A Complete Line of Groceries.

COME IN AND SEE US!

No trouble to show goods and give prices.

RESPECTFULLY YOURS,

HORNOR & WARREN.

They All Get Something.

FROM a bushel of corn, a distiller gets four gallons of whiskey, which retails at \$16.00. The government gets \$3.60; the farmer who raised the corn gets 40 cents; the railroad gets \$1.00; the manufacturer gets \$4.00; the retailer gets \$7.00; the consumer gets six months, and the policeman gets paid for running him in.

You'll get something too if you run in and see the new lines of Dress Goods we open out this week—you'll get an agreeable surprise and perhaps a dress. We have opened 15 cases of new dress materials and laces that left the other side of the fish pond only four weeks ago.

Land Patents

Land patents secured for settlers in the shortest possible time.

Contested Cases

Contested cases intelligently and skillfully handled.

Old Claims and Disputes

Old claims and disputes speedily settled.

Contests

Between individuals having conflicting claims under the agricultural land laws, and those between claimants under the Mineral Laws and agricultural land claimants; and slao between claimants under any of the public land fives and the Kaifroad companies and their grantess, and the states and their grantess, under the Swemp Land and School Land Grants.

Specialty made of securing patents in the shortest possible time for settlers who have complied with the laws under which their entries were made, and who are annoyed and worried by delays in the issue of their patents, caused by Trifling Irregularities which can be easily and speedily removed.

Advice also given in all matters relating to the public lands, especially on points arising under the new laws which have been recently passed providing for the disposal of the public domain. If you want your land patent in a burry—if you want your land business, of any character, attended to by skillful and competent attorneys, and promptly dis-
