

TORN DOWN THE PORCH.—Willis Stewart's big team got away with his heavy wagon in town last Friday, colliding with J. H. Kolman's porch, taking off one half of it. The factories were speedily caught, however, without further damage.
