Almost at the Cost of his Own Life-After Years of Suffering he is Restored to Health

-His Story as Told to a Reporter of the Anburn Bulletin

From the Auburn N. Y., Bulletin. It is on record that upon a chilly April day, a few years ago, an eightyear old boy fell into the East river at the foot of East Eighth Street, New York, and when all efforts to rescue September, starting back to Baker City, bim had falled, Edward Donnelly, at water and, when himself nearly ex hausted, saved the boy from drowning It was a humane and self sacrificing deed and received deserved commendation in all the many newspapers that made mention of it. Edward Donnelly was then a resident of New York City, but Auburn, and his sister was Mrs. Samuel D. Corry of No. 71 Moravia St., which gave a local interest to the incideut. All this was some time ago, and Columbia river. Mrs. McCarthy, "the both it and Mr. Donnelly have passed Queen," arrived this afternoon. She out of the minds of your correspondents until, a few days ago, while in Saratoga, he was shown a letter to a friend which The jury was discharged Tuesday he was permitted to make the following

> AUBURN, N. Y., Oct. 26, '92 I am taking Dr. Williams' Pink Fills. They have cured me of that terrible They have cured me of that terrible disease, locomotor staxia. When I commenced taking them, I was wholly unable to work and nearly helpless. I am now improve so much that I have been picking appel and wheeling them to the barn on a wheelbarrow.
>
> Yours truly, Edward Donnelly,
> 71 Moravia St., Auburn, N.Y.
> Immediately on reaching Auburn,

"You see when I saved the boy, I was in the water so long that I was taken with a deathly chill and soon betaken with a deathly chill and soon became so stiffened up and weak that I could beither work nor walk. For some ime I was under trestment of Dr. George McDonaid. He floatly said he place for bargains. George McDonsid. He floatly said he could do nothing for me and that I had better go into the country. On the last of last June (1892) my wife and I came up to Auburn. I was then in great pasin, almost helpless, the disease was growing upon me and I felt that I had come to the home of my wife and of her states to the home of my wife and of her states to the home of my wife and of her states to the home of my wife and of her states to the home of my wife and of her states to the home of my wife and of her states to the home of my wife and of her states to the last to the home of my wife and of her states to be leading hotel in the country. of money) and again I am well and able "In New York a Dr. McDonald said my disease was locamotor staxia. He treated me by striking me on the knees with-

out giving me pain; by having me try to walk with my eyes closed; by trying to stand first on one foot and then on the other, but I couldn't do it, and so after a while he said I had locomoto ataxia and was incurable, and that MR. EDWARD DONNELLY SAVES A LIFE. bad better go into the country among my friends who would make the few remaining days of my life as comfortable. as possible and give me kind attendance. Well I came, or rather was brought from New York into the country; but instead of dying, I am a well man, nearly as well as ever before in my life. Pink Pills did it. If I was able I would at my own expense, publish the virtues of Dr. Williams' Pink Pills to the whole world and especially in New York City,

> am here.
> "Another thing," said Mr. Donnelly,
> "I am sure that the Pink Pills for pale people (and they are well named) are the best blood maker in the world, why, when I was sick and before I took them, if I cut myself the very little blood that ame from the wound was thin and pale and watery. A few days ago I accidently out my hand slightly and I bied like a pig and the blood was a bright red. Just look at the blood in the vens of my hands." So indeed they were, and ins cheeks siso were the ruby firsh of nealth with which only good blood and plenty of it can paint the human face.

where I am much better known than

Your correspondent again called up on Chas. E. Sagar Co., at their request. They were much interested in the and cure by use of Dr. Williams' Pink Pilis and told of several other instances. which had come to their knowledge where the use of Dr. Williams' Pink Pills had proved efficacions in making most wonderful cures. These pills con-tain in a condensed form all the elements necessary to give new life and richness to the blood, and restore shattered nerves. They are unfailing specific for such diseases as locomotor ataxia, paritial parlysis, St Vitus' cance, sc atica,

partial pariysis, St Vitus' dance, so atica, neuralgia, rheumatism, nervous head ache, the after effects of la grippe, palpitation of the heart, pale and sailow complexions, and that tired feeling resulting from nervous prostration; all diseases depending upon vitiated humors in the blood, such as serofula, chronic erysipelas, etc. They are also a specific for troubles peculiar to females, such as sucressions, irregularities, and all forms

vegetable life are at their best, when Nature in all her beauty cannot help but create hope for the future in the breast of a human being, and at the same time cause due reflection over, and due appreciation of, the events of the past.

The happenings of the long ago, when bright, happy boys marched forth to do that the for their country, was appropriately commemorated by a handful of battle scarred veterans, their wives, daughters and sons, assisted by many patriotic citizens, numbering in all from 600 to
