The protracted meeting which has been in progress at the M. E. church, South, for some weeks, closed Sunday night. Much good has resulted from the meeting and that church has been strengthened in numbers. An attempt was made at Genesee to start a creamery on the co-operative plan, but failed. The farmers would not pledge milk enough to make the venture profitable. In this the farmers err, which fact they will see later. At Eldorado, a small town in Iowa, a peculiar light about the size of a sugar barrel, is seen to arise from an adjacent hill and ascends a distance of about 100 feet and casts a brilliant light over the country for several miles around. The residents of the neighborhood are unable to explain the cause of the phenomenon.

W. O. Minor and E. G. Sperry took their departure yesterday morning for the Parrish creek and Waterman Flat sections. These gentlemen were appointed a committee by the Heppner Board of Trade a short time since to visit this neighborhood and ascertain just what was needed and what could be done, if possible, towards opening up the Parrish creek road thereby turning the trade of that locality to Heppner. These gentlemen will return shortly and put their report before the Board of Trade, when some definite action will be taken in regard to this matter by our Heppner people. Two better men for the purpose mentioned above could not have been sent out, and their duty in this regard will be faithfully performed to the best interests of all concerned. Exposure to rough weather, dampness, extreme cold, etc., is apt to bring on an attack of rheumatism or neuralgia; chapped hands and face, cracked lips and violent itching of the skin also owe their origin to cold weather. Ayers, Jr. An exchange says an Astoria man who in anger struck his 5-year-old boy, nearly killing him and putting out one of his eyes, deserves to be tied up to a stake and kicked by a mule until the fourfooted, but more respected brute is tired. Whenever we see a person afflicted with hoarseness, with a cough or cold, we invariably advise them to get Chamberlain's Cough Remedy, and when they never regret it. It always does the work and does it well." For sale by Slocum-Johnson Drug Co.

A SURPRISE DINNER.—On Friday, last, Feb. 22, Mrs. E. J. Boyer was given a surprise dinner by a number of her friends, this being the anniversary of her birthday. By a little scheming, Mrs. Boyer was persuaded to leave home on that day for a visit with a friend, thus giving an opportunity for those giving the dinner to come in and have everything in readiness for her return. At the appointed hour Mrs. Boyer was called home and was greatly surprised to find her house filled with visitors that she had not invited, and the table set with a fine dinner. Her surprise was complete, but it was most enjoyable. Those present were: Mrs. Vawter Crawford, Mrs. G. Spray, Mrs. E. G. Sloan, Mrs. P. O. Borg, Mrs. N. S. Whitestone, Mrs. Jas. Jones, Mrs. Sarah Hayes, Mrs. Joe. Hayes, Mrs. E. Minor, Mrs. H. Bush, Mrs. C. S. VanDyke, Mrs. John McCarty, Mrs. E. G. Sperry, Mrs. L. D. Boyd, Mrs. Caroline Nelson, Mrs. Jada Mitchell, Mrs. Otis Patterson, Miss Mary Nelson and Miss Maybell Crabtree. After spending a pleasant afternoon together the ladies retired to their several homes, each wishing Mrs. Boyer many happy returns of her birthday.

You need a blood-purifier. We make this assertion with confidence, because it is a fact that there is scarcely one person in ten thousand whose blood is free from humors, scrofula, acids, or some taint, either hereditary or acquired. Pimples, blotches, eruptions are not the only indications. Dizziness, lack of energy, depression of spirits, loss of appetite, rheumatic pain, poor sleep, headache, dizziness, specks floating before the eyes, and many other symptoms plainly indicate the need of a thorough cleansing of the blood. The longer you delay, the more difficult will be the cure. The medicine to take is Ayer's Sarsaparilla, and the time to begin is now. Continue to take it through March, April and May, or until you feel that health and strength are fully restored, which will be when all those painful and troublesome symptoms are entirely removed. The young, the old, the middle-aged alike need the potent but benign influence of Ayer's Sarsaparilla, the best of blood medicines.

NEARLY A RUNAWAY.—Yesterday near Matlock's corner, Mr. Henry Heppner might have had a serious runaway. He left his horse standing unattended and entered the saloon, and while there the horse started down the street. As we stated above, the horse might have run away, but he didn't; he walked a few steps down the street and stopped.

BOUND OVER.—D. C. Boyd was brought before Justice Freeland yesterday, charged with forgery, embezzlement and obtaining money under false pretenses. He waived examination and was bound over under \$700 bonds. He made no effort to secure bondsmen, but returned to jail.

ADJOURNED.—The H. L. and D. Society adjourned indefinitely Saturday night. The debate created more interest than usual. The recitation by Miss Eva Brian certainly is worthy of a great deal of praise, as she rendered it in her usual good style.

A Humorous Fact About Hood's Sarsaparilla.—It expels bad humor and creates good humor. A battle for blood is what Hood's Sarsaparilla vigorously fights, and it is always victorious in expelling foul taints and giving the vital fluid the quality and quantity of perfect health. It cures scrofula, salt rheum, boils and other blood diseases. Hood's pills act easily, yet promptly and efficiently on the bowels and liver. 25 cents. Any person who desires to trade good unencumbered farm lands, suitable and in condition for raising wheat, for property in Portland, should call at the Gazette office.

Fainting Spells, Neuralgia and Blood Poison

Hood's Sarsaparilla Gives Health and Comfort.

"C. I. Hood & Co., Lowell, Mass.: "Dear Sirs: I saw Hood's Sarsaparilla highly recommended in newspapers. I had neuralgia in my head, back and arms. I also had weak fainting spells and could find nothing to do me any good. After reading the testimonials about the good Hood's Sarsaparilla was doing I decided to give it a trial. I have taken it regularly since early last year and can truthfully say it has perfectly cured me. I do not suffer now with any breaking out on my head, nor have any fainting spells. The action of my heart has been strengthened and I am free from all pain. I cheerfully recommend Hood's Sarsaparilla to whoever wishes to enjoy health and comfort." Miss ROSA SHELDON, La Center, Wash. Prepared only by C. I. Hood & Co., Lowell, Mass. Sold by all druggists, \$1; six for \$5. Hood's Pills cure Nausea, Sick Headache, Indigestion, Bilelessness, 25c. per box.
