Here and There.

Born—to the wife of Geo. Shink, on the 22d inst., in Clarks canyon, a 10 lb. boy.
Hood's Pills are purely vegetable, carefully prepared from the best ingredients.
The young men of our town have decided not to play "In the Enemy's Camp."
Miss May Sawyer was in Heppner Saturday last, calling on the Gazette office.
Miss Jennie Noble, of Heppner, daughter of Miss Myra Smith—Monmouth Paper.

Saturday and Monday the town was well filled by people from outlying precincts.
Rev. J. M. Bramblet came in from Lone Rock Monday to hear Gov. Penney's speech.
Photographs \$1.50 per dozen at Shepard's gallery, near opera house, north Main St., Heppner, Ore. 26ff.
Green Matthews has opened up his barber shop, next door to Hayes Bros. Shaves, etc., on tap as usual.
Charles Johnson came in Monday from Hardman. He drove his sheep over and sheared near the market.
Ben Parker, regardless of poor health, came in twenty-five miles to hear R. G. Horr talk on Tuesday of the day.
It is reported that a waterspout Saturday last washed out the bridges on Rhea creek above Dave Leatherman's.
Johnny Herberger, Mrs. J. Solinger, and Mr. Trip arrived from Los Angeles Sunday, leaving for Los Angeles Monday.
Mr. A. A. Jayne, candidate for prosecuting attorney on the republican ticket, left for home Saturday evening. Mrs. Jayne and children remained to visit relatives.
I. E. Estab reports some mustard in his section, which will interfere with volunteer and spring grain. The earth worms worked on spring grain considerably early in the season.
Echo stage leaves Heppner for Echo Tuesdays, Thursdays and Saturdays. Arrives Mondays, Wednesdays and Fridays. Fare, one way, \$2.50. Phil Collins, agent, A. Andrews, Prop.

The Gazette acknowledges a very pleasant call from W. P. French, of Lone, yesterday afternoon. We also noticed that Mr. French drove a very fine team of match blacks.
A. W. Gowan has returned to Grant county. He impressed all here with being a very pleasant, affable gentleman, and as he is a professional, we are sure that he will carry Morrow county.
Mrs. W. G. Sweeter and Mrs. J. H. Carmichael made the Gazette office a pleasant call Saturday last. We are also thankful to Mrs. Carmichael for a beautiful bouquet, grown in her garden north of Lexington.
Saturday and Monday Heppner was treated to politics a galore, and today democracy has turned loose, and again chin-music fills the air. (We take back the last statement, the democratic speakers not arriving.)
We learn that G. W. Junkin, of Eight Mile, who was kicked two weeks ago by a horse, is fast improving. The injury was in the nature of a compound fracture below the knee. We hope soon to hear of his being out again.
The populists have been holding meetings in the county, and will continue till near election. The Gazette hears that they have become imbued with the idea that they will elect the whole ticket. Delirious hope!

Eagle: Hon. Frank Kellogg passed through Lone Creek Thursday of last week en route to Harney county, where as a candidate for joint auditor he will interview the people. He will speak in Lone Creek next Thursday afternoon.
Hon. A. A. Jayne, republican candidate for district attorney, was with us during the week. He made many friends while here, and is now assured that those who heard him speak will do him a handsome favor next June.—Princeton News.
Sunken eyes, a pallid complexion, and disfiguring eruptions, indicate that there is something wrong within. Expel the lurking foe to health by purifying the blood with Ayer's Sarsaparilla. Cures erysipelas, eczema, salt rheum, pimples and blotches.
The Gazette office acknowledges a call from Gov. Penney and Rev. Waldrop. Both are very pleasant gentlemen indeed. We regret, however, that they are spending their time and money in chasing a theory which as they advocate it, can never be put into practice.
A lady at Tooleys, La., was very sick with bilious colic when M. C. Tierser, a prominent merchant of the town, gave her a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. Her case was well in forty minutes after taking the first dose. For sale by Slocum-Johnson Drug Co.
Dr. S. F. Scott, Blue Ridge, Harrison Co., Mo., says: "For whooping cough, Chamberlain's Cough Remedy is excellent." By using it freely the disease is deprived of all dangerous consequences. There is no danger in giving the Remedy to babies, as it contains nothing injurious. 50 cent bottles for sale by Slocum-Johnson Drug Co.
The regular subscription price of the Semi-Weekly is \$2.50 and the regular price of the Weekly Oregonian is \$1.50. Any one subscribing for the Gazette and paying for one year in advance can get both the Gazette and Weekly Oregonian for \$3. All old subscribers paying their subscriptions for one year in advance will be entitled to the same.

Rev. Bramblet came in from Lone Rock Monday morning. He preached Sunday at Spring Valley, baptizing five candidates after the meeting. He reports that his little boy, Jewel, while riding horseback about two weeks ago had a horse fall on him and was badly injured, but no bones were broken and he is fast improving. Rev. Bramblet will leave Tuesday morning on stage for Lone Rock.

IF YOU WANT JUSTICE,
E. L. FREELAND
Will Deal It Out
Without Fear or Favor.

Ed. Birbeck was buried last evening in the Heppner cemetery just as the sun went down behind the hills. A number of Heppner people accompanied the remains to the grave where impressive services were held by Rev. Frank A. Kins.
Mrs. Tom Bradley returned from Monument Sunday. She experienced much difficulty in crossing the John Day on the return trip from Hamilton to Monument, where she had been visiting her mother and sister.
The papers of Malheur county have adopted the motto: "All campaign work this year in cash on the desk, or no go." Campaign or miss are like pie crust, as most newspapers have found out.
Instead of campaign songs yesterday at the populist speaking the audience were treated to the enlightening strains of a band-organ before and between heats.
The report that Palmer lost a lot of sheep in the John Day is vouchsafed as being true. The loss is estimated to be in the neighborhood of 1,000 head.
Miss Davis, of Santa Clara county, Calif., is visiting her uncle and aunt, Mr. and Mrs. E. G. Sloan.
B. B. Bishop, of Pendleton, is visiting his son Ed., and family.
Ask Henry Parsons, of Clarks canyon, about the Coziesites.
Ben Hunsaker left this morning for his home.
Tom Bradley is seriously ill at the City office.
D. A. Herren and family have moved to town.

EVANS AND SONTAG.—Last Saturday and Monday nights, The White Dramatic Co. produced the drama, "Evans and Sontag," to small audiences. The play, in fact, is full of good acting, and the comedy parts are fine. There has been much objection made to the play on moral grounds. Yet there is nothing immoral in it, and the lesson taught ought to be salutary, "for the way of the transgressor is hard," which is shown in the play. Any reader of the Examiner will recognize that this play is nothing more than a re-rodaction of the facts as given by that paper. The Southern Pacific R. R. a terror to all who get in its way. Two years ago political lines were made on the question of whether or not the railroad should rule, and so bitter was the feeling that a hitherto strong republican state was democratic. Evans and Sontag were never tried for robbery, and consequently were not guilty of murder for they never drew the first shot, only defending themselves when attacked by hired assassins. Their outlawry was forced upon them, the S. P. Co. being down on Evans and his friends on account of local troubles with the company. Evans championing the cause of the settlers. Anyone who remembers the injustice forced upon Hale and Kimsey, of our section, in connection with the Roslyu affair, will appreciate the fact that detectives often do injury to innocent men to further their own personal ends. Yet granting that Evans and Sontag were guilty of train-robbery, the play ought to impress any boy or man that "the straight and no row way" is the right one.

HIGH WATER.—The Columbia is now higher than ever before known in the memory of civilized man. In many places the water has inundated the Union Pacific track doing much damage. The Umatilla House at The Dalles is in danger, and First street is covered with water. Between Willows Junction and Arlington the track is covered with water in many places, and between the former place and Coyote the same condition of affairs exist. Union Pacific trains are blocked and all traffic is stopped, and as the flood is not yet at its highest, the blockade may last several days. Gov. Penney and Rev. Waldrop were compelled to walk to Arlington last evening, and it is extremely doubtful if they can get a train for several days. The democratic speakers did not arrive this morning as expected, as the West bound train could not connect at Willows Junction.

SUDDEN DEATH.—Ed. Birbeck, the May street shoemaker, died suddenly shortly after 2 o'clock Sunday afternoon. He had been on a spree for the greater part of the past three weeks, and this was doubtless the cause of his death. Friday he took sick, growing gradually worse till Sunday heart failure carried him away. Deceased was a native of England, and had been a resident of this country for about ten years. He has two married sisters near Walla Walla; also a divorced wife at that place. He leaves no property worth mentioning. Deceased was an excellent mechanic, and but for his dissipated habits would have been quite successful. His sad ending of what might have been an useful man is to the rising generation worth a dozen temperance lectures.

LEG BROKEN.—S. I. Gerking called yesterday, and reported that on the 11th inst., Mr. G. W. Junkin, while driving horses in from the range, was kicked by one, producing a compound fracture of the tibia bone of the left leg. Mr. Gerking reduced the fracture and he is getting along nicely.

NOTICE TO THE G. A. R. and W. R. C.—The members of the G. A. R. and the W. R. C. are hereby notified that the next meeting of these two organizations will be held in Heppner on Saturday, May 26th. Both will meet in the morning at 9 a. m. Instead of the afternoon as formerly on account of the public speaking at that time which many desire to attend. Memorial services will be held in the M. E. church, Sunday, May 27, and Decoration Day exercises Wednesday, May 30, at the opera house. If.

POLITICAL CARDS.
FOR JOINT SENATOR,
Frank Kellogg,
of Morrow County.

A CAMPAIGN LIE.
The latest from the front is that the lone soreheads are trying to throw dirt at me by circulating the report that Morrow and myself are working hand in hand the coming election.
Now voters, these parties know that every time they tell this that there is one more lie recorded against them. One of these gentlemen tried to get the nomination for sheriff on the democratic ticket and expected to be endorsed by the people party. The other gentleman I understand, says the reason that I claim to be a populist is for the sake of getting a nomination. Perhaps he judges me by himself, when he went independent. The report is absolutely a falsehood from beginning to end.
J. C. HAYES.

STATE OF OREGON,

I, J. C. Hayes, being first duly sworn, depose and say that I have written the foregoing statement, that my signature is attached thereto, and that the same is true.

IOWA'S CRACK BAND.
It Will Play in the Iowa Building During the World's Fair.
One of the best things Iowa will send to the world's fair is the Iowa state band. It is an organization of which Hawkeye people have reason to be proud, and they think that when the fair is over the people of the world will know that Iowa can furnish as good musical talent as can be found any place. The band is strictly a state organization. The members of it live all the way from Dubuque to Council Bluffs. The leader of the band is Frederick Phinney, a down-easter who comes from a family of musicians. It was he who organized the famous band of Lynn, Mass. His father organized the old Plymouth band years ago. This band was one of the first musical aggregations in Massachusetts and used to head the famous Standish guards which date their birth from colonial times. Mr. Phinney's ancestors were among those most conspicuous in the formation of the guards. Mr. Phinney is himself a direct descendant of Miles Standish. He came to Iowa in 1859 and commenced the organization of what is now the Iowa state band. There were then several bands in Iowa. He picked from these the best musicians, and to give him united support all the bands disbanded. The organization under Mr. Phinney's able direction has steadily grown, and now it is admitted all around to be one of the best bands in the country. The entire band of fifty pieces will play in the Iowa state building at the world's fair three, and perhaps six months. The band is maintained and supported by the people of Iowa.

If ever a man feels like "a poor worm of the dust," it is when he suffers from that tired feeling. Ayer's Sarsaparilla removes this discouraging physical condition and imparts the thrill of new life and energy to every nerve, tissue, muscle, and fiber of the whole body.
Persons who sympathize with the afflicted will rejoice with D. E. Carr, of 1235 Harrison street, Kansas City. He is an old sufferer from inflammatory rheumatism, but has not heretofore been troubled in this climate. Last winter he went up into Wisconsin, and in consequence has had another attack. "It came upon me again very acute and severe," he said. "My joints swelled and became inflamed; sore to touch or almost look at. Upon the urgent request of my mother-in-law I tried Chamberlain's Pain Balm to reduce the swelling and ease the pain, and to my surprise it did both. I have used three fifty-cent bottles and believe it to be the finest thing for rheumatism, pains and swellings extant." For sale by Slocum-Johnson Drug Co.
SYMPTOMS—Moisture; intense and stinging; most at night; worse by scratching. If allowed to continue tumors form, which often bleed and ulcerate, becoming very sore. SWAYNE'S Ointment stops the itching and bleeding, heals ulcers, and in most cases removes the tumors. At druggists, or by mail, for 50 cents. Dr. Swayne & Son, Philadelphia. aw 1 yr.
Produce \$2.50 and get the Gazette for one year. Nice family paper, and bulky to paper cabins.
To think "nothing ails you" is a symptom of dyspepsia. Take Simmons' Liver Regulator.
