While in from Gresham Saturday.

While in from Gresham Saturday, Jake Johnson informed us that he was in the city on Saturday, and that he was better than had been expected.

Don't overlook J. R. T. Deane at the Arcade when you are out. He has a fine stock of cigars and cigars always on hand.

G. J. Hatt has purchased Hick Mathews' interest in the City Hotel barber shop. Shaves, shampoos, hair-cuts, etc., in the best of style.

Dr. B. F. Vanhook has decided to leave Heppner, and all those owing him are requested to make immediate settlement.

Green Mathews' barber, is now located next door to the furniture store on Main street. Shaves, shampoos, hair-cuts and the like as usual.

J. C. Byrd, son of W. O. Byrd of the Burns Herald, was in Heppner over Sunday. He left Monday morning for Corvallis where he will probably work on the Times.

Young Perry Cannon, who was accidentally shot up at Lebanon Springs recently, is reported as dangerously hurt. The bullet took a piece of the shoulder blade.

E. G. Sloan and family, Mrs. S. S. Hornor and Mrs. N. S. Dawson leave tomorrow for the cool retreats amid the sylvan shades of the much-talked-of Blue mountains.

Frank McFarland left Monday morning for Grant county to look after business matters over in that section. Mr. McFarland expects to be gone about two weeks.

Word comes over from La Grande that Dan Horner was discharged. Since that time he has brought suit against Mr. Reeves. Mr. Horner is expected home Saturday of this week.

We acknowledge the receipt of a bunch of Hawaiian papers, thanks to the kindness of our American friend, Ivan W. Estep, who is now connected with the government schools.

E. J. Sloan has secured the lease on the room formerly occupied as a barber shop in the Palace hotel. Mr. Mathews will fit up the McSworls building, next door to the Heppner furniture store, as a barber shop.

T. M.: Mr. Chas. Sargent, of Heppner, is in our city visiting his parents. He does not report bright prospects for crops in Morrow county, and says the average will be from ten to twelve bushels to the acre.

We must realize on a remainder of sewing machines so possible and they will be sold for cash at startlingly low figures. If you want a sewing machine, here is a snap. P. C. Thompson Company.

O. E. Thompson and wife, of Burns, accompanied by Mrs. H. C. Thompson, have returned from the World's Fair. Mr. Thompson thinks the fair ought to be kept open another year to give all a chance to visit it.

The advice that most men will give you is not to drink, but when you do get the best. The Heppner saloon carries an excellent stock of cigars, liquors and beer. A fine billiard parlor in connection. Call on Charlie and Dick who will always treat you courteously.

J. A. Sanders, a tourist printer, formerly of Spokane, was in town yesterday. Sanders says he has been almost over the entire coast during the past year, and as yet has failed to find a town better or more prosperous than his old home. There is a moral in this to those who are talking of leaving this section. First convince yourself that you know of a better country.

Genevieve Guard: The reward of \$300 offered by the Southern Pacific company for the arrest and conviction of the parties who attempted to wreck the overland train near Yoncalla last spring, has been paid. The amount was turned over last Saturday to Sheriff Noland of this county. S. G. Miller, sheriff of Douglas county, these officers having been instrumental in the arrest and conviction of "Hera" Richardson for committing the act.

E. O.: The Parr boys, sent to the penitentiary at Adams, and lately pardoned out, came up this morning by the Southern Pacific. As though his experience in prison had not been particularly depressing, but Joe, who has had attacks of hemorrhage from the lungs for the past three months, is considerably reduced. The boys it is said, have had all the hilarity they want and intend to profit by their experience.

A MYSTERIOUS INCIDENT—Since the robbery of the general merchandise store of James F. Allen, of Fox, became public, G. V. McHaley, the Hamilton merchant, tells of an incident that happened at Hamilton one evening of last week. He had repaired to his residence and retired for the evening, when his wife and her sister noticed from the veranda of the dwelling four men on horseback ride around the store building, as if desirous of entering, but finding Mr. McHaley absent, one of them rode to his residence and inquired for him, of Mrs. McHaley, at the same holding his head in such a position as to render it impossible for them to recognize him. Mr. McHaley, on being apprised of the man's presence, made inquiries as to what he wanted, to which the stranger replied that they were going to Desolation lake, or some other place, and wanted to get some cartridges; but on being asked what kind he wanted, he was dumfounded for a moment, and had to inquire of another fellow who had stopped some distance from the residence, before he could reply. Mr. McHaley, not caring to get up at that hour of the night, told the stranger that he had no such cartridges in stock, and later the fellow disappeared. Since, Mr. McHaley made inquiries as to who these strangers were, and he firmly believes that had he responded to their request, and gone to what case he had on hand—Long Creek Eagle.

WHAT HE KNOWS ABOUT HORSE-RATS—A few weeks ago Editor Goulay, of the Sentinel, sent over to his ranch in Wasco county for his driving mare. The mare arrived in due time, and she was swelled like a poisoned pup. Goulay assured his friends that the animal was only "kraas fat" and a few days' driving would bring her down to her normal size. A few days after Mr. Donnell had a longing desire to visit his girl at Tur Dales, and making the fact known in the presence of Mr. Goulay, he at once tendered Mr. Donnell his buggy and grass fed animal. The offer was accepted, and the next morning the

"My husband was confined to the house, and unable to walk, on account of an ulcer on his left leg. He took Hood's Sarsaparilla and in a short time was able to go to work. My oldest son was stricken down with malarial fever. After taking Hood's Sarsaparilla a short time he soon recovered his health. At the same time I became all run down. Hood's Sarsaparilla did me much good." Mrs. S. S. LARKIN, Chico, Butte County, California.

stable was visited for the purpose of hitching up, when, behold, some of the luxuriant grass from Mr. Goulay's ranch had turned into legs, head, eyes and ears. In short, old Dobbins had a colt.

CYCLISTS BACK—Harry Warren got back from Portland last Thursday evening, while his partner, the Ennis, did not return till Sunday. The boys only went as far as Blalock on their wheels, the road being too rough and the weather rather sultry. At that place they boarded the train, and in due time joined the excursionists for the beach, where they had an elegant time. Before returning, he visited his wife at Hillsboro, hence delay in getting back.

THE FOX ROBBERY—Since publishing an account of the Fox robbery, we learn that Johnny Christian gave bail in the sum of \$1,500; that Jas. Short was not present when the robbery occurred; that the other parties implicated in the affair are Wm. Moore and Ralph Reiter, instead of "Mosier" and "Bider." Moore and Reiter are in jail in default of bondsmen. Only a small amount of the money had been recovered at last accounts, and it is doubtful if ever found. The loss falls heavily on Mr. Allen as a greater part of the money was on deposit.

CRIMINAL CARELESSNESS—Ed. Dolson killed Jessie Walton at Pendleton last Friday evening. He was considerably under the influence of liquor, and while carelessly handling a pistol it was discharged, the bullet striking the woman in the mouth, from which she died in fifteen or twenty minutes. Dolson is a gambler and the woman was a character of the town. Dolson was arraigned charged with murder in the second degree, and waiving examination was bound over in the sum of \$2,000. The weapon with which the shooting was done was an ivory-handled affair and formerly belonged to the late Hank Vaughan.

SOMEWWHAT OBSTREPERIOUS—Saturday last Sheriff Noble arrested Lee Kilbourne for drunk and disorderly conduct. It took the combined efforts of the sheriff and several deputies to put the iron on him without doing him bodily injury. The trouble arose first between Tommy Brown and Lee. The former was playing on the organ and on being interrupted by Lee quit. Lee attempted to put Brown back on the stool, and finally took hold of his throat. This was the beginning of more serious trouble which ended in Kilbourne's arrest. No justice or recorder being in town, he was released Sunday without fine. Lee is all right when he is sober, and it is to be regretted that he will insist on getting full and making trouble, which will end disastrously sooner or later.
