FRENCH SOIL IN GERMANY.

Historic Spots That Did Not Go with Alsace and Lorraine.

It is not generally known that the French still retain two little pieces of German soil—one in Alsace itself and the other in Baden.

The property of the French republic in the duchy of Baden lies in the parish of Achern, which has a station on the Baden State railway.

At the beginning of the Franco-German war in 1870, a party of Baden firemen proposed to reclaim this small piece of land for the German government.

ST. NICK IN TROUBLE.

The Queer Experience of Santa Claus at Sunday School.

There was to be a "Sandy Claws" at the Boonville Baptist church for the Sunday school scholars, and elaborate preparations had been made for the event.

A certain young man who was somewhat popular on account of previous performances was selected to impersonate Santa Claus.

At the appointed moment for the arrival of Santa Claus there was a faint jingling of bells, as if in the distance.

A HATED EMPEROR.

Ill Feeling Existing Between the Chinese Ruler and His Subjects.

The Speedy Downfall of the Present Dynasty Prophetically Announced—The Country to Be Divided Into Three Kingdoms.

Reports of a serious revolt against the present Chinese government in Manchuria and the issue of proclamations by the rebels declaring that the Manchu dynasty is near its end have created a great deal of interest among the foreign colony in the treaty ports.

pretext, trumped up by the governor of Chung Chau, that the man was insane, and therefore beyond the reach of the law!

Again in the recent Sunelcu massacre of two Swedish missionaries the vicerey of Huiwan was first insolent, then forced to act, cunningly made scapegoats of some of the best native friends of the missionaries.

In any other country than China such acts would have resulted in the degradation of the guilty officials, but the vicerey of Huiwan are both in office and complacently defy their foreign critics.

It is from Huiwan, therefore, that we may expect to see the first uprising against the present dynasty.

Some statistics on the Building Stone Values of the Country.

A report on the valuation of building stones produced in the United States during 1893 has been compiled by Dr. William C. Day, special agent of the United States geological survey.
