Echo stage leaves Heppner for Echo Tuesday, Thursdays and Saturdays. Arrives Mondays, Wednesdays and Fridays. Fare, one way, \$2.50. Phill Cohn, agent, A. Andrews, Prop.

Our force in the office is small, owing to prevailing hard times, hence do not expect too much from us. We are "scrapping for breath" like all good citizens, and must economize. Lost—A note dated June 12, 1892, signed by G. W. Swagart, calling for \$2,000, in favor of P. C. Thompson. The public are warned against negotiating for or purchasing said note.

SHEEPSHARERS ORGANIZED.—As per call a number of sheepsharers met at the recorder's office last Saturday afternoon at 2 p. m., and were called to order by Walt Richardson as temporary chairman, with A. W. Patterson as temporary secretary. After considerable discussion an organization to be known as the Association of Sheepsharers of Morrow county was perfected. Appropriate by-laws which had been previously arranged were adopted by the body to which 26 signed their names as members. The following were selected as permanent officers: Walt Richardson, Pres.; Frank Roberts, Vice Pres.; J. C. Wattenburger, Sec.; W. J. Brown, Treas. A committee of three were appointed to investigate and report the price for shearing to be adopted by the body, said committee to report next Saturday. Considerable interest was manifested by all present.

JOHN DAY RAGING.—Word comes over that the North Fork of the John Day is raging, being out of its banks and rendering it impossible to cross at ferries. At Monument, the water has flooded the stage barn and also stable of Fry Wilson, being up to the doorstep of latter's residence. The ferry cable has broken loose on the north side, and the ferry boat is laying over on the other bank near P. Curis'. Down at the Clear ranch, the river is reported to be two miles wide, and the ferry is anchored out to a fence in a hay field. One of the approaches to the bridge near the mouth of the river it is reported to be gone, and altogether the river is on considerable of a rampage. No mail has been received from the interior beyond Monument for several days.

SHEEPSHARERS IN UMATILLA.—W. A. McCarty, formerly of Echo, but now of Pilot Rock, will organize at Pilot Rock, Saturday, April 7th, at 8 p. m., a sheepsharers' union for Umatilla county. The constitution and by-laws adopted by the Morrow county union at Heppner, will be the basis of the proposed Umatilla county union. The organization is to be a permanent one. The purpose is to secure regular and fair prices for sheep-shearing. It is expected that about 100 members of the Union will be obtained in the two counties of Morrow and Umatilla. All persons interested in shearing are earnestly requested to be present at the time and place above mentioned to assist in effecting an organization.—Alliance Herald.

SUDDEN DEATH.—Last Saturday, "Uncle" Ed. Saling, as he is known by all, died suddenly of heart disease, aged 67 years. Deceased had been in Heppner that day on business, and was in Minor & Co.'s store where he said he felt as well as usual. Returning home that evening, he was suddenly taken ill and expired about 7 o'clock, p. m. Mr. Saling was universally esteemed, and in his demise, Morrow county loses one of her best citizens. He leaves a wife and a number of children, nearly all of whom are grown. He is also the step-father of Messrs. Mill and Sam Morgan, of Sand Hollow.

PRECINCT CLUB MEETING.—Last Saturday evening the Heppner Republican Club, composed of republicans from the precincts of Heppner, Mt. Vernon and Gentry, met at the court house and were greeted with numerous visitors. Chairman Brown presided and though no "set" program had been provided, several members occupied the time in appropriate remarks on republicanism. Two weeks from that date this club will meet at the court house or opera house, as may hereafter be decided. A splendid program will be provided for the occasion. Come out all.

WHAT GALL.—J. C. Leasure is home again, after a week in Portland and other points. He attended several republican club meetings, several conferences of politicians, visited Astoria, and said this morning: "I came home because the thing was getting so unanimous I was afraid there would be no contest made in the convention. There would be no fun in that heap, fun, big fight, so I thought I would come home and rest on my oars, while the other fellows hustled up enough votes to inject a little vinegar into the convention deliberations."—E. O. Borden's.

SUPPOSED TO BE DROWNED.—Word comes over from the John Day country that the mail carrier, J. S. Delevan, came up missing on Beech creek. The horse and mail were found in good condition. It is feared that Delevan in crossing Beech creek has been washed from his horse and drowned. No late news has been received, and we hope that the report is unfounded.

MORROW CO. CLUB.—The republican Club of Morrow county will meet at the opera house next Saturday evening, and as a program has been gotten up for the occasion, we expect a large turnout and a good time. It should be borne in mind that all republicans over the age of 18 years are eligible to membership. Come in and get your name down on the list.

A DELICATE OPERATION.—Saturday last, Drs. Geisendorfer, of Arlington, and McSwords, of this place, performed a very delicate operation on Mrs. Wm. Warren, removing a tumor more than twice the size of a man's fist, and weighing several pounds. Mrs. Warren is doing nicely, and all bids fair for her early recovery.

SHOEMAKER.—Ed. Birbeck, a shoemaker and repairer of many years' experience, has just located in the Abraham's building, on May street, where he is prepared to do everything in his line. Mr. Birbeck is strictly a first-class workman and warrants all work. Give him a call.

We have also given it to the children for impure blood and ringworms with very good results."

LEXINGTON ITEMS.

The inhabitants of our little village were startled by a terrific racket in town last Monday eve, and fears were expressed that the "Mighty Lion" had emerged from his lair to roar again, but investigation disclosed the fact that it was only Mr. Willis electioneering. Ask him about it.

It is reported that Jess Lienallen, the populist candidate for constable, has gone to Gilliam county canvassing for votes, while Boon offers free vegetables to all who will support him. Many farmers are poisoning squirrels. They kill lots of them but say there seems to be more left than ever. The county should furnish free poison, as we are too "dog-gasted" poor to buy it.

Grass is very good and wheat looks better than ever before known at this season of the year, and only for the pesky squirrels we would feel sure of a good crop. If our candidate for representative ever gets hold of the editor of the Record he will not think him so decrepit, and probably would not have time to enquire as to his learning.

Copies of the Arlington Record are being distributed with a long account of the miraculous cure of the "drunken old soldier." Rate! If he had kept his subject with him all the time instead of those seven days he (the subject) perhaps would not have made so many bad breaks. We would give a bit to hear the writer of that yarn read it to a Lexington congregation. That dodge is played out, Elder. Try something new.

We read Bro. Briggs' advertisement to the demi monde as to where they would find a home and think it very kind of him, too. Still there is no necessity for abusing Rex so continually. The object in referring to the matter was not to pull down or discourage the work of any one, for that is noble work, but to show the vain conceit of those who boastingly proclaimed their share of the business. Does not the Good Book say "let not the right know what the left doeth"? We were not aware that Bro. B. had also been sold out by old Rex. We sympathize with you, kind friend, that your God should turn out so badly and would advise you to worship the True and Only, and not be running around after side issues.

By the way, we notice a direct contradiction, from the party mostly interested in the last Gazette to one of "Glory Munday's" "Six Trausit" statements, but, perhaps Mr. Briggs knows more about the correspondent's business than she does herself. Don't worry about Rex' morals, brother, for although he has not put himself to the task of reforming the demi monde, he is accustomed to associate with as respectable people as you ever did, and while he reforms, perhaps you will cultivate charity a little more; and I might say, truth as well.

Abrabamsick, My street, Heppner, Or.

"What's in a name?" Well, that depends. For instance, the name of "Ayer's" is sufficient guarantee that Ayer's Sarsaparilla is a genuine, scientific blood-purifier, and not a sham, like so much that goes by the name of "sarsaparilla." Ayer's Sarsaparilla is the standard.

RHODE ISLAND'S NAME.

Various theories that have been advanced for its Origin. Several explanations are given of the manner in which Rhode Island acquired a name. One supposition is that from the abundance of cranberries found in the marshes of this province it was called by the Dutch Roodt Eylant. Others suppose that the original name was Ruel de Eglant (the red island), from the fact that some clay banks at certain points along the coast gave it a reddish tinge. It is most likely, however, that it was named from the Island of Rhodes in the Mediterranean, says the St. Louis Globe-Democrat, and this supposition is strengthened by the discovery of the fact that on January 13, 1644, the general court of elections passed an ordinance reading as follows: "It is ordained by this court that the Island commonly called Aquethneck shall be from henceforth called the Island of Rhodes, or Rhode Island." Aquethneck was the Indian name, and it is probable that some older and ends of learning among the colonists induced them to select this classical name.
