**SCIENCE OF WILLARD CAIN.**—Geo. Moore brought in word Wednesday from Burns of the suicide of Willard Cain, two weeks ago last Monday, at the above place. Cain was a sporting man, and before locating in Burns stopped in Heppner a few months. When the race occurred over there last fall Cain and others went over, and since that time has not been in Heppner. Mr. Moore informs us that he broke his arm a few weeks ago by falling out of a buggy while hunting. The limb was properly set and was doing well till he fell out of bed and broke it over. Shortly afterwards he was at the house of an acquaintance in Burns and in some manner fell out of a rocking chair, breaking the injured arm in a new place above the old fracture. He was again looked after by a physician and made as comfortable as possible. Some opium was put up in capsules for him to take to allay pain during the night. In the room there was also some powdered opium in a sack. Late at night, or early in the morning, Hon. J. B. Huntington, of the Burns land office, heard labored breathing in Cain's room. Calling he received no response, and finally the door was broken open. Cain was found unconscious, and upon examination it was found that he had taken all the capsules and considerable of the loose opium. Everything possible was done for him, but to no avail and he died the next morning. While this might have been a case of an overdose of the drug, our informant states that in the opinion of the Burns people, Cain took some with suicidal intent. He left nothing, however, to indicate the reason of his sudden taking off. He is reported to have a wife and family in Portland with whom he has not lived for some time. He was a pleasant mannered man, rather dignified, which gained for him in Heppner the cognomen of "Vanderbilt".

**WOODALL-HALL MARRIAGE.**—Last Saturday evening the marriage of Mr. E. O. Woodall and Mrs. Nellie Hall was solemnized in the presence of near relatives at the residence of the bride in this city. Both of the contracting parties have been residents of this city for years and are well liked and highly respected by all. The Eagle joins their host of friends in wishing them a long and happy life.—Eagle.

**HAYS BROS. CLOSED.**—On Tuesday Hays Bros., harness makers and saddlers, were attached by Henry Heppner for \$460. This will probably be followed by like action on the part of their creditors below, and, of course, will result in an assignment. Hays Bros. are well liked by all, being men of strict integrity and worth of character. They have resided for years in this section, and this community deeply sympathizes with them, hoping that some settlement may be effected that will prevent them much loss of hard-earned money.

**INDICTED IN CROOK COUNTY.**—Sheriff Booth, of Prineville came over in Grant county last week and arrested two of our best known stockmen on indictments returned by the grand jury in session at Prineville at present. Each of these two gentlemen will be able to clear themselves, and when the facts are fully known, nothing of a criminal nature will be found against either of them.—Eagle. The parties referred to are Bob Gimore and Emmet Cochran. Both gave bonds, and are guilty of nothing.

**CLUB DANCE.**—Last evening the Heppner Social Club gave the second of their series of dances at the Palace hotel dining room. These dances will be continued every Thursday night for some time to come.

 A Herald of the Infant Year.  
 Clip the last thirty years or more from the century, and the segment will represent the term of the unbounded popularity of Hostetter's Stomach Bitters. The opening of the year 1894 will be singularized by the appearance of a fresh Almanac of the Bitters, in which the uses, derivation and action of this world-famous medicine will be lucidly set forth. Everybody should read it. The calendar and astronomical calculations to be found in this brochure are always astonishingly accurate, and the statistics, illustrations, humor and other reading matter rich in interest and full of profit. The Hostetter's Company, of Pittsburg, Pa., publish it themselves. They employ more than thirty hands in the mechanical work, and more than eleven months in the year are consumed in its preparation. It can be obtained, without cost, of all druggists and country dealers, and is printed in English; German, French, Welsh, Norwegian, Swedish; Holland, Bohemian and Spanish.

**Attempt at Suicide.**  
 It Might Have Been Prevented.  
 [From the Boston Post.]  
 While the walks in the Public Garden were crowded yesterday afternoon about 4.30 o'clock, people near the entrance gates at the corner of Beacon and Charles streets were horrified to see a man suddenly plunge a knife repeatedly into his throat and fall to the ground.  
 While waiting for a conveyance an officer questioned the would-be suicide, who was about 50 years of age, as to his name, address, and reason for wishing to end his life, but the man steadfastly refused to give any information regarding himself. He was taken to the Massachusetts General Hospital and surgical attendance given him. Although weak from loss of blood it is probable he will recover. About 9 o'clock last night a hospital attendant got a little information from him. He said his name was Samuel D., and that he came some weeks ago from New Brunswick. The last few days his head has felt queer, and he has been wandering about the city, not knowing which way to turn. What impelled him to commit his rash act he was unable to say.  
 The above is the familiar but terrible story of the results of mental derangement caused by overstrain of the nervous system. People who have dimness, headache or back-ache, or who are troubled with melancholy or dependent feelings, are already well on the road which leads to insanity and suicide.  
 "Dr. Miles Medical Co. I cannot find language in which to express my appreciation of the great benefit I have derived from the use of your Restorative Nerve. When life became a burden I would use the Nerve to soothe my weakened nerves, and to calm my exhausted and irritable brain."  
 —Mrs. H. Brown, Rochester, N. Y.  
 Dr. Miles' Restorative Nerve has no equal in curing Nervous Diseases. It contains no opiates or dangerous drugs. Sold on a positive guarantee by all druggists and Dr. Miles Medical Co., Elkhart, Ind.
