

## "ESPANO"

This wonderful preparation is Purely Vegetable: compounded from the prescription of the Official Physician to the Court of Spain. "Espano" recreates Mental and Nerve Power in Man and Woman.

An infallible remedy for Nervous and General Debility, Nervous Prostration, Creeping Paralysis, Weakness caused by Debilitating Losses, Excesses or Over-Indulgences, Incipient Softening of the Brain or Paresis, Dizziness, Loss of Memory, Confused Thoughts and all Brain, Nerve or Sexual Weaknesses. It has no equal in restoring the Stomach and Brain to its normal condition following the abuse of Alcoholic Beverages, or indulgence in the Opium, Morphine or Chloral habit.

## SPANISH BRAIN AND NERVE REVIVER

Have you abused the laws of nature and injured your nervous system? Are you despondent and melancholy with confused ideas and gloomy thoughts? 'ESPANO" will positively cure you. It contains no mineral poisons and is remarkable for awakening organic action throughout the system and an improvement in every tissue. It produces better muscles, bones, nerves, hair, nails, skin, blood and gives vigorous life to the unfortunate who has exhausted his powers. Prepared in tablet form and packed in boxes convenient to carry in the pocket. Each box contains 90 doses or enough to last one month and is worth many times its weight in gold. The price \$1.00 per box or 6 boxes for \$5.00 if ordered at one time and a guarantee will be given that any case mentioned above that it does not cure, the money will be refunded. As to our financial standing we refer to any bank in this city. Sent charges prepaid to any address in United States or Canada. Put up in plain wrapper with no mark to distinguish what it is. Send for circulars and testimonials. Address,

## PATENTS

## FOR INVENTIONS.

Equal with the interest of those having claims against the government is that of INVENTORS, who often lose the benefit of valuable inventions because of the incompetency or inattention of the attorneys employed to obtain their

of the incompetency or inattention of the attorneys employed to obtain their patents. Too much care cannot be exercised in employing competent and reliable solicitors to procure patents, for the value of a patent depends greatly, if not entirely, upon the care and skill of the attorney.

With the view of protecting inventors from worthless or careless attorneys, and of seeing that inventions are well protected by valid patents, we have retained counsel expert in patent practice, and therefore are prepared to

Obtain Patents in the United States and all Foreign Countries, Conduct Interferences, Make Special Examinations, Prosecute Rejected Cases, Register Trade-Marks and Copyrights, Render Opinions as to Scope and Validity of Patents, Prosecute and Defend Infringement Suits, Etc., Etc.

If you have an invention on hand send a sketch or photograph thereof, tor with a brief description of the important features, and you will be at once advised as to the best course to pursue. Models are seldom necessary. If others are infringing on your rights, or if you are charged with infringement by others, submit the matter to us for a reliable OPINION before acting on the
