Stolen Horses.—Last week Luke

Mithorn, an Indian policeman, and his son, Albert J. Mithorn, who had just returned from Caliste Indian school, Penn., came over in company with other Umatillas in search of stolen horses. It was suspected that they were in the possession of some Columbia Indians who had passed through a day or so previous. Geo. Gray accompanied the Umatillas out to the camp of the Columbia, but no horses were found. Mr. Gray, however, had early last spring "spotted" the location of some horses in the Hardman neighborhood. These proved to be the missing stock, and were located as follows: Two at Henry Howell's, one at Chas. Furlong's, one at Henry Boyse's, one at Will Mallory's, one at John Hansford's, and one had been traded off to other parties. These horses were brought into that section by Billy Rook and one of the Farr boys, both now under indictment for robbing Indians and in the Portland jail. The Mithorns, who are very intelligent men, returned to Pendleton with their property Saturday.

REPUBLICAN SPEAKING.—HON. A. W.

Gowan spoke to a crowded house at Eight Mile last Friday night, and was to have spoken at Heppner on Saturday eve, but owing to the heavy rains was unable to get here. However, the club meeting on that occasion was a pleasant one, and closed with the announcement that Mr. Gowan would address the people of Heppner on last evening. Mr. Gowan arrived Sunday, and yesterday at 1:30 p. m., addressed the citizens of Lexington. On last evening the promised speech was delivered at the opera house to a large number of people, and all went away highly pleased. In fact, it was chock full of good republican principles, and the impression that Mr. Gowan made on his hearers won him many votes. It will be remembered that Mr. Gowan seconded Mr. Ellis' nomination at the state convention, on behalf of Grant and Harney counties, and his telling speech did much toward securing the re-nomination of that gentleman.

GRADUATING EXERCISES.—Last Friday

evening quite a number of Heppner's people gathered at the opera house to hear the commencement exercises of the graduating class of 1894, Heppner High School. While it deserves more than passing notice, lack of time prevents anything further than a general mention of the occasion. The graduates all surprised their friends in both the manner in which they handled their respective subjects, and also in the delivery of same. The music was excellent, and the whole so successful that nothing but credit is reflected upon the teachers and pupils. The affair closed with a collation at the Palace hotel given by the faculty, directors and a few friends were invited. The work of our school grows better year by year, and the money spent in that direction is well invested.

HIGH WATER.—Sunday Willow creek

was badly swollen by the rains of last week and in many places left the banks, invading hitherto unknown quarters. Up at Jas. Hager's, it swept over into the pasture on the lower part of his place, not doing much damage however. But in crossing the stream on horseback in order to get some cattle out of danger, Mr. Hager had to submit to a wetting, and had it not been for the faithfulness of his horse, would have been drowned. He hung to the saddle and finally landed on terra firma in fairly good shape. In Heppner, Fred Kruf's garden was inundated and entirely ruined. Other damage resulting from the high water is reported, but the Gazette has not ascertained the amount done, if any. However, Willow creek was higher Sunday than for ten years past.

E. church, Sunday, May 27, and Decoration Day exercises Wednesday, May 30, at the opera house.

Money Spent Economically.

Money economically spent is not always judiciously spent. Why? Simply because a cheap article often requires more money spent on it to keep it in repair than it would cost to purchase the best. We manufacture nothing but the best gas and gasoline engines in the market, and genuine prove it. Send for catalogue. FALMER & BRY TYPE FOUNDRY, Front & Alder Sts., Portland, Or.
