Smead tries to commit the republiof a silver man against Dolph. The Gazette denies that Mr. Smead's statement is true.

Boothby was accused of being a gold-bug during the campaign, and county and advocated Dolph.

the money question, for he does with those things that we use with which to purchase money, and as a inches a yard as to say the gold standard is just and equitable.

It is evident that Mr. Smead the money question at large, and it will be interesting indeed to see the "roast" that he and his handful of followers have prepared for Rep. Boothby. Such vapid talk has just about as much weight in Morrow county as the rich mellow Balaam family.

WHAT WAS THE CAUSE!

Senator Brownell, of Clackamas county, has flopped over to Dolph. It is a well known fact that Brownell has always talked silver, favor of the "white metal" through \$20,399.69; Union, \$19,330.09. the press and orally in public, had won the reputation for himself throughout the entire state of being a loyal exponent and strong advocate of bimetalism, His friends that were will censure him bitterly for this action and will refrom Clackamas is familiarly Kincaid. known, in total disregard of the wishes of his constituents, and notwithstanding the fact that the declarations, has flopped over to cial ills. Dolphism and goldbugism. And monetary consideration which more essential. caused the senator to change his views so suddenly? Surely not, Then would it not be more plausible to surmise that his sudden papers of Umatilla county. and unexpected "flop" was caused through fear of the Dolph "machine" power in this state, and that were he to refuse to obey the follow the dictates of his own conscience, in conformity with the wishes of his constituents, they,

of free silver and his sudden change of front will lose him many friends. men of Heppner and raise the men of Heppner and raise the country tickets, Heppner to Portland To the stand the senator has taken in the past on the silver question can be attributed much of his influence and political prominence in fluence and political prominence in the state. In thus surreptitiously is an old saying and very aptly descring his friends and the cause of silver to which he was so closely allied in the interests of the people of this state, and allying himself to the first manner of the people would enjoy the immense and profitable trade that would come but the first manner of th deserting his friends and the cause applies to the question at hand. of this state, and allying himself to profitable trade that would come but when I found any that would give the "machine" staff of Dolphism, to them from the people residing me relief it would injure my stomach, and Operanian Tolo. goldbugism and Oregonian-Telegramisms, and any other "isms"
