Man's Inhumanity to Himself.

The most inhuman outrages which The most inhuman outrages which would disgrace the savage, man perpetrates upon his own system by swallowing drastic purgatives which convulse his stomach, agonize his intestines and weaken his system. Many people constantly do this under the impression that medicaments only which are violent in their action, and particularly cathartics, are of any avail. Irreparable injury to health is wrought under this mistaken ides. The larative which most nearly approaches the beneficent action of nature is Hostetter's Stomach Bitters, which is painless but thorough.
