I Would Be Dead But For Hood's Sarsaparilla

A Wonderful Cure—Restored to Good Health.

"Last winter I was in a very bad condition, my general health all run down. I grew thin, had no appetite, could not sleep more than five minutes at a time, and when I woke up I would have pains in my bowels. In the morning when I arose I would seem more tired than when I went to bed. I had a thumping sensation in the region of my heart. I cannot tell how miserable I felt.

I was obliged to give up work entirely. My friends advised me to take Hood's Sarsaparilla and I did so. I am now using the sixth bottle, and can say that it has worked upon me a wonderful cure. I have grown quite strong, am again able to work, sleep well and have a good appetite, with no more.

Palpitation of the Heart. I am happier now and in better health than I have been for years. I firmly believe that if it had not been for Hood's Sarsaparilla I would be dead today. It may not be worth mentioning, but before taking Hood's Sarsaparilla I had paid two physicians sixty dollars for medicine, and Hood's Sarsaparilla gave me a new lease of life for five." W. MARSHALL, Commercial Hotel, Stockton, Cal. GET HOOD'S.
