TIME TABLE.

Stage for Hardman, Monument, Long Creek, John Day and Canyon City, leaves as follows: Every day at 6 a. m., except Sunday.

Here and There.

J. A. Steach came in from Long Creek Saturday. Arthur Smith will clean watches at the reduced price of \$1.

Hon. J. N. Brown returned from below on Saturday morning's train. Hood's Pills became the favorite article with every one who tries them.

W. A. Johnston is over in the John Day country this week on business. The Heppner-Canyon stage line is the best, cheapest and quickest to the interior.

Mr. and Mrs. Felix Johnson were in from the Butler creek section Saturday last. The people's party matter in last issue was, by mistake, put in the wrong column.

Stolen—Two fine dogs from my home in Heppner. Please return to A. Abrahamnick. 20-31. Miss Ellen Crabtree spent Sunday at the home of her parents on Clark's Canyon.

If you want a good gun or sewing machine, come to the Gazette office and we'll fit you out. Last Sunday, near A. J. Breeding's place, Rev. Bramblet baptized two converts of Baptist faith.

Those that have county scrip for sale should call on George Conser at the First National Bank, 2-41. The Gazette will be sent to any address in the United States till after campaign for 50 cents.

Legal blanks, plenty of them, at the Gazette office, and at world's prices. Discounts on large orders. The Geo. Hayes horses were sold at sheriff's sale Saturday last, bringing prices from six-bits to \$40.

Bob Foster came in with Sam Palmer, the sheepherder, a few days ago. Bob is an old Morrow county man. Green Mathews has opened up his barber shop, next door to Hayes Bros Shaves, etc., on top as usual.

Every man who takes any interest in fast stock should subscribe for The Horseman. Gazette office, agents. O. L. Patterson, E. N. Crockett and J. J. Patterson, of Long Creek, are visiting the Midwinter Fair this week.

The Gazette will take county scrip at face on subscription, and pay balance of some in cash at highest market price. 7-60. The Gazette office now runs an insurance and notarial shop. Come in when you want to do your insuring and swearing.

D. C. Ely arrived Saturday from Washington to be in attendance at the bedside of his brother, J. B. Ely, but failed to arrive in time to see him alive. Last Sunday five converts to the Christian church were baptized in Willow creek by Elder Barnaby. Also one yesterday at the same place by the same minister.

Bob Withlin, an old Grant county boy, is out at Andy Thilard's and this summer will attend sheepmen. Bob has been shipping horses for the past four years. Echo stage leaves Heppner for Echo Tuesdays, Thursdays and Saturdays. Arrives Mondays, Wednesdays and Fridays. Fare, one way, \$2.50. Phil Cohn, agent, A. Andrews, Prop.

J. C. Dodson writes from Joseph, Oregon, that stock of all kinds have come through well over there, with the exception of horses. Among these some loss was experienced. Lost—A note dated June 12, 1892, signed by G. W. Swagart, calling for \$2,000, in favor of P. C. Thompson. The public is warned against negotiating for or purchasing said note. Wm. Hughes and Perry Snyder went down to Astoria Friday last to be in attendance at the state democratic convention. They represent the four delegates allowed from this county.

John English, of Danville, Ill., an old Heppnerite, spent the past week in this section, leaving last evening for home, via the Trail Creek mines in British Columbia. He expects to return West again. Bishop Morris is expected here tomorrow morning, and tomorrow evening at the M. E. church, South, will hold services. He will be assisted by Rev. W. E. Potwine who arrived from Peardon this morning.

Dee Conser was seen by our reporter down at Portland recently, and he says he is getting along very well. His Heppner friends would hardly know him as the small boy that used to live at Heppner with his uncle, Geo. Conser. Gid Hart has now established a tonorial parlor, at the Matlock building next door to Simon's blacksmith shop where he invites the patronage of his old customers and all who desire strictly first class work, shaving, shampooing and hair-cutting at living prices. Don't overlook Elder Barnaby will preach on the subject, "The Resurrected Body," at the opera house tonight. He has been greeted with large audiences the past week and interest in the meeting has been good, many being added to the church. All are invited to come and hear the subject tonight and will be made welcome.

The regular subscription price of the Semi-Weekly Gazette is \$2.50 and the regular price of the Weekly Oregonian is \$1.50. Any one subscribing for the Gazette and paying for one year in advance can get both the Gazette and Weekly Oregonian for \$3. All old subscribers paying their subscriptions for one year in advance will be entitled to the same.

Well and Happy

L. D. Boyd was unsuccessful in securing the bridge at Godesdale recently. Mr. Boyd is an experienced man and the Kickstart people would have been properly treated had they favored Mr. Boyd with the contract.

Mr. Phil Heppner, of Arlington, was in Heppner over Sunday visiting his sister, Mrs. Henry Blackman, and family. It has been some time since Phil visited this section, and his many friends were glad to see him again.

Though absent have fed longer than usual the past winter, sheep have come out in excellent condition. Up on Balm Fork, Dick Beeman fed 55 days, but the clip will be fine. Many others send in a similar report.

The Morrow Co. delegations to the state and congressional conventions returned Friday and Saturday last, with the exception of J. W. Dawson who went up to his home at Monmouth to visit his mother.

The Gazette office has about assumed its normal condition, having secured in a political way, as many favors for its friends as could be expected in one season.

Mr. and Mrs. Frank McFarland and family arrived home from Los Angeles Saturday morning. Their many friends here welcome them.

Chronic: Mr. and Mrs. Frank McFarland, of Heppner, were in the city last evening and left on the 3 o'clock p. m. train today.

Chas. E. Jones returned from Baker City Sunday morning. Guess Charley finds Heppner not a bad place after all.

The Dallas Chronicle, Miss Dollie Gibson, of Heppner, is in the city visiting her cousin, Miss Jessie Fisher.

G. W. Dart and family have returned to John Day, after a brief sojourn in Southern Oregon for the benefit of Mr. Dart's health.

Miss Minnie and Ide Matlock returned from a short visit with Arlington friends Sunday morning.

Nervousness is from dyspepsia. Take Simmons Liver Regulator and be cured.

GIVE US ANOTHER HILL.—Dave Hill's speech in the U. S. senate recently has impressed the country that the Wilson bill will be knocked out slick and clean, and with it confidence has returned in a great measure.

This is shown by the fact that recently W. S. Brown, of Neb., bought 5,000 head of sheep in Morrow county at fair figures. Sam Palmer is here and has bought 12,000 head and wants 12,000 more. J. W. Watson, of Nevada, is also here and wants from 5,000 to 6,000 head. It is learned from reliable sources that L. L. Ormsby will come in soon to buy sheep. All in all the outlook is more encouraging, because the people have become convinced that the day of tariff tinkering is past. Under a democratic administration, no better democrat could be in the U. S. senate than Hill, and the more of that sort the better.

DEATH OF J. B. ELY.—On last Saturday morning, J. B. Ely, of Douglas departed this life at the home of Mrs. Spray, in this city, aged 68 years, 8 months and 15 days. Mr. Ely was a native of Pennsylvania, but had resided in this locality for some years, where he was highly esteemed by all. He was the leader in Sunday school work in this county, and will be sorely missed. The funeral occurred at the M. E. church, Sunday at 11 o'clock, a. m. The A. F. & A. M. and I. O. O. F., of which Mr. Ely was a respected member, attended and at the grave performed the burial ceremonies peculiar to each. The interment occurred in the Masonic cemetery in Heppner.

HEPPNER TO THE FRONT.—D. W. Kinaird, formerly of Heppner, the engineer who constructed the Heppner and Monument wagon road, and at present city engineer at Oregon City, has been nominated by the republicans for the office of surveyor of Clackamas Co. Mr. Kinaird is as well qualified for that position as any man in Oregon, and is also an experienced draughtsman. He is regarded very highly here, and we congratulate our valley brethren for their admirable selection.

LOST OR STOLEN.—All persons are hereby warned against negotiating for two certain notes, described as follows: One note dated October 5, 1893 for \$500 signed by Wm. Penland and Hugh Fields, \$100 indorsement. One note dated on or about Oct. 6, 1893 for \$150 signed by B. F. Vanghaus and E. J. Slocum, with \$51 indorsement. Both of said notes drawn in favor of Mrs. Elizabeth Walker. ELIZABETH WALKER. 4-t

LUCKY MAN.—J. W. Stewart, who lives up on Willow creek, drew the Examiner's eleventh prize, a five acre lemon tract in San Diego county Cal., worth about \$1,000. Mr. Stewart is a hard-working and deserving young man, and we congratulate him in his success.

SHOEMAKER.—Ed. Birbeck, a shoemaker and repairer of many years' experience, has just located in the Abraham-nick building, on May street, where he is prepared to do everything in his line. Mr. Birbeck is strictly a first-class workman and warrants all work. Give him a call. HWIT

OF INTEREST TO CATTLEMEN. An Eastern cattle buyer wants to buy about 400 head of one and two-year-old steers in Morrow county. He is ready to contract and will be at Heppner on Friday, April 20th and at Hardman on Saturday, April 21st to contract for same. All persons having such cattle for sale will find it to their advantage to be present on the dates named. 3-4.

Well and Happy

Thanks to Hood's Sarsaparilla—Cure Headaches—That Tired Feeling.

"One of the greatest mistakes people make is to lock the door after the horse is stolen, or in other words, to wait until they are sick in bed before they do anything for the poor body. Neither my wife nor myself were real sick; I attended to my business, and my wife to her household duties daily. But we had dull, heavy headaches, and a little over-exertion would tire us greatly, and my appetite was very poor. So we took three bottles of Hood's Sarsaparilla, and the result was perfect satisfaction. The Hood's Sarsaparilla Saved us a Severe Sickness. And a big doctor's bill. If people would only remember that an ounce of prevention is worth a pound of cure, there would be less suffering in the world. My advice to all who do not feel well is to take Hood's Sarsaparilla according to directions, and you will be well and happy." W. H. TOLICA, 16 1/2 St. San Francisco, Cal.

Hood's Sarsaparilla Cures

Hood's Pills cure all liver ills, constipation, biliousness, jaundice, sick headache, indigestion. Our better halves say they could not keep house without Chamberlain's Cough Remedy. It is used in more than half the homes in Leeds.—Sims Bros., Leeds, Iowa. This shows the esteem in which that remedy is held where it has been sold for years and is well known. Mothers have learned that there is nothing so good for colds, croup and whooping cough, that it cures these ailments quickly and permanently, and that it is pleasant and safe for children to take. 25 and 50 cent bottles for sale by Slocum-Johnson Drug Co.

A FATAL COMPARISON.

At a recent joint debate in the country the second speaker complimented the first on his powerful logic. "You remind me of Samson and the Philistines." "Indeed?" Said the first. "Yes, you stay the populist with the jawbone of an ass."

AGRICULTURAL COLLEGE NOTES.

The mechanical students have challenged the agriculturists to play a game of baseball next Saturday. It is not known whether the game will be played or not.

Mr. H. R. Clark is busy preparing bulletin number 80, which is to be issued by the agricultural department. This bulletin treats especially of potatoes and roots. Bulletin number 31, from the entomological department, is also being prepared.

By the order of Lieut. C. E. Dentler, the cadets of the college have been organized into a battalion, consisting of two companies. Company A, includes the students living at Ganhorn hall and company B those living in town. The officers have also been selected.

CORVALLIS, April 9th, 1894. It will be an agreeable surprise to persons subject to attacks of bilious colic to learn that prompt relief may be had by taking Chamberlain's Colic, Cholera and Diarrhoea Remedy. In many instances the attack may be prevented by taking this remedy as soon as the first symptoms of the disease appear. 25 and 50 cent bottles for sale by Slocum-Johnson Drug Co.

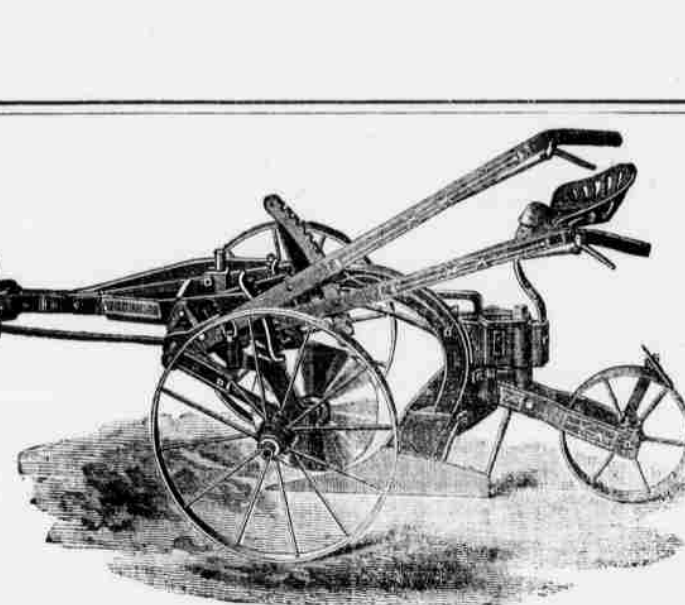

Mrs. Langshier: "Tired! Oh, so tired all the time!" Mrs. Smart: "Well, so I used to be until I began to take Ayer's Sarsaparilla as a spring medicine, and now I don't know what it is to have that tired feeling. Try it, my dear; only be sure you get Ayer's."

For distressing oppression and fullness in the stomach take Simmons Liver Regulator. If you are melancholy or down with blues you need Simmons Liver Regulator.

A New English War Ship. A remarkable fact about the Royal Sovereign, the latest and perhaps the most formidable of the English line of battle ships, is that she has been built and fully equipped for less than three years, a feat hitherto unrivaled in the history of naval architecture.

More noteworthy is the fact that the vessel was completed for £10,000 less than the original estimates. The steam, gunnery and torpedo trials of the new sea monster have been made with the most satisfactory results. With 9,700 horse power the ship made nearly 15 knots, and with 15,500 horse power 18 knots, or half a knot more than the Trafalgar, which is a smaller ship with similar engines. The Royal Sovereign attains greater speed with less expenditure of power than any of the vessels of the famous "Admiral" class, and is greatly superior in this respect to the Italian war ship Lepanto. She is, in fact, the fastest war ship of her displacement and defensive and offensive qualities in the world. She carries four 50-ton guns, 10 six-inch quick-firing guns, a number of torpedo tubes, and all other customary armament. Her value, with supplies and ammunition on board, is just about £1,000,000.
