Land Patents

Land patents secured for settlers in the shortest possible time.

Contested cases intelligently and skillfully handled. Old Claims and Disputes

Between individuals having conflicting claims under the agricultural land laws, and those between claimants under the Mineral Laws and agricultural claimants; and also between claimants under any of the public land laws and the Kailroad companies and their grantees, and the states and their grantees, under the Swamp-Land and School-Land Grants.

Old claims and disputes speedily settled.

Specialty made of securing patents in the shortest possible time for settlers who have complied with the laws under which their entries were made, and who are annoyed and worried by delays in the issue of their patents, caused by Trifling Irregularities which can be easily and speedily removed. Advice also given in all matters relating to the public lands, especially

points arising under the new laws which have been recently passed providing for the disposal of the public domain. If you want your land patent in a hurry—if you want your land business, of any character, attended to by skillful and competent attorneys, and promptly dis-
