THE WOOL GROWERS ORGANIZE. - Pursuant to call a number of the woolgrowers of this county met at the court house Saturday afternoon for the purpose of discussing the advisability of organizing a woolgrower's association of Morrow county. The meeting was called to order by O. E. Farus vorch, who was chosen temporary chairman with A. W. Patterson as temporary secretary. Mr. Farasworth stated the object of the meeting which brought forth a free-forall discussion in which the herders and shearers took a prominent part. Geo. Smith defended the interests of the former, winte Ted Minard and others stood out boldly for the latter element.

The by-laws of a similar organization over in Umatilla county were read and after a few appropriate changes were un-phimonsly adopted and signed by 24 would come of, taking the hair with it. About of those present at a short recess which was declared for that purpose, O. E. Farnsworth and W. P. Dutton were Farnsworth and W. P. MEN WITH LONG HAIR. How Warriors of Olden Times Dresses.

St. Paul head Adornment
St. Paul heal that it was a shame to a
man to wear his hair long, and so he tells
the Corinthnans in his first epistle to them
On the other hand, Huychius, patriarch of
Jerusalem A D. 600, declared the outward,
visible signs of manly perfection to consist
in an ample beard and in hair flowing down
the shoulders. In remote ages the Persians, who now have their heads shaven
wore long hair. Barius had a most luveri Their Head Adornment wore long hair. Darius had a most luxuri-ant poll, and Alexander, who conquered him, probably paid few visits to the hair cutter's in the course of his life. Al cibiades and his cique of roues introduced the effeminate fashion of hair into Greece. Before their time the Athenians were roundheads, and it is fair to presume that

Aristides the Just, who did not pride him self above measure on his devotion to the graces, sported a good crop of bristles and ignored a comb. Herodotus relates that in token of moura ing the Persians were wont to cut off not only their own hair but the manes of their horses. The same historian tells that the Ayrians, being defeated by the Lacedemo-nians, made a sacrifice of their locks, and

as they had not reconquered Thyre.

At Sparta, Lycurgus had decreed the wearing of long hair; but this law, to which Plutarch alludes, was never much obeyed. The Spartans, when they attained their six-LAND FOR SALE.—480 acres over in Wilson prairie. A good stock ranch an burned their hair upon the altar of other Diana or Mars. The fact is, all the baroarians who used to come from across and the Greeks had no wish to resemble them, says the Boston Traveller. Our prim-Reports have it that Dallas Dampm in has had another trace of shorter duration than the o c of a few days ago.

The Gezette effice now runs as instrace and notarial shop. Come in when you want to do your insuring and swearing.

GOOD SLEEPERS. Indifference of the Turks to Noethern

The author of "Bulgaria Before il War" says that the Turks devote sleep any spare half-hour that me appear to be at thrie discount, and his correction would be in the land of dreams with ten minutes, while he bay wide aw

It has often struck and with aster-late ment to see the little respect anyone in Turkey pays to cleep. When I have been staying in the villages I have often heard a member of the family get up, and after searchine about among his sleeping companion, area of them all to ask where his follows was, or upon some equally slight exense.

A lad of sighteen would thus walke up his father, a man of sixty, perhaps two or three times in the dight, and yet there would never be an augry word of remonstrance; and when I have snapped savagely at some one for walking into my room and over my body in the mid-dle of the night, my snappishuess has

caused the greatest astonishment.

Many times I have turned in with naives in the same room with me, and though I was generally tired and my companions not, yet I think I may say I was invariably the last to close my

THE THE TELEVOS. One of the Stars and Stars and Stars and Stars and Stars

The existence of the Sound or Phillips slands in the Paethe Sount, which the been mosted amony mariners for year and finally discredited, has just been conflicmed by the captain of the British shine Lack Eck and Swanhilde, and the little group is likely to be replaced on the marine charts. The maritime exchange of this city has just got possession of all the facts, says the Phila delphin Percent.

Capt. Pettendrigh, master of the Brit ish ship Lock Eck, which cleaved this port in September last for Hiego Japan, signified the latends in Intitude 306 north and louritude 100:20. In the South Pacific ocean, and reported the facts of his discovery; a the beneath by drographic office in the exchange in this city. He reported the changle to be three in number and to from a range in the path of vessels place to China and Japan, canning in a southensteric direction for six or seven in les, being connected by hierstying rocks. It is be lieved that the third bland is of recent formation, having come to the surface of the water within the last six months.

and the entire group within the last It is thought they were of volcanic origin, but a subsequent vessel, the British ship Swanhilde, not only confirmed the position of the islands, but also found them inhabited. Capt. Merkie, of this vessel, fully confirmed the Lock Eck report.

The party numbered thirty, and all were naked, but for dried leaves around their waists. Nearly every man was tattooed in bright red colors, entirely different from the manner of tattooing in the United States. One of them, who appeared to be a chief, was marked with an American flag, the stars reach-

ed attention.
