"Our Dumb Animals," the celebrated humane paper, published at Boston is urging the newspapers of the country to advocate the passage of laws by our legislatures to compel the inspection of dead persons by competent physicians before burial, to prevent them being buried alive. Nervous

People should realize that the only true and permanent cure for their condition is to be found in having

Pure Blood

Because the health of every organ and tissue of the body depends upon the purity of the blood. The whole world knows the standard blood purifier is

Hood's Sarsaparilla

And therefore it is the only true and reliable medicine for nervous people. It makes the blood pure and healthy, and thus cures nervousness, makes the nerves firm and strong, gives sweet sleep, mental vigor, a good appetite, perfect digestion. It does all this, and cures Scrofula, Eczema, or Salt Rheum and all other blood diseases, because it

Makes Pure Blood

Results prove every word we have said. Thousands of voluntary testimonials fully establish the fact that

BANKER SENTENCED.—Richard Banker, the man who successfully swindled the A. O. U. W. out of about \$2000 by feigning death, pleaded guilty to the charge in the criminal court in Portland on Monday, and was sentenced to five years' imprisonment in the penitentiary. The commitment of Banker was deferred by order of the court until later, when the case against Mrs. Banker and Harry Hunter, accomplices to the swindle, are settled.

You need a blood-purifier. We make this assertion with confidence, because it is a fact that there is scarcely one person in ten thousand whose blood is free from humors, scrofula, acids, or some taint, either hereditary or acquired. Pimples, blotches, eruptions are not the only indications. D. bility, lack of energy, depression of spirits, loss of appetite, rheumatic pain, poor sleep, headache, dizziness, specks floating before the eyes, and many other symptoms plainly indicate the need of a thorough cleansing of the blood. The longer you delay, the more difficult will be the cure. The medicine to take is Ayer's Sarsaparilla, and the time to begin is now. Continue to take it through March, April and May, or until you feel that health and strength are fully restored, which will be when all those painful and troublesome symptoms are entirely removed. The young, the old, the middle-aged alike need the potent but benign influence of Ayer's Sarsaparilla, the best of blood medicines.

To SETTLERS.—A very important act to settlers on public lands has recently received the signature of the president. It amends section 1. of the act of March 2, 1889, by adding thereto the following provision: "That if any such settler has heretofore forfeited his or her entry for any of said reasons, such person will be permitted to make entry of not to exceed a quarter section of any public land subject to the homestead law, and to perfect title to the same, under the same conditions in every respect as if he had not made the former entry." This law will help many a worthy man to a homestead who has heretofore been debarred therefrom.

\$100 Reward \$100 The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surface of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of Testimonials. Address: Toledo, P. J.
