Land Patents

Land patents secured for settlers in the shortest possible time.

Contested Cases

Contested cases intelligently and skillfully handled,

Old Claims and Disputes

Old claims and disputes speedily settled.

Contests

Between individuals having conflicting claims under the agricultural land laws, and those between claimants under the Mineral Laws and agricultural claimants; and also between claimants under any of the public land laws and the Kulroad companies and their grantees, and the states and their grantees, under the Swemp-Land and School Land Grants.

Specialty made of securing patents in the shortest possible time for settlers who have complied with the laws under which their entries were made, and who are annoyed and worried by delays in the issue of their patents, caused by Trifling Irregularities which can be easily and speedily removed.

Advice also given in all matters relating to the public lands, especially on points arising under the new laws which have been recently passed providing for the disposal of the public domain.
