**Deafness Cannot be Cured**  
 by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound in your ears, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.  
 We will give one hundred dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

 For governor, William Galloway of Yamhill.  
 Secretary of state, Charles Nickell of Jackson.  
 Treasurer, T. L. Davidson of Marion.  
 Supreme judge, A. S. Bennett of Wasco.  
 Attorney general, W. H. Holmes of Marion.

 Members of the board of equalization—First district, J. D. Fry of Grants Pass; third district, W. F. Gilkey of Yamhill; fourth district, R. W. Mitchell of Portland; fifth district, W. B. Adair of Astoria; seventh district, E. H. Lattollette of Prineville.  
 Joint senator for Morrow, Harney and Grant, Frank Kellogg.  
 The platform endorses Cleveland and demands free coinage to supply the demands of business.  
 A slight breeze was stirred up in the closing hour by the introduction of the following resolution: "Resolved, That we are in favor of Democrats only as candidates on the Democratic ticket, and that in case of vacancies occurring on the ticket from any cause the places made vacant shall be filled by the state central committee from the ranks of the party."  
 Those who saw that the adoption of the resolution might prevent a probable fusion with the Populists, rose up in arms against it. After some debate the resolution was laid on the table.  
 D. W. Sears of Polk county was elected chairman of the state central committee, and N. B. Davis of Portland secretary. Portland was chosen as the next place for holding the state convention, after which the convention adjourned sine die.

**AN EDIFYING SERVICE.**  
 One of the most beautiful and edifying services which it has been our privilege to attend in this city for many a month was held under the auspices of the Episcopal church, on Wednesday evening last at the Methodist church, South. Bishop Morris was present for the purpose of administering the Apostolic Rite of Confirmation to a class of nine who desired thus to identify themselves with that historical church. Of the nine candidates presented, five young ladies appeared in white costumes quite appropriate for the occasion, making a truly beautiful sight. The names of those candidates were, the Misses Elizabeth Matlock, Lena Behme, Ellen Crabtree, Julia Hart and Lucy Farnsworth. In addition to these were Mrs. O. E. Farnsworth, Mrs. Wm. Dutton, Mrs. John Elder and Mr. F. O. Bucknam. The class filled the space before the railing at that end of the church, and in the part taken both by the Bishop and the various members held the close attention and interest of the large congregation. The act of confirmation by the Bishop was followed by a brief address to the class. The words of fatherly counsel and encouragement will not soon be forgotten by those who were present. The service of confirmation was preceded by the baptism of three adults, namely, Mrs. Belle M. Taylor, Miss Letha A. Matlock, and Miss Daisy G. Clark. The Bishop's sermon was an earnest appeal to all persons who had not accepted the terms of membership in the Kingdom of God to lose no opportunity to do so; he was followed in his remarks by devout and respectful attention of the entire congregation. The whole service was marked with a hearty spirit of reverence and devotion, and was thoroughly enjoyed. The Bishop was assisted by the Rev. Mr. Potwine, of Pendleton, who will maintain the work in the future as heretofore. The work of this church is worthy of the cordial support of our citizens, and the hearty sympathy of all Christian people. The visiting clergy left on the evening train, the Bishop to keep other appointments in the Valley, and Mr. Potwine to keep another in La Grande.

 "Several of us old veterans here are using Dr. Miles' Restorative Nervine, Heart Cure and Nerve and Liver Pills, all of them giving splendid satisfaction. In fact, we have never used remedies that compare with them. We have none but words of praise for them. They are the outgrowth of a new principle in medicine, and tone up the system wonderfully.
