HEPPNER, OREGON.

HENDERSON'S VIEWS.

MAY ST., OPPOSITE PALACE HOTEL.

The Spokane Review, in commenting on ex-Senator Henderson's views on the monetary question, says:

3 5

and a great deal that is false, and will payable elsewhere than in Portland. be thoroughly riddled by the friends All such items will be registered for of silver when the extra session begins collection, and credit given only when to grind. But the "remedy" is serious proceeds are received. This is the market and sacrificed for what it will still tighter. - Independence West Side. bring. At the same time half the Bland dollars are to be put in the meltlike \$350,000,000 in silver bullion on according to area. the markets, and while doing this is jobbers and turn the mad bear in an pense for the loss of the respect of lawendeavor to squeeze the life out of one of its chief industries, and at the same time beat down the value of its stock

The tumble that would follow in city. silver, the corresponding advance in gold, the sudden contraction of the currency-all these would brew a currency—all these would brew a was the latter that helped out England financial cyclene that would make the when in a tight place recently. present troubles seem as a summer

If the United States wants to commit financial and commercial suicide, here is a potion, compounded in the If the fight is to be drawn on these lines, it will be a merry one and G. Cleveland & Co. will be soundly walloped.

tought England for liberty's sake, and we have no need of another contest, though it may be a bloodless one. Let us stop whining like whipped paps and stand up like men for our rights. Poor(?) India is consoled. The rupes buys as much wheat or merchandise today as it ever did, and the Indian farmer knows no better. When it comes to the purchase of gold, that is where "the rub" comes. And the American chance. farmer sells his wheat for this gold which is growing dearer daily, in competition with the Indian farmer who gets the same amount of money for his grain as he did twenty years ago, and which on a gold basis, in Liverpool, is sold at a figure that is rapidly ruining us. The ficticious value given gold by legislation never stops under the present system, hence we grow poorer all the time. And all bail to our silver representatives from Oregon who will soon sit in congress defiant of Boss Cleveland or any other plutocrat, true to the principles of

majority of their constituents.
THE East Oregonian talks of "inflated" silver and land values coming down The E. O. certainly has not studied the money question. On the other hand, silver will buy just as much today as it ever did, except gold, which is itself the gold basis, down the road while was rendered by Judge Fee in favor of feel refreshed after a night's rest. silver is following. In other words, Brown & Alien. wheat, cotton, real estate, beef, pork. wood, etc., are selling at 53 cents on the dollar. How long the people will consent to have the gold men continue increasing the premium on gold, God gation proceedings were instituted, the wool, etc., are selling at 53 cents on the only knows, but it cannot last long.

Not a dollar of silver is used as money in America, and where we speak of silver

They certainly have done a wonderful lot of good and should have the entire credit of the cures.
