THAT DRAMA.—Considerable objection is being raised to the drama, "In the Enemy's Camp," to be presented by local talent Monday evening. Some have gone so far as to say that it leads to anything but morality. The ladies and gentlemen who are to take part in this play feel that they have been wronged by such talk, and at their request we have given this space for explanation. This drama which is founded on incidents connected with the late unpleasantness, incidents that many of us have heard our fathers relate, is of such a character that any true American might conscientiously endorse it. It is of a patriotic nature, and its moral is a good one. It compares with the play recently presented, "Ten Nights in a Barroom," or "The Last Leaf" which the W. C. T. U. have planned to have presented in the near future. However, the participants in this drama are inclined to think that those who have been so loud in condemning the play are not acquainted with its morals and teachings. The play recently presented, was endorsed by practically every one in Heppner. It taught temperance, while the present one teaches patriotism, that principle upon which the existence of any government depends. Now we might go on with two or three columns of argument in favor of this drama, but purchase your ticket early, get a good seat and see the play for yourself.

REPUBLICAN CLUB ORGANIZED.—At the court house at 1 o'clock last Wednesday afternoon, pursuant to call, quite a number of republicans from various parts of the county assembled and organized the "Republican Club of Morrow Co." A. W. Patterson was elected president; T. W. Ayers, Jr., Vice Pres.; Jay W. Shipley, Sec'y; Frank Gilliam, Treas. The executive committee are T. R. Howard, Frank Gilliam and Otis Patterson, with the president and vice president ex-officio members. The county organizer is E. A. Brundage, with J. W. Vaughan, assistant. An organization committee of one from each precinct will be selected at the next regular meeting, Saturday, Feb. 24, at 1 o'clock p. m. The object is to establish minor clubs in every precinct in Morrow county, and membership in the county club does not preclude membership in one precinct club. Considerable enthusiasm was shown at the Wednesday gathering, and ere another week numerous precinct clubs will be in existence in the county. The republicans organize at Liberty school house next Saturday night.

AN ACCIDENT.—S. Waldman, representing Neustadter Bros., of Portland, was in the city over Tuesday night. S. Waldman is a brother of their representative of several years past, E. Waldman, who has many acquaintances here. From Mr. Waldman we learn that his brother is now a cripple down at 'Frisco having dislocated his ankle by slipping off a step while coming down stairs.

He met with this accident about the middle of January, but as yet is unable to get around without the assistance of crutches. We are sorry to learn of this accident to Mr. Waldman, and hope that he may soon be able to be on duty again.

TEACHERS' EXAMINATION.—Teachers' examination is now in progress at the recorder's office under the supervision of Supt. Salig. The following are the applicants: Misses Edith Wilcox, Olive Logan, Jennie Kincaid and Martha Neville, Mrs. N. P. Deane and Messrs. J. W. Hinton, John Hornor, Spencer Akers, W. P. Snyder and T. E. Miller. The examination will close this evening.

WELL SAID.—There is more joy in this office over one sinner who pays in advance and abuses the editor on every occasion, than over ninety and nine who borrow the paper, and sing its praise without contributing a cent to keep it out of the poor-house. Blessed are the meek, for they shall inherit the earth, and obtain material for fencing it in, on time, and without security.

LAND FOR SALE.—480 acres over in Wilson prairie. A good stock ranch and will be sold cheap. Call at Gazette office for particulars and terms. 4-1.

Saved Our Boy A Clergyman's Statement

Constitutional Scrofula Entirely Cured.

C. I. Hood & Co., Lowell, Mass.: "I desire to state that my son, Richard Fate, has done for us, I will say that 4 years ago we had a beautiful boy born to us. When about six months old he took a sore throat. Everything that was known as usual remedies in such cases was used. I had two doctors but all to no benefit. At the age of 15 months he breathed his last. Thus we laid our darling child in the grave. On Aug. 4, 1891, another boy was born unto us. At the age of two months he became afflicted with the same disease. I believed the boy's trouble was constitutional, and not common sore throat. I procured a bottle of Hood's Sarsaparilla and commenced to give it regularly to both mother and baby, and occasionally washed his mouth with a syringe of brook break rock. Improvement began at once. We have succeeded in eradicating the scrofulous blood from the system and to-day we are blessed with a nice, fat baby boy, eighteen months old. He is the very picture of health, all life and full of mischief—thanks to Hood's Sarsaparilla. I am a minister in the Methodist Protestant church. I am here to back what I say and I am in no way interested in any profit in the matter, except it affords me much pleasure to recommend Hood's Sarsaparilla to all who are afflicted with the same disease. Hood's Pills cure Constipation by restoring the peristaltic action of the alimentary canal.

QUESTIONS FOR FARMERS. Wheat and Wool-growers Invited to Make Replies Thereto.

The committee of finances of the United States senate has sent out a number of circular letters addressed to merchants, agriculturists, manufacturers, etc. The following are the contents of the letter addressed to agriculturists. Readers of this paper are invited to make replies to the questions propounded therein:

CIRCULAR OF INQUIRY. COMMITTEE ON FINANCE, UNITED STATES SENATE, WASHINGTON, D. C. Dec. 20, 1893.

MY DEAR SIR: In former years when the question of the tariff was uppermost in the consideration of the people, circular letters were addressed to merchants, importers and others, making inquiries as to the character and amount of their business, prices and wages paid, rates of import duties, etc. This was notably the case in 1845, under the direction of Secretary Walker; in 1882, through the tariff commission; and in 1885, under the direction of Secretary Manning.

The replies to such interrogatories furnish valuable statistics and other data and materially aid in legislating upon the subject of customs duties. With a view to securing such information, the committee on finance submit to you the following questions, which they trust you will formulate replies to, adding such general or special matter as you may be possessed of, and which, in your judgment, will be of value to the committee:

1. What is the character of your product?

2. Do similar foreign products compete with yours?

3. What would be the effect upon your product of a reduction of duty on imports of all kinds?

4. Have the wages which you pay for labor increased or decreased within the past two years?

5. To what extent does your state export agricultural products?

6. What competition does such export meet abroad?

7. To what extent, in your opinion, are the prices and product of your products affected by the manufacturing industries of your state?

8. Have your living expenses increased or decreased during the past four years?

9. Please give your views on the proposition to restore sugar to the dutiable list.

10. Do the present duties benefit, in any respect, people engaged in growing agricultural products and staples; and, if not, how can they be so modified as to produce the result?

11. State, generally, anything which you believe would be useful to the committee preparing tariff legislation.

The committee are desirous that your reply shall give a full expression of your views, and not be restricted to merely answering the question categorically. At the same time it is desired that your answers shall be confined to your own business and stated concisely. Publicity will not be given to names or publication of business if you so desire.

Very respectfully, D. W. YORRIS, Chairman. Address all communications to Hon. J. W. Voorhees, Chairman Finance Committee, U. S. Senate, Washington, D. C.

OTIS PATTERSON NOTARY PUBLIC CALL AT OFFICE

STRICKEN DEAD. TRUSTWORTHY STATEMENTS. A recent New York dispatch reads: "James C. H., a fine looking and apparently healthy man, was observed to stagger while walking on Fifth Avenue this afternoon, and after taking one or two uncertain steps fell to the sidewalk. When picked up he was dead. A physician examined the body and pronounced heart disease the cause of death. A peculiarly sad feature of the case is that Mr. H. was on his way to Maine, to settle in the home of his boyhood. He had passed the previous ten years in the western mining country, and had amassed a fortune. IF YOU have any of the symptoms given in the following testimonials you should lose no time in seeking relief.

From John L. Roberts, Stratford, Pa.: "I had suffered with palpitation, irregular pulse, fainting and mothering spells, pain in shoulders, side, and arms for forty years. For twelve years have been treated without avail by prominent physicians in my neighborhood and in New York. Growing constantly worse, another spell followed one another, so my life was often in danger and I needed constant care. As my son had been cured by Dr. Miles' New Heart Cure, he sent me three bottles. The first dose gave me instant relief. Before using the last bottle I was completely cured. Although seventy-five years old I feel twenty years younger. I can say with confidence that it is almost a miracle.

Here is a letter from Mrs. John Kolges, of Cleveland, O.: "I had been troubled with my heart and stomach for years, but for six months had been confined to my bed. I had four of the best doctors in the city, but none of them could benefit the weakness of my heart. I also had dropsy and rheumatism. I never took medicine that relieved me at once as Dr. Miles' New Heart Cure does. I am much stronger. My appetite is splendid. I gain strength with every dose. I have gained more in six weeks from your treatment than in sixteen months from all the doctors."

"Dr. Miles' New Cure for the Heart is sold on a full guarantee by all druggists. It is safe, effective, agreeable, and does cure." Dr. Miles Medical Co., Elkhart, Ind.
